The Legend of Ursa Major

Ursa Major, the Big Bear, is one of the major constellations. According to Greek mythology, Jupiter, the King of the Gods, placed these stars in the sky.

Callisto, the young and very beautiful Princess of Arcadia, was sighted by Jupiter on one of his hunting expeditions and he instantly fell in love with her. This caused Juno, Jupiter's wife to become furious. Knowing that Juno would harm Callisto, Jupiter changed the young princess into a bear so that she could protect herself.

For years, Calisto wandered aimlessly throughout the world. One day while roaming through some woods, she came upon a young hunter. He was her son Arcas, the King of Arcadia. Not knowing that it was his mother, Arcas prepared to shoot the huge bear. Fortunately, Jupiter realized what was happening, and changed Arcas into a little bear. Jupiter then placed the little bear, Ursa Minor, and the big bear, Ursa Major, in the heavens where they could always remain together.

Ursa Major

Ursa Maior (Bear Bear) est una de sideribus maioribus. Secundum fabulās Graecorum, Juppiter rēx decorum, stellas has in caelo posuit.

Callisto, juveris pulcherrinraque regia puella, Arcadiae, a Jupitrō unō exitineribus suis venationis causa conspiciebatun; et eam statim amābat. Hoc efficiebat ut Juno, uxor Juppitri, irata esset. Intellegens Junonem Callistum vulneraturam esse, Juppiter regiam puellam iuuenem in ursam mutabat ut psam protegere posset.

Annōs Callisto per terram sine ratione errabat. Unō diē proficescens per siluam, venatorem juverem inveriēbat. Erat filius Arcas, rēx Arcadiae. Nesciens eam matrem suam esse, Arcas ursam immanem necare parābat. Feliciter Juppiter quid eveniret cognoscebat et Arcam in ursam parvam mutabat. Tum Juppiter ursam parvam (Ursa Minor), et ursam magnam (Ursa Maior), in caelō posuit, ut semper unā esse possent.

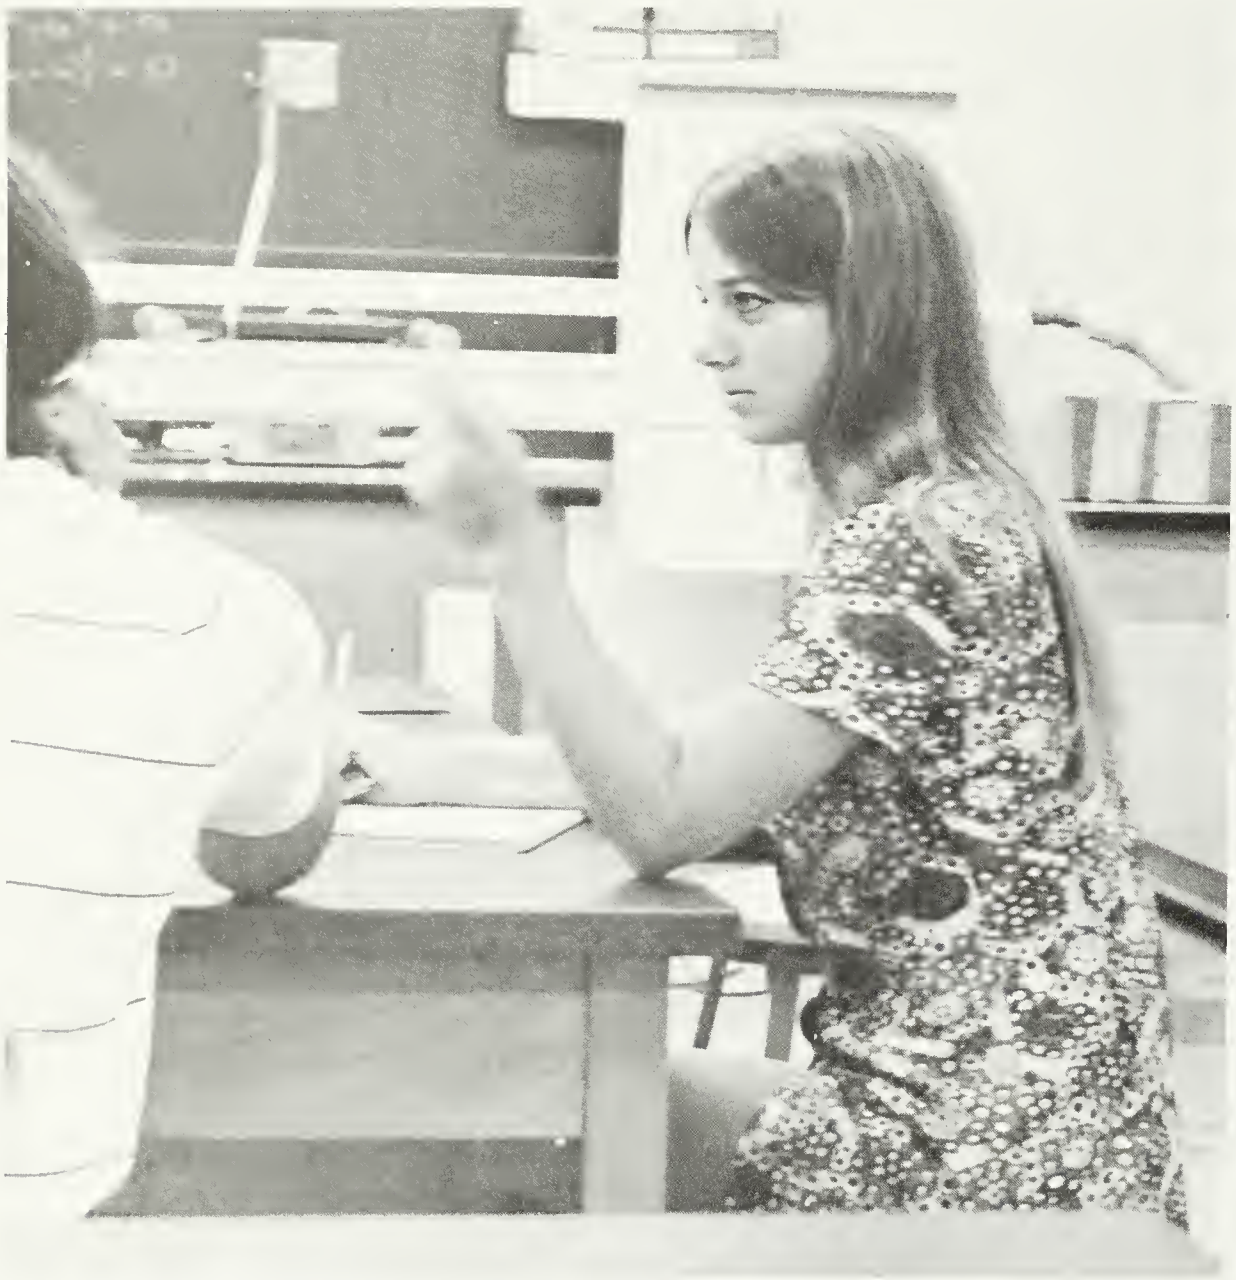
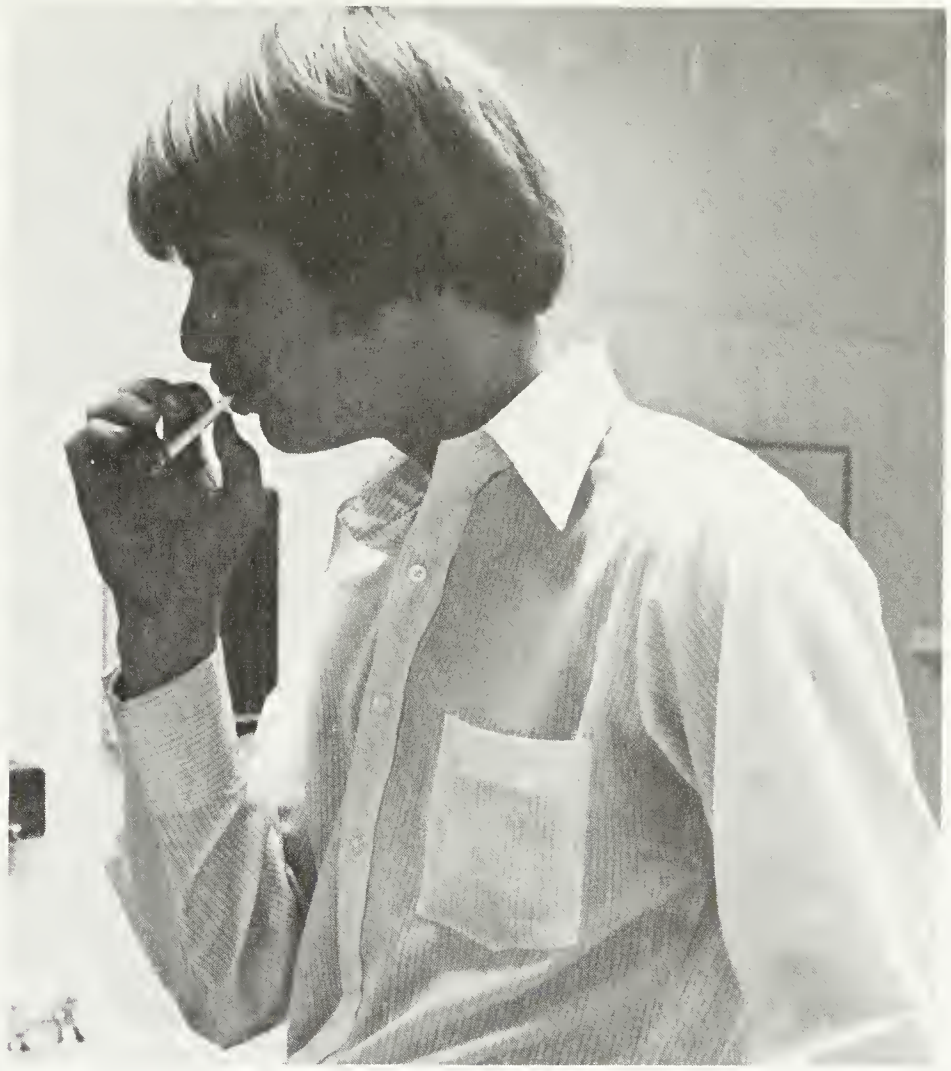
The Youth of Today are the Leaders of Tomorrow

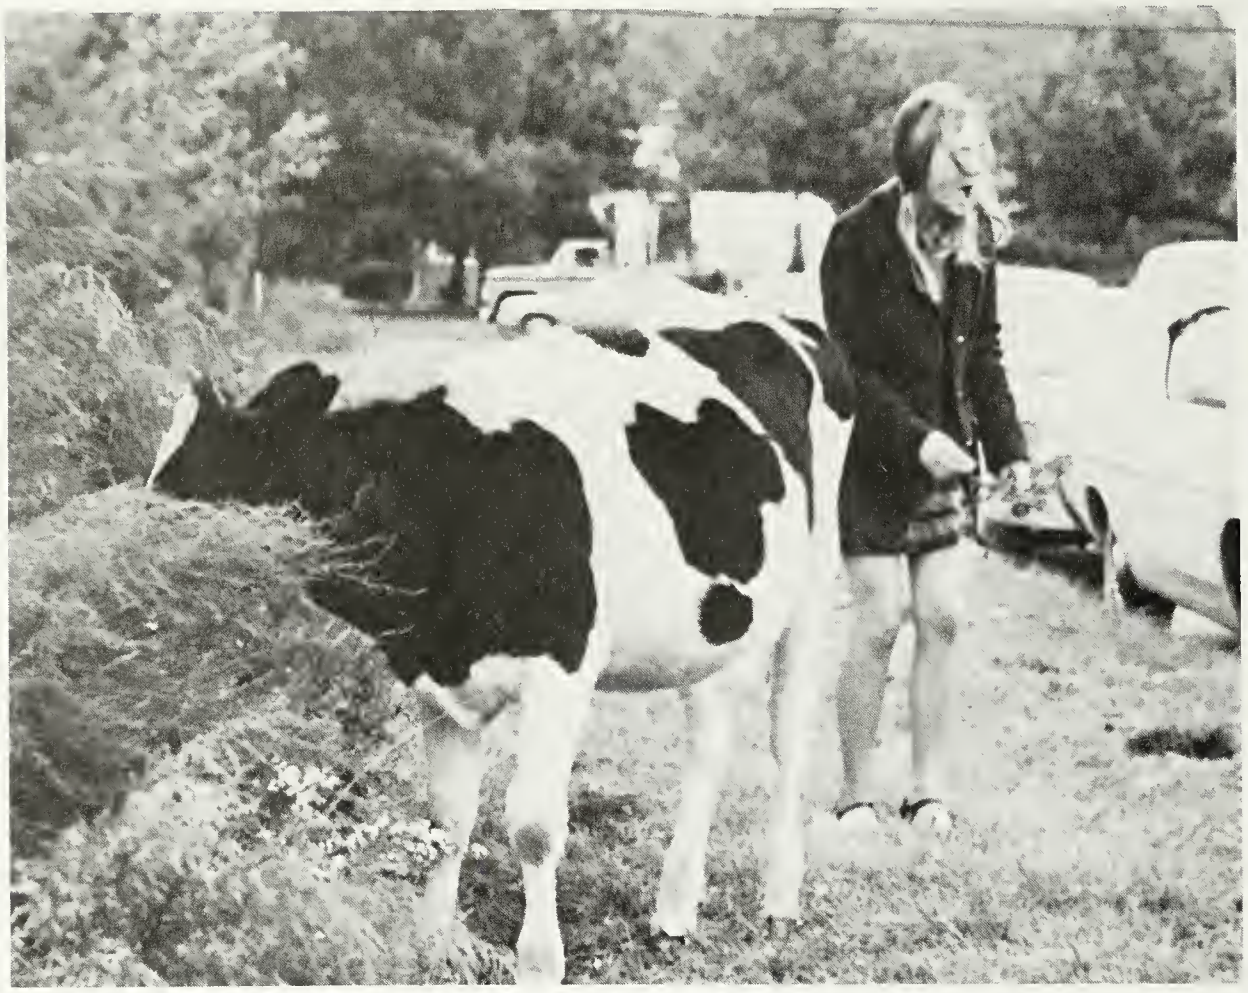


Now, let me tell you something!



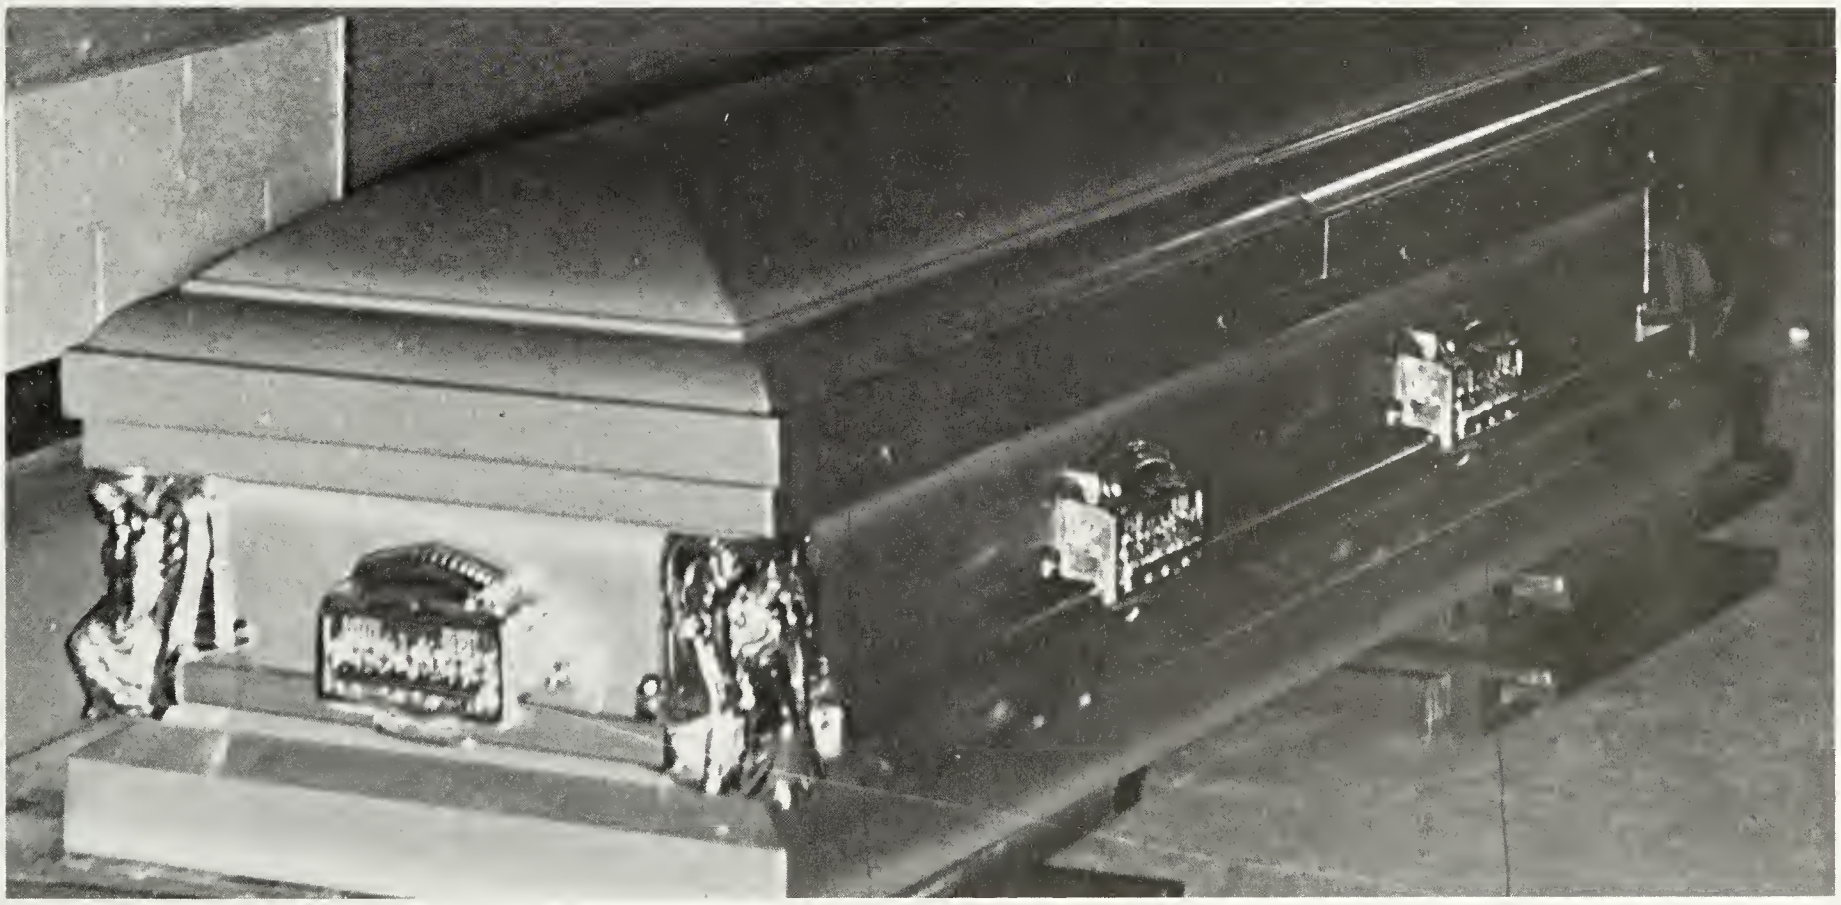
When I get out of this corner, that teacher has had it!

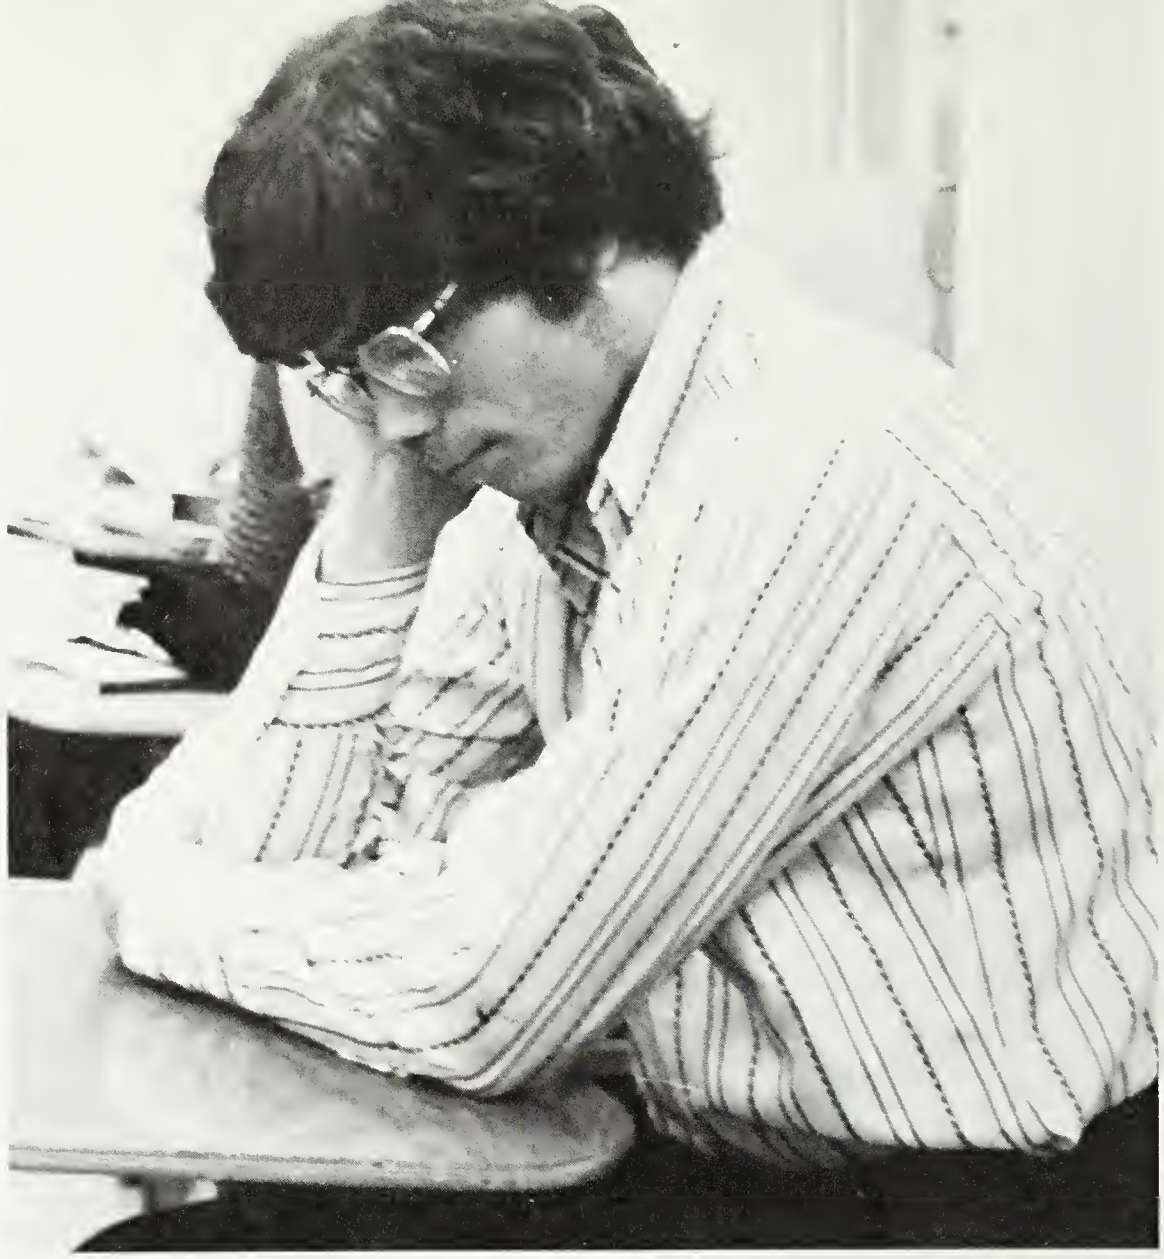
Cool, Calm, and Dry?



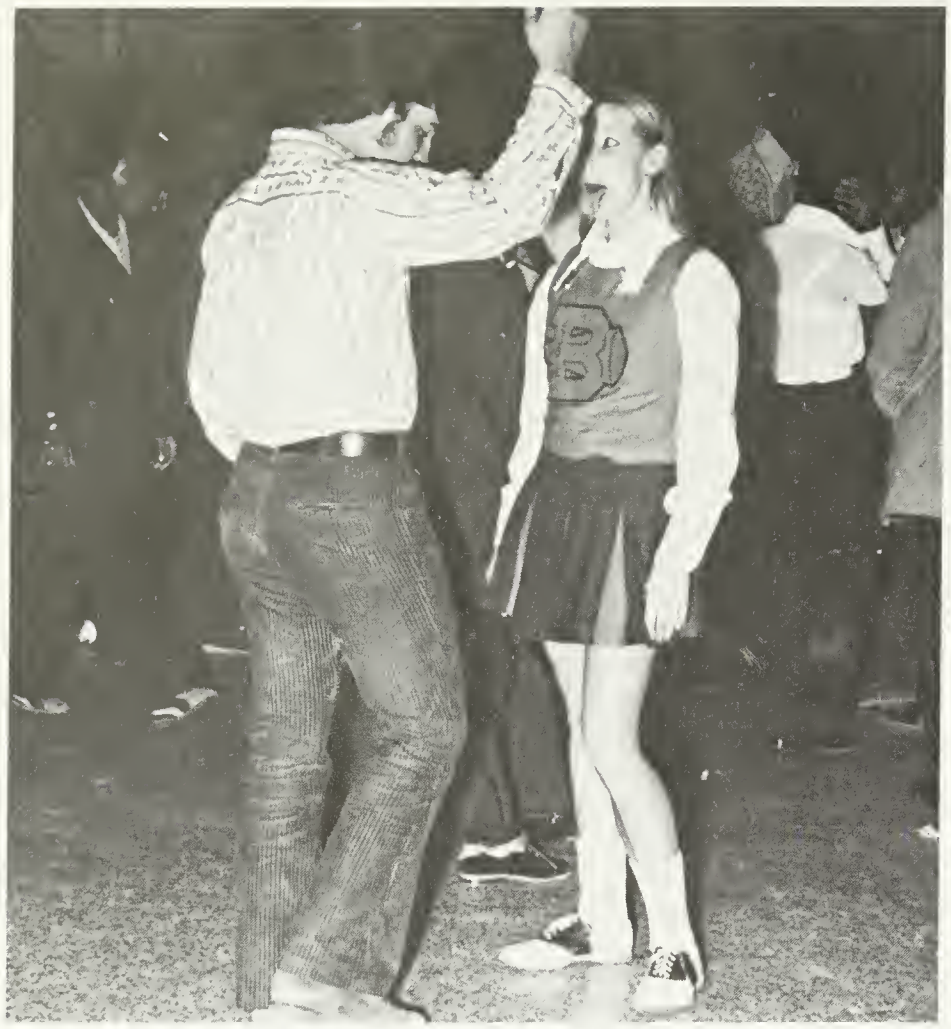
Hey cow, I'm not a fly!

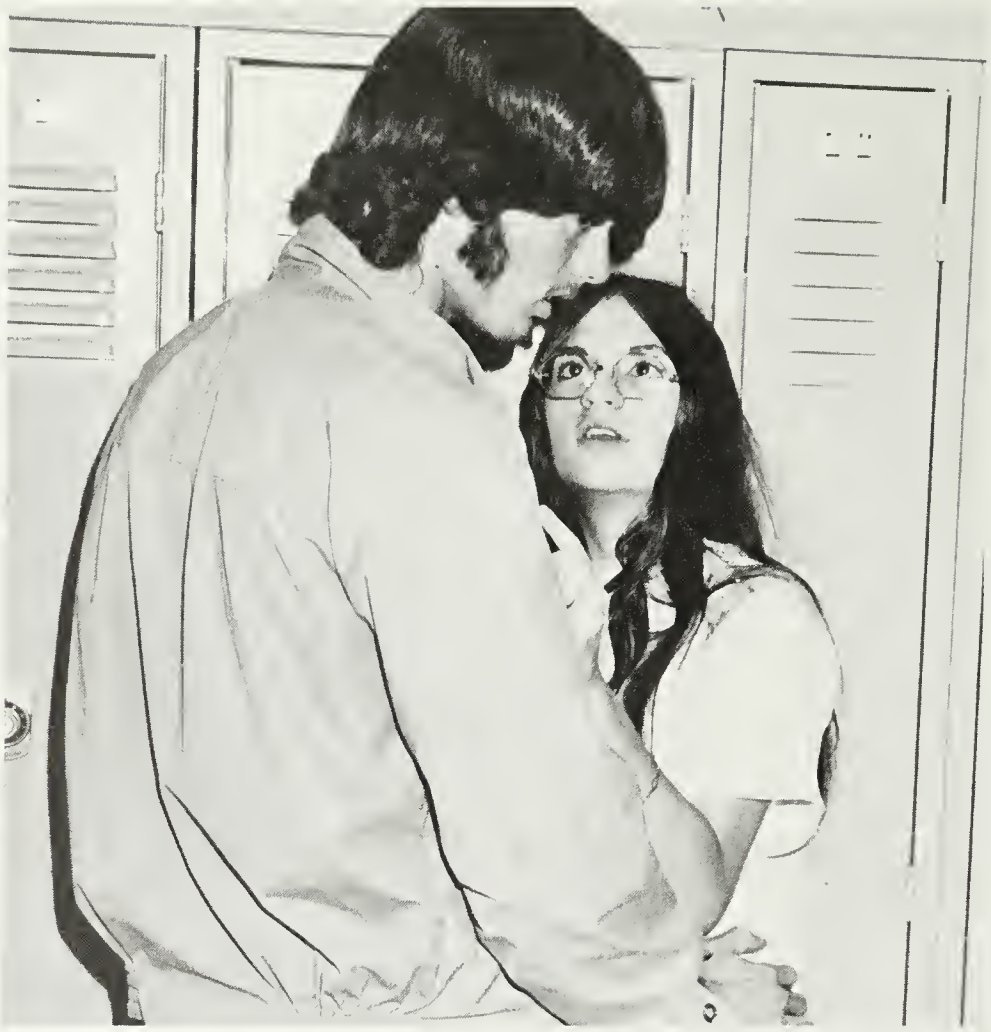
Sure, I used my Right Guard.





Students Take Time to Relax





Yummy, Yummy, Yummy

The Campus Life Singers involved teens from many area high schools.

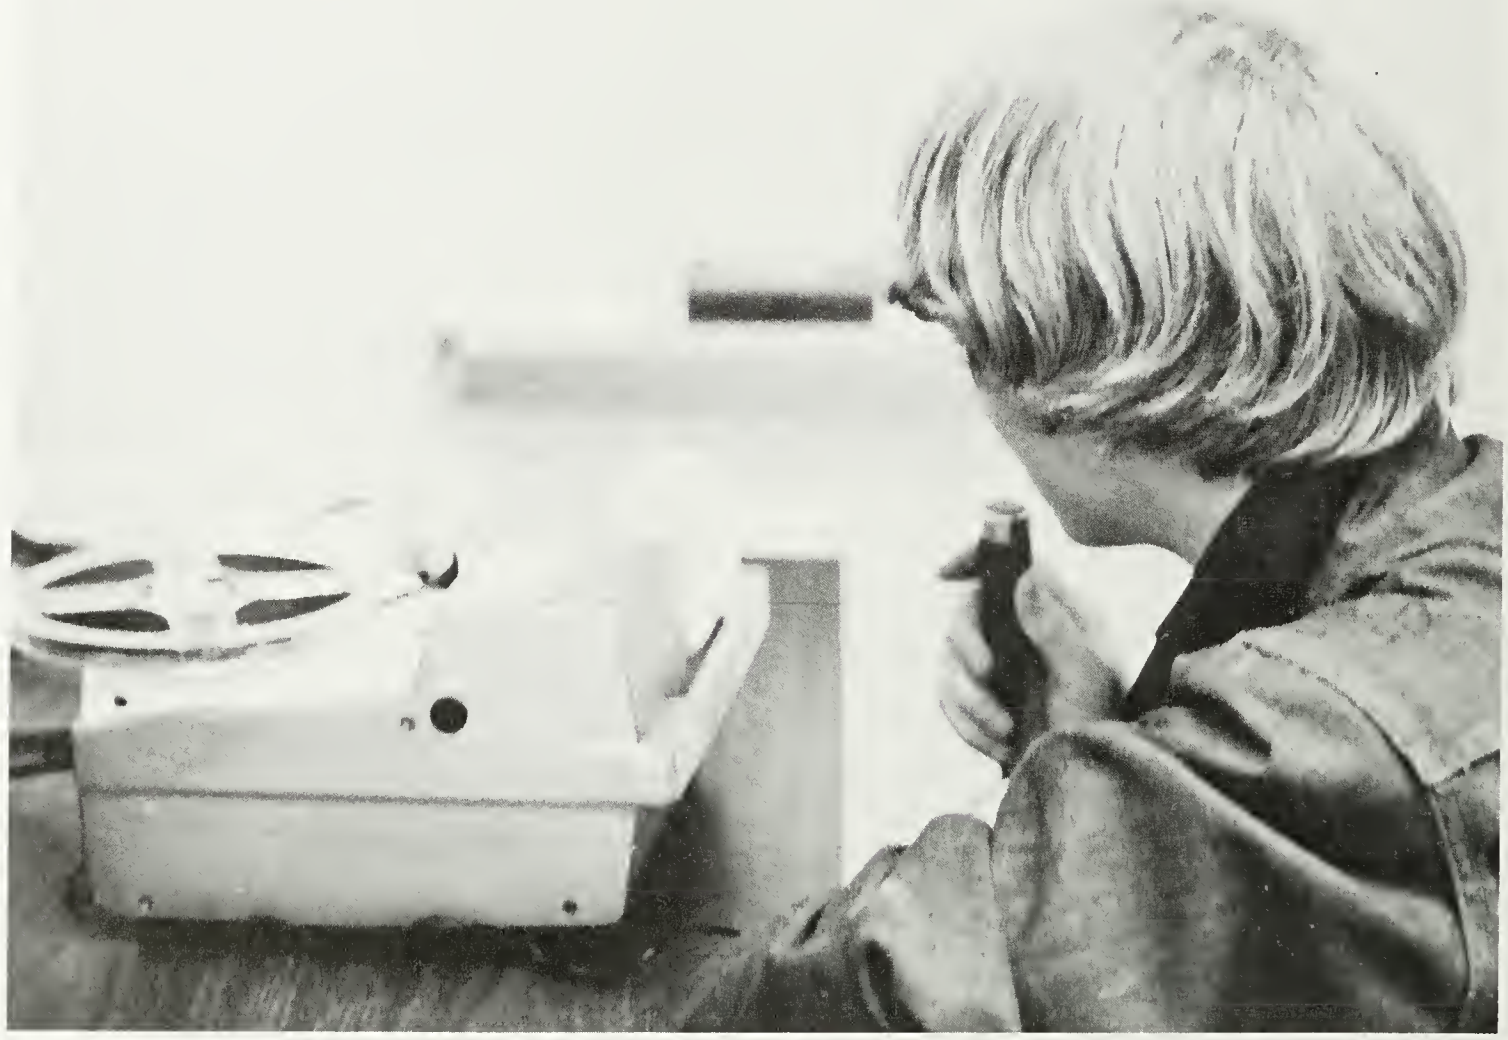
Campus Life Offers Excitement and Fun

Campus Life, affiliated with Youth For Christ, involved many Bethel students again this year in their activities. Continuing from last Spring the club had meetings in the lecture room every Tuesday night. The main purpose of the organization is to show teens that Jesus Christ can be an answer to their problems. Throughout the year, students participated in Bible studies, all-night bowling parties, youth rallies, walk-a-thons, skating parties, weekend retreats, swimming parties, and the creation of a haunted house during Halloween. Some B.H.S. students were also members of the Campus Life Singers. The entire program is run by Dwight "Ike" Newingham and Eddie Nalle, both working for Youth For Christ, International.

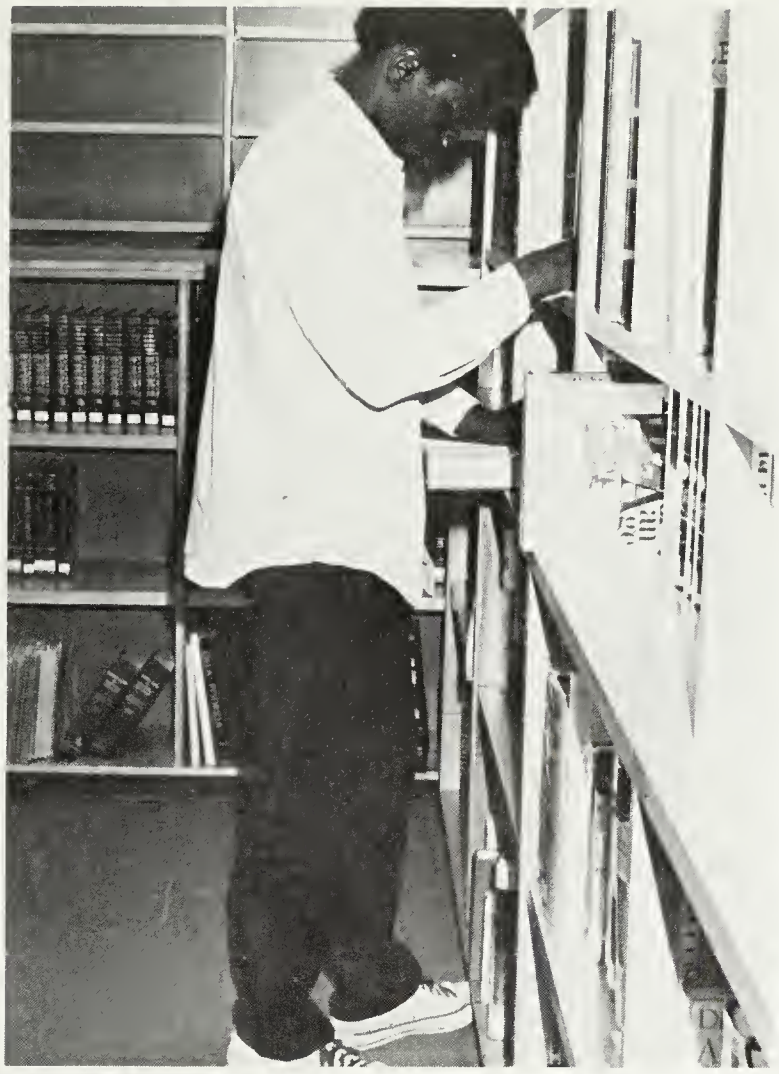
Radio Program Improves B.H.S. Popularity

Under the direction of Mrs. Claudette Keeney, Bethel sponsored their first radio program. The "Bruin Broadcasting Company" or B.B.C., produced 15 minutes of Bethel news, sports, and current events each week on WVEC-FM radio. The club consisted of seven students, some whom are interested in broadcasting as a career and others finding the extra activity a fun way to spend a class period. In all, the broadcast was one more step to making Bethel the best school on the Peninsula.

Good morning, Mr. Phelps . . .



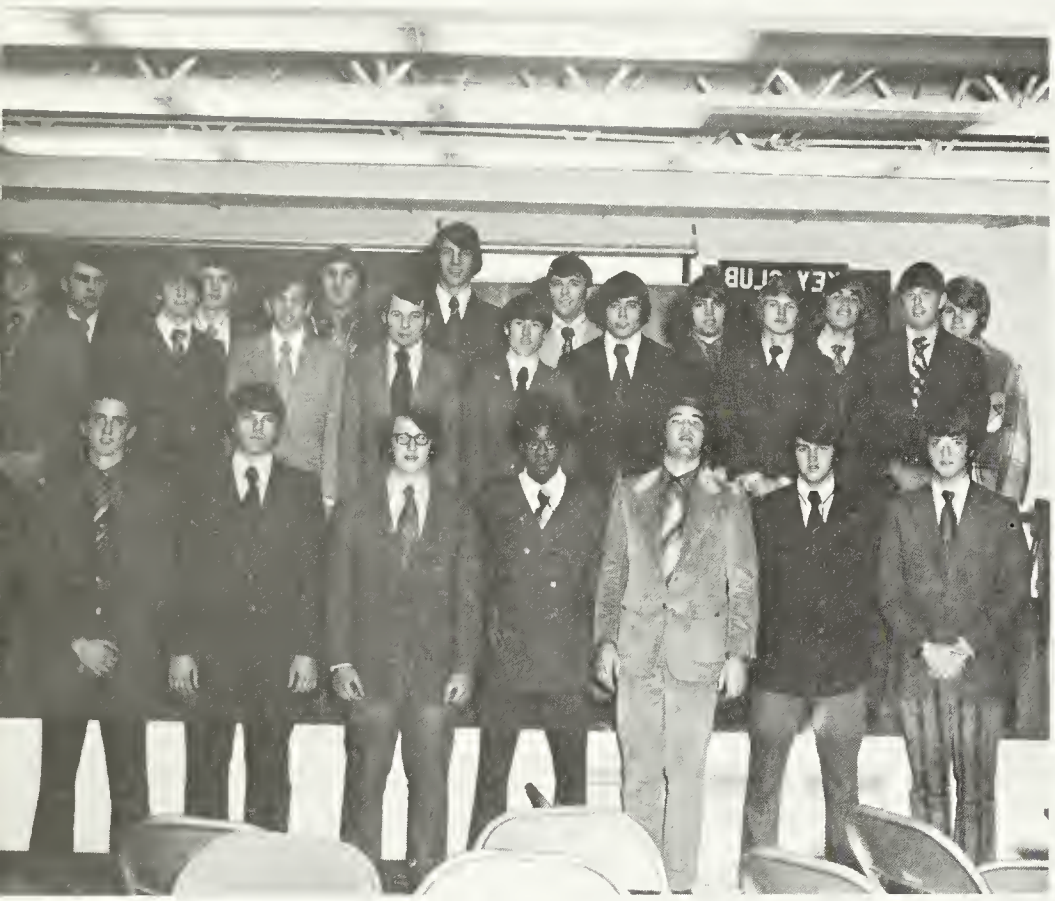
Library Starts New File



An enthusiasm to work with and around books are the only requirements necessary to join the Library Club. Members spent many hours shelving. new books and working with money making projects such as bake sales.

The club sponsored a special program this year open to all students and teachers. The "Community Resource File" provided information on tours, places of interests and speakers that were available to anyone in the community.

National Library Week, April 16-22, kept the club busy with a different feature every day. There were sculpture, speed reading, and poster contests, as well as a tea for the teachers and a sale of bookmarkers.



One of these days, I'm going to get a respectable job.

Key Clubbers Serve As Big Brothers

The Key Club could not possibly have been called idle during this year. They stayed busy serving school and community and deserve much credit for their work. One of their main projects was serving as Big Brothers to area boys whom they took to three of the Coliseum basketball games. Other activities included selling programs during football games, handling concessions at the basketball games, collecting for Multiple Sclerosis, sponsoring the Donkey Basketball games and the Magicians Basketball game, and selling donuts on week-ends in order to buy new track uniforms. They went caroling at Christmas with the Keyetts and had a picnic together in the Spring. The annual Key Club Convention was held this year in March at Baltimore. President of the club was David Hutcheson and Mr. Dennis Kozlowski was sponsor.

Bethel Keyettes Chosen Best in District

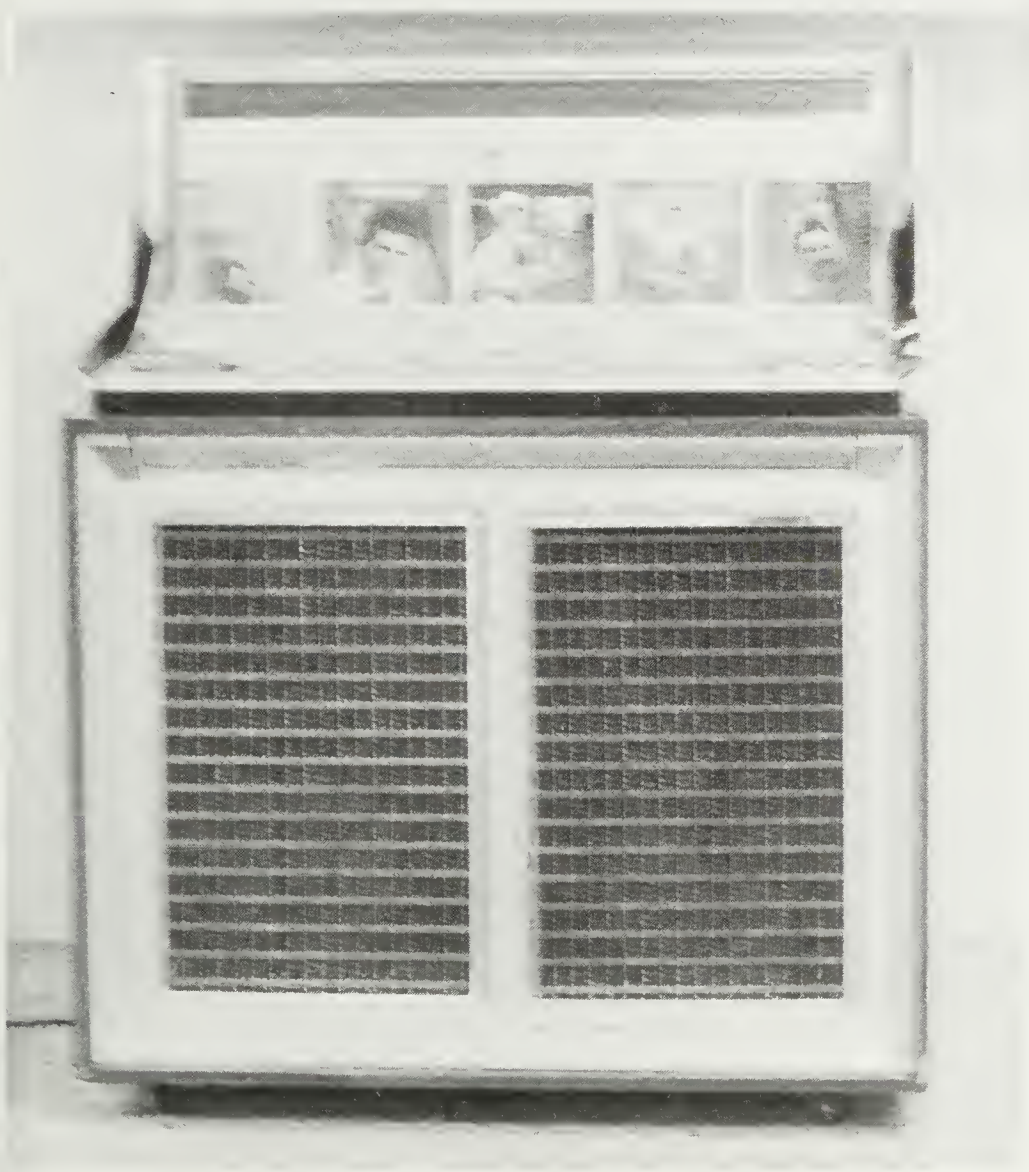
Sponsoring a foster child in Arizona and "adopting" an old age home are only two of the activities which made our Keyette Club one of the best clubs on the Peninsula. In the summer, the Keyettes cleaned Grand View and took some children to Blue-Bird Gap Farm. Keyettes again sponsored powder puff football and presented the winning Seniors a plaque. Anxiously awaiting the convention, all of the Keyettes helped raise money for their international project. The Keyette aim to serve the school, community, and country was definitely fulfilled.

An apple a day "may" keep the teachers away.

Jukebox Provides Music for Lunch

Surprise, surprise, surprise!

S.C.A. OFFICERS: Keith Hargrave, chaplain; Pam Pugh, secretary; Romeo Gillis, president; JoAnn Price, treasurer; John Spring, vice-president.



The S.C.A. kept busy this year making as many school improvements as possible. Changes were made in the constitution, representation and election of officers. The largest achievement was in attaining a jukebox to be played in the cafeteria before school and during lunch. Delegates were sent to the state convention in Roanoke, the district meeting at Berkeley and the summer workshop at Lexington. Other events during the year included Homecoming, Toys for Tots, and three assemblies featuring the CONARC band, Pilgrim 20, and Free Fare, both rock bands. Miss Janice Hudgins was sponsor.

Scoreboard Set Up For Baseball Games

Interact stayed busy this year working devoutely on the creation of a scoreboard to be used for Varsity and Junior Varsity Baseball games. The work took nearly three months and the finances for the $200 project came mostly from keeping concessions during wrestling matches, baseball and basketball games, and from car washes. The other big event for the year was the annual Spirit Week celebrations which included the bonfire, dance, hat day, sign day and hobo day. The Fall Convention was held in Richmond and the Spring Convention was held at Virginia Beach. The club also contributed to Toys For Tots. President was Norman Tarbell and Mr. Richard Sailey was sponsor.

Free Tutoring Service Offered

The main achievement of the National Honor Society was the creation of a free tutoring service offered to any Bethel student. This enabled students to obtain extra help during lunches and after school in subjects where they were doing poorly.

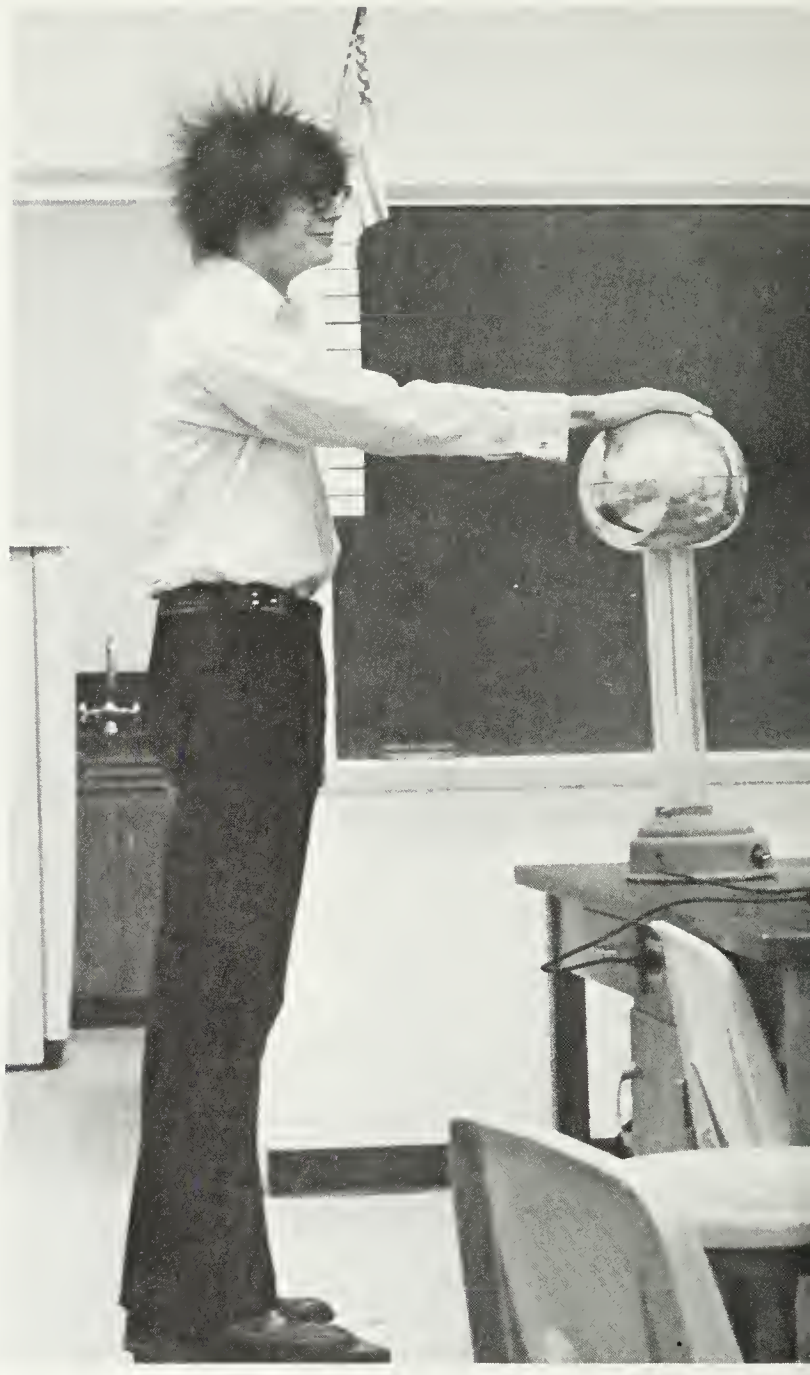
Two seasonal conventions were attended by some of the members. The main theme for both was "Education in the School and How to Improve It."

New members were installed at an assembly May 17. Sponsors were Mrs. Judy Thomas and Mrs. Kathryn LeFevere.

Field Trips Enrich Science Knowledge

The purpose of the Science Club is to promote interest in all areas of science. During the year many field trips were taken to explore the science world and build enthusiasm in related careers. The club visited the Virginia Institute of Marine Science to attend lectures on pollution, toured the International Transportation Exposition at Dulles Airport, and went to William and Mary for a forum on chemistry.

At the Tidewater Science Congress in March, four students received recognition for their entries. Those students were Rosemary Tirrinanzi, Jenny Turpin, Helen Benet and Norman Tarbell. At the Va. Junior Academy of Science, Mitch Carr received a third place in physics.



Six Juniors Attend Boys' and Girls' State

The purpose of Boys' and Girls' State is to offer a better understanding of governmental practices to chosen students from area high schools. The twelve juniors chosen as delegates are elected through the history department on the basis of character, leadership, and scholastic record. The six boys attended the College of William and Mary during the week of June 11-17. Girls' State was held at Radford College during the same week.

Debate Team Rates Fourth in District

The Debate Team, as their name implies, participates in debates on the district and state level. Though they are just a novice team, they placed fourth in the district. They attended a workshop on debating in the early Fall, held at Pembroke High School. The affirmative and negative teams have participated in invitational meets at York High, Warwick High and the University of Richmond where the affirmative speakers received an "Outstanding Honorable Mention." The team was under the direction of Mrs. Margaret Todd.

Forensics Improves Speaking Ability

The Forensics Team is not really a club, but rather an activity which attracts any students interested in public speaking. During the year they participated in the Spelling and Poetry categories of the District Meet in March and also in the American Legion Contest and the Voice of Democracy. Though they had no student to place, the experience helped them to obtain their main objective of improving speaking ability. Team sponsor was Mrs. Margaret Todd and Helen Benet was elected as president.

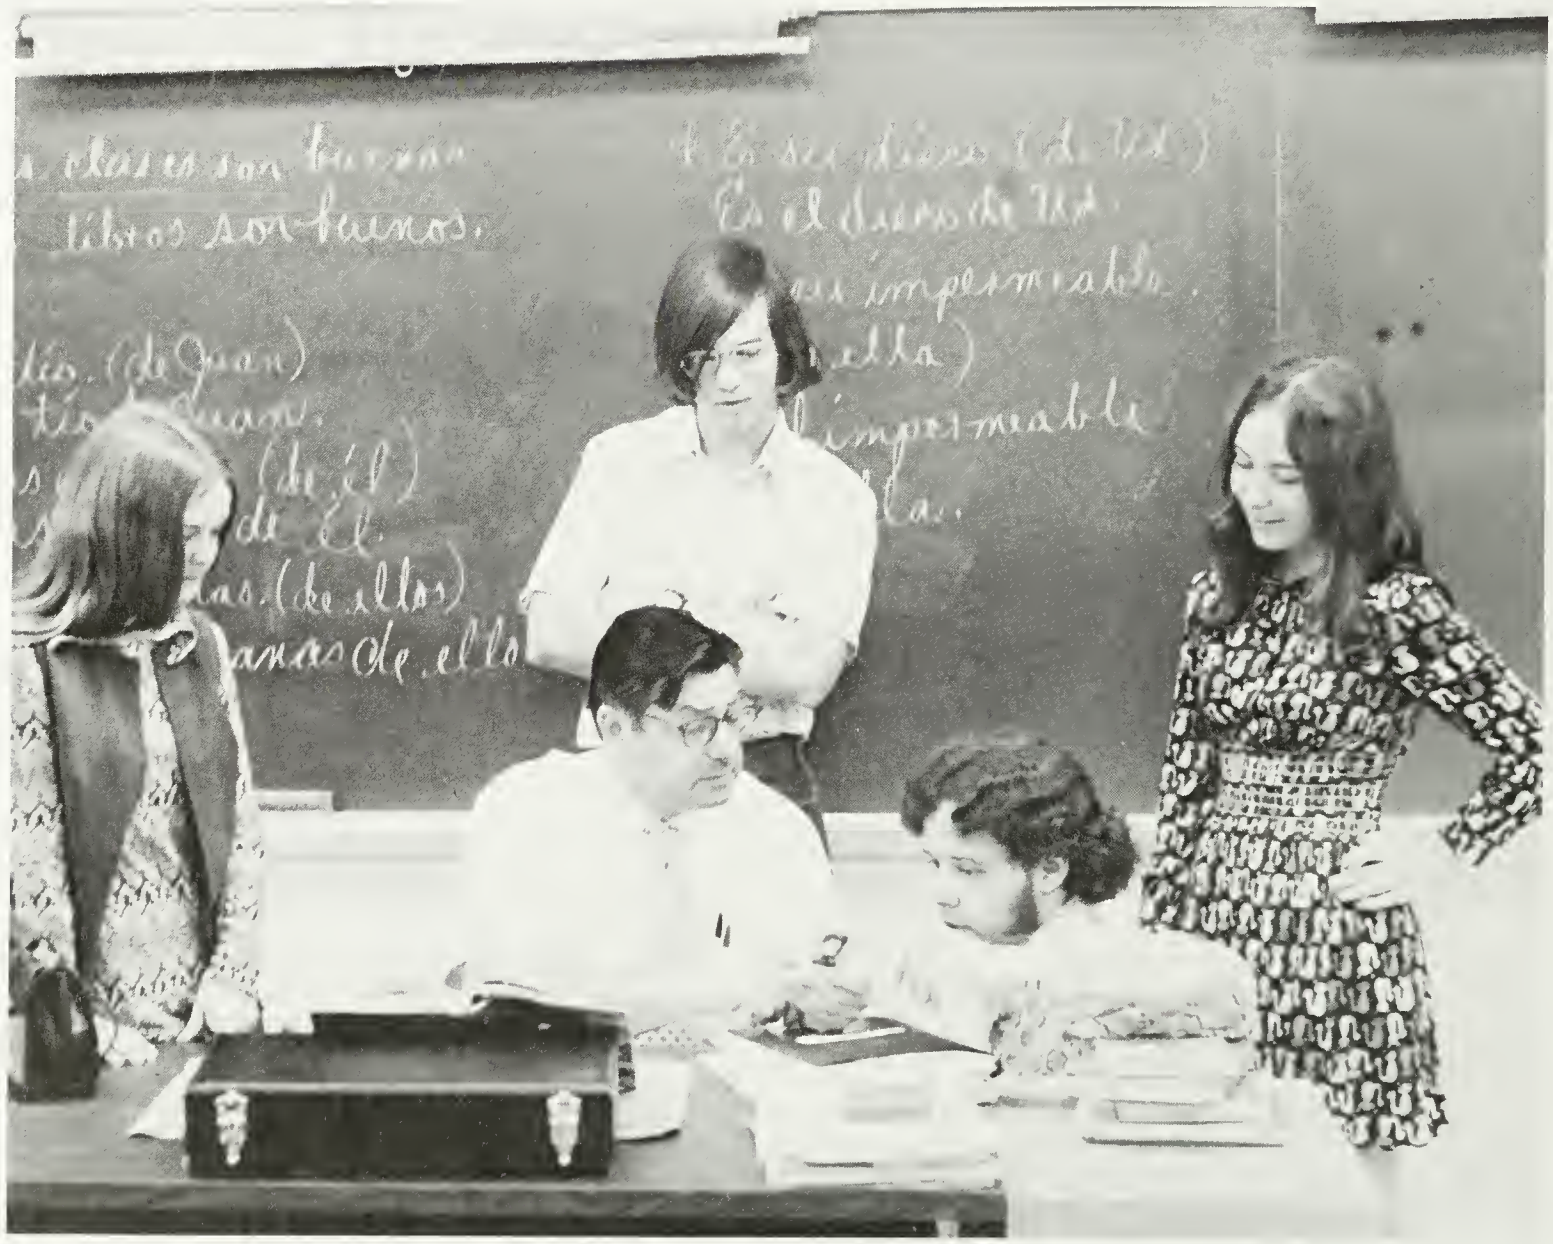
Chess Team . . . King of the Board

The Chess Team had an outstanding year in which they captured two trophies for the school. They became District Champions once again with a 7:1 record losing only to Hampton Roads Academy. At the Washington Tournament, they received fifth place awards from competition involving more than forty different schools. In District Individual Championship, James Edsel came in with a third place win and Charles Young won first place. The team anticipates going to State, if it is held, where they hope to boost their scoring record. The team consists of five players, two seniors, two juniors and one sophomore. Sponsor for the team was Mr. Jeffrey Maring.

Newsreels Help in Understanding Country

The German Club was active this year in promoting German culture within the club itself. At the beginning of the year, a dinner was served in the home ec. room and consisted of bratwurst (hot dogs), apfelkuchen (apple struttle), and krtopfelsalat (potato salad). Each month, there was a Continental Breakfast held and in June, there was a picnic held at Newport News City Park. Newsreels, ordered from Germany about the country provided interesting entertainment for several meetings. Rosemary Tirrinanzi was president and Mr. Joseph Spitzer was sponsor.

See Spot . . . See Spot run.



French Embassy Visited

Most of the activities of the French Club seemed to center around food. At the Christmas party, such authentic delicacies as onion soup, pastries, and escargot (snails) were sampled. The club decorated a car for the homecoming parade, participated in the Toys For Tots Drive and went caroling during Christmas vacation. The main goal of the club was a trip to the French Embassy and a French restaurant in Washington, D.C. This was accomplished after many doughnut and bake sales. The sponsor this year was Mrs. Kathryn LeFevere and club president was Mike Kinney.

Health Club Buys Clinic a Wheelchair

The Cadeusas Health Career's Club at B.H.S. was established last year but has already started a long term service project for the school. As a Christmas project the club sold bows made by the Sarah Bonwell Hudgins Center and gave the teenagers a party. With the profits off the bows a stretcher wheelchair was bought for the clinic.

The club heard from representatives of the American Red Cross, Thomas Nelson's Associate Degree Nursing Program, Riverside Hospital, and an Army Recruiter. A trip was taken to Walter Reed Hospital in Washington, D.C. where nursing and other careers were viewed. Mrs. Jeanne Bradley, school nurse was sponsor and Rose-Marie Webster was president.

F.B.L.A. is Active in Community Projects

The Future Business Leaders of America had an active year in the community as well as at school. Besides the development of competent business leadership, improving the home and community is another effort of the club. Some activities this year included a field trip to a Business College and a Data Processing Center, hostesses at the Business Department Open House during National Education Week, making a thanksgiving basket for a needy family, sponsoring a trip to see the Ice Capades at the Coliseum for underprivileged children, contributing a gift to the Business Department and providing playtime activities for students at the Virginia State School. The president of the club was Sharon White and sponsor was Mrs. Marion Palmer.

F.T.A. Assist Teachers to Gain Experience

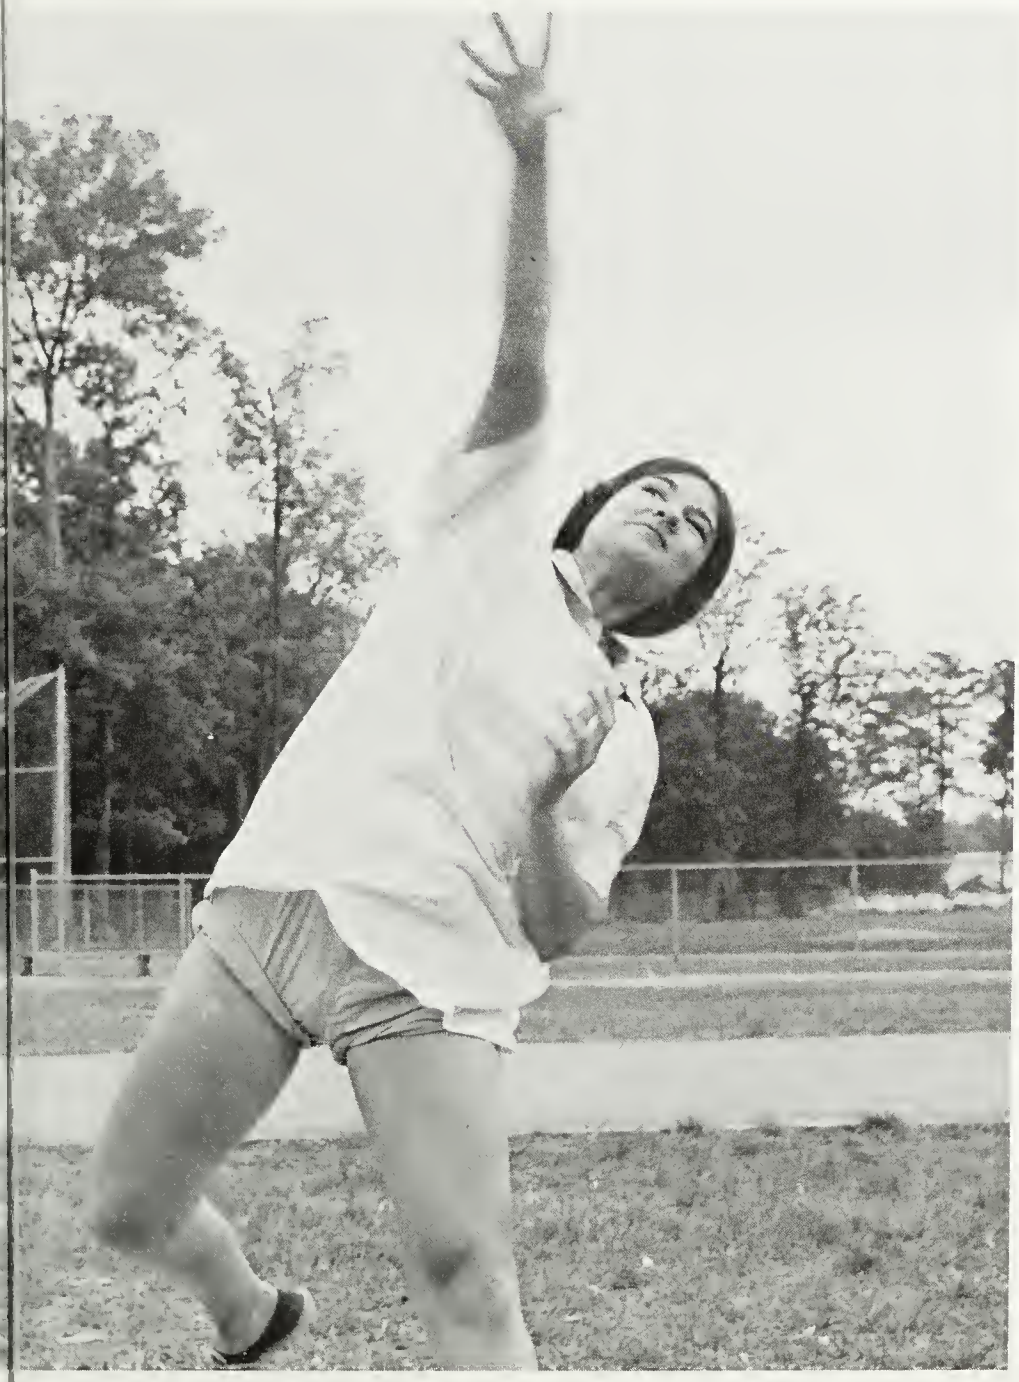
The Future Teachers of America began the year with the observation of American Education Week, highlighted by an assembly with the Conarc Band and a fund raising project with the traditional sale of candied apples. Service projects included volunteer work at Sarah Hudgins and assisting teachers which also provided good training. In the Spring a trip was taken to the College of William and Mary in order to gain a better understanding of college life. The sponsors for the group were Mrs. Catherine Wilson and Mrs. Jerry Tylavsky.

Home Ec. Club Stresses Individual Management

The Home Economics Club, formally known as Future Homemakers of America, attracted many girls enrolled in home ec. classes. The main project of the club was selling candy to raise money.

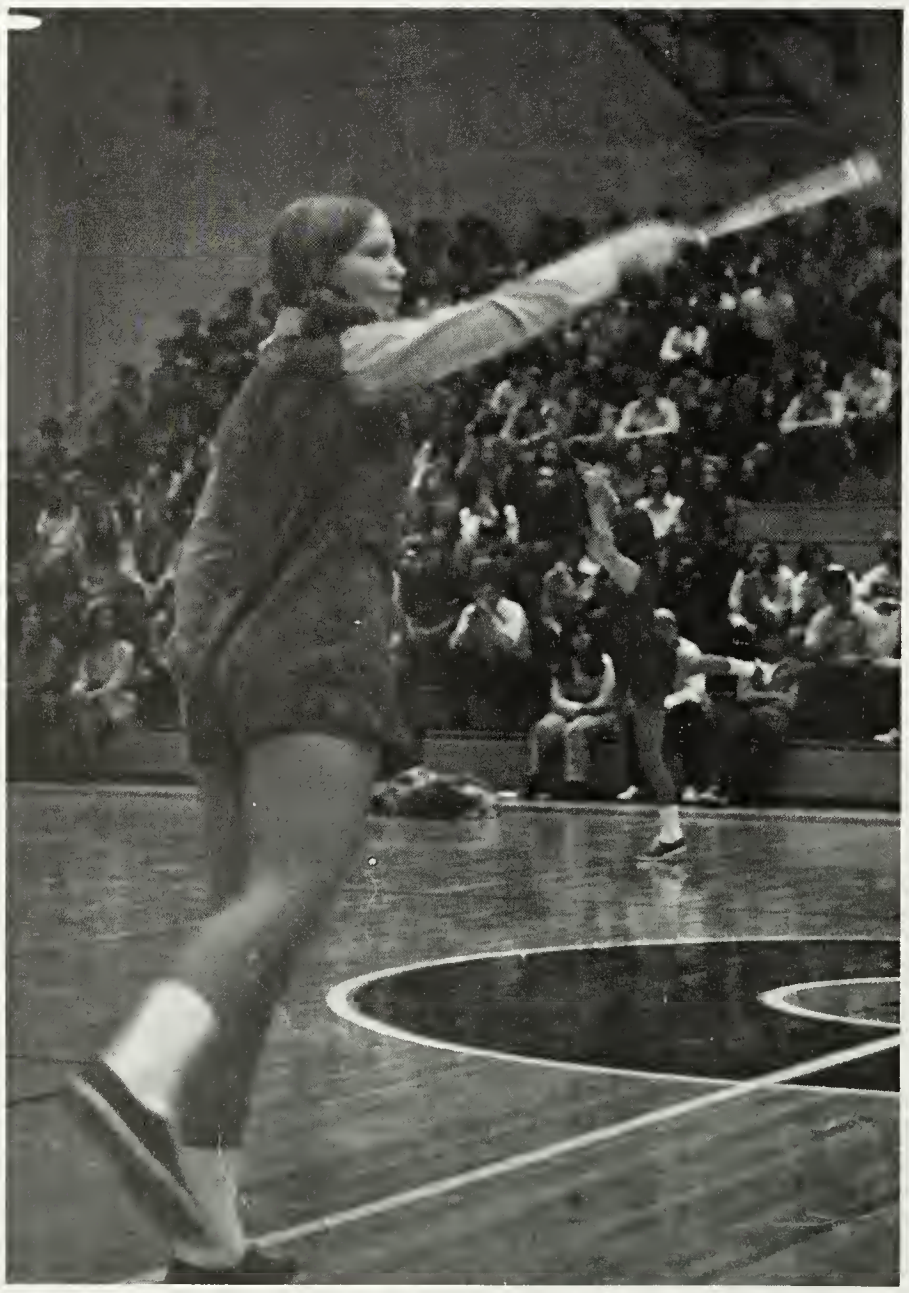
As the name implies, the club stresses individual management of the girls. Each class started a savings account with Mrs. Lane. They set up their own goals and upon reaching them, a trip was planned to visit New York City. Over seventy girls took the bus tour in April. They visited Manhattan and Radio City, and explored the salesmen techniques while shopping in the stores. Mrs. Emily Lovett sponsored the club.

G.R.A.'s Start Modern Dance Group



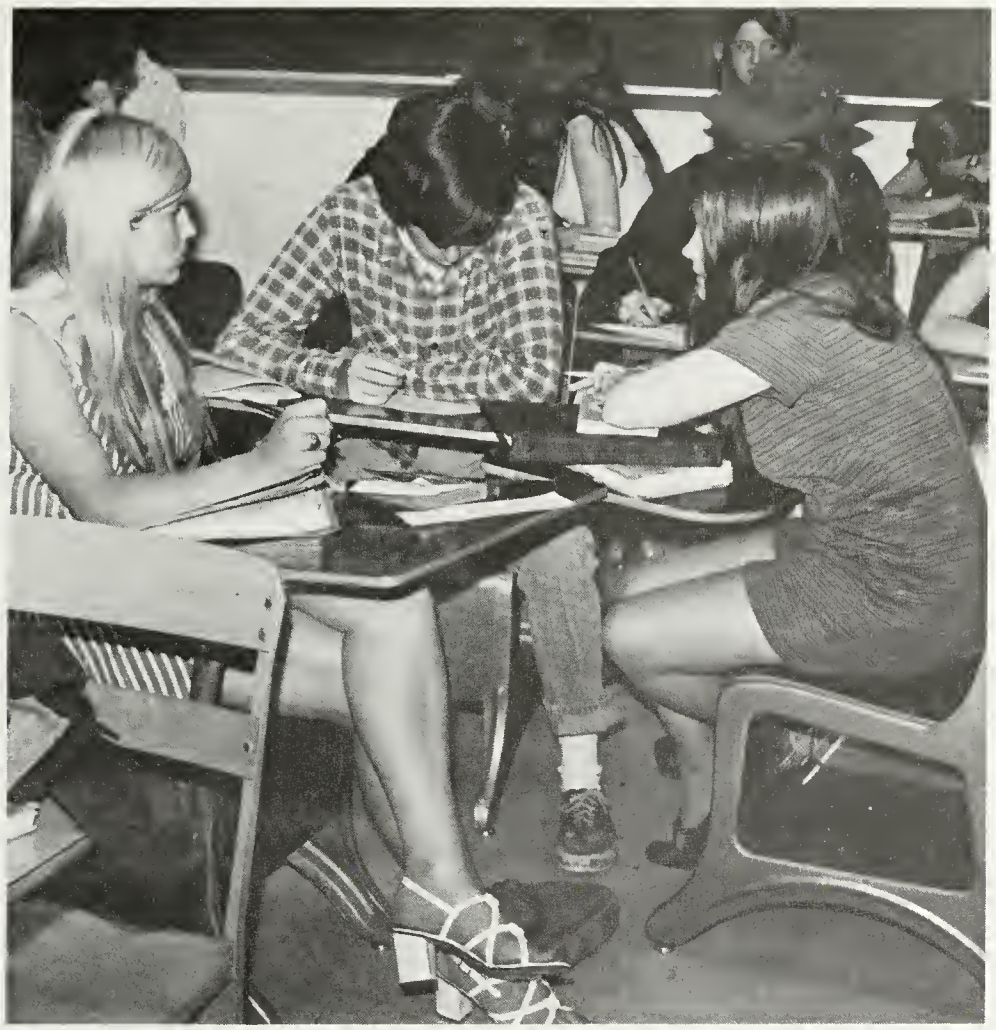
The Modern Dance Group was added to the Girl's Recreational Association this year. This group, along with gymnastics, track, basketball and other sports, was open to any interested girls. The activities gave the girls a chance to receive exercise, and competition to test their skills and patience. Coming up fourth in the district City Competition, they anticipate going to State Competition next year. Instructors for G.R.A.'s are Mrs. Pope and Mrs. Wolfe.

Bethel Majorettes add Grace to Football Field



Under the leadership of their captain, Theresa White, the Majorettes added much beauty and grace to the football games and at pep rallies. The eight girls spent long hours learning new routines and their practice proved to be effective in the competition meets. They entered twirling contests both as a squad and individually and won a second place in the regional competition for the National Majorette Association. They also marched in the Appleblossom Festival Parade in Winchester, Va. and in the Williamsburg Christmas Parade. Here at Bethel, they performed with batons, pom-poms, and fire batons and ushered for the band concerts.

The sponsor this year was Mrs. Susan Portlock.



Troubadour Works Hard to Meet Demand

Along with normal class assignments, a few students from Creative Writing also find time to work on the *Troubadour* and the *Rejection Slip. The Troubadour* is Bethel's literary magazine and is published annually. Any of the students are encouraged to submit poetry, prose, or art and the best material is selected for publication.

The *Rejection Slip,* a satirical magazine, contains material aimed at anything from student government and prejudice to puppy love and parents. The staff submits all work for this.

The staff is under the leadership of Tom Watson and JoAnn Langley editors, and Miss Catherine Biles.

JoAnn, we've got to stop meeting like this.

Community Service is Full Time Project

The Y-Teens was formed at Bethel to help build character, dependability and leadership in the girls that joined. This year, serving in the community seemed to be a full time project. During the Christmas season decorations were made for the confined patients at Patrick Henry Hospital and a party was given for a needy Tidewater family. Easter bunnies were made for deprived children in the first grade at Machen Elementary. Other activities included pajama parties, award banquets and club meetings.

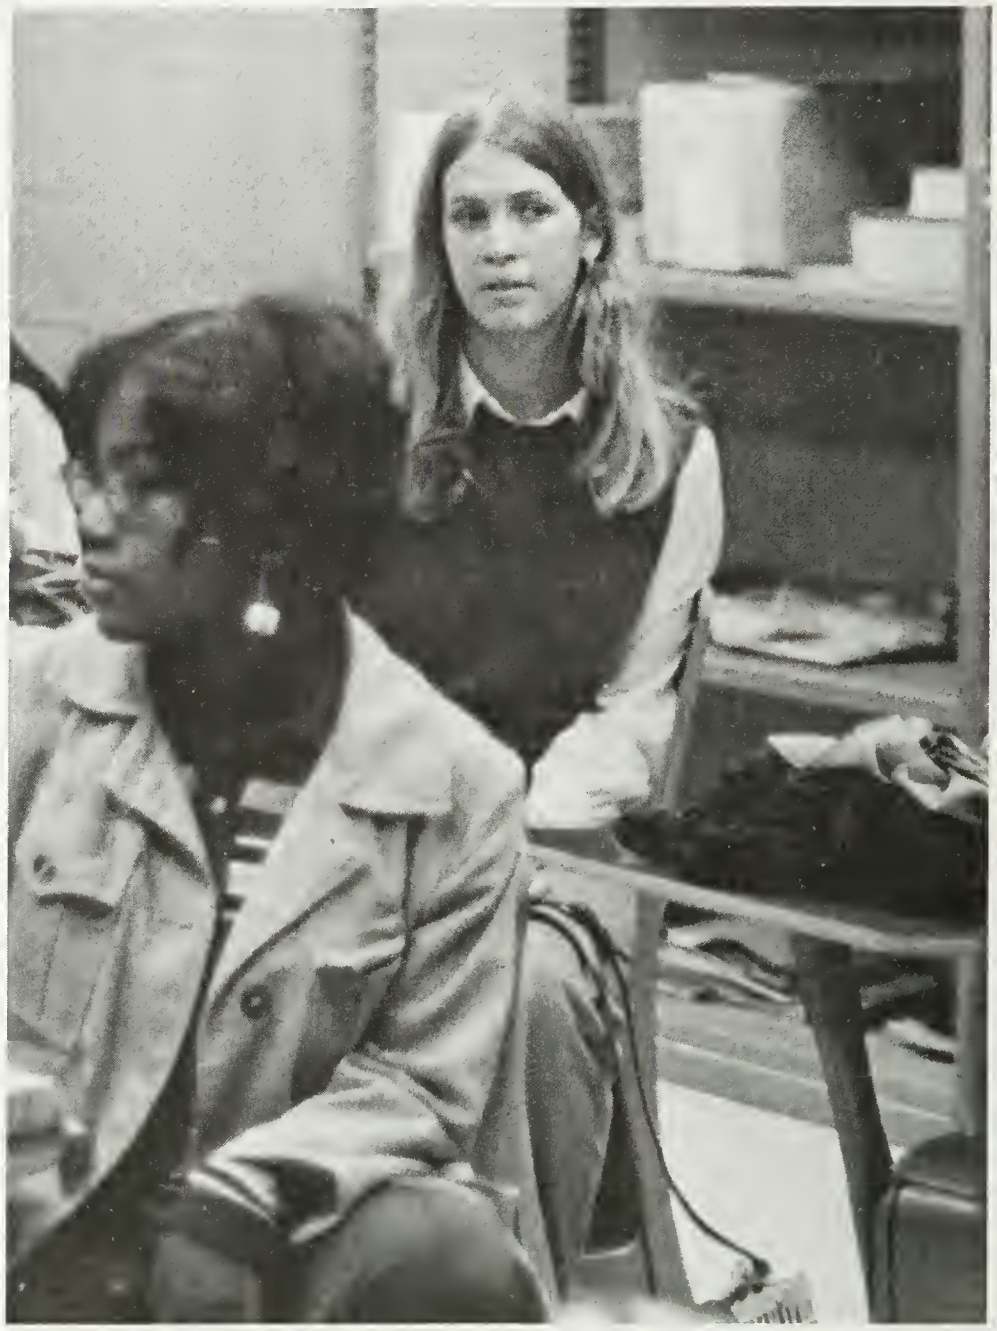


Photo Staff Proves to be Efficient

Without the co-operation and dependability of the Photo Staff, there would be no annual or newspaper printed. These six dedicated workers were on call almost any time of the day or night. They contributed a lot of their time to photographing, printing, and helping where they could be used. The results of their hard work were viewed in many beautiful pictures for the school and individual students.

I forgot how to use this thing.

Annual Staff Creates a Two-Part Book

"True Grit"

Instead of being a handicap, the inexperience of this year's Annual staff proved to be an asset. Originality was the main objective and the staff achieved this goal by designing a two-part book. With plans underway, the staff got busy and busy they were! The new ideas took much effort and skill and the staff spent many long hours after school and on weekends in order to meet deadlines. The editor-in-chief was Frances Tedder and sponsor was Mr. Eugene Moser.

Bear Facts Staff Visits Daily Press

Despite financial difficulties, the staff of the Bear Facts strived to serve the students. Though the quantity of the papers were reduced, the quality remained superb. Issues were distributed during the Christmas season, on Valentine's Day and as graduation neared, a senior edition came out containing the "last will and testament" of all graduating seniors. Each issue kept students informed on school activities.

Part of the staff attended a journalism workshop at the University of Richmond where new techniques were learned that enhanced their abilities. They also took a tour of the Daily Press building and Kecoughtan invited them to observe their group in action. Sponsor for the staff was Mr. Jeffrey Maring.

J.V. Cheerleaders show school spirit.

Cheerleaders Work Hard to Encourage Enthusiasm

The main purpose of the cheerleading squad is to promote school spirit. Both the Varsity and Junior Varsity cheerleaders tried to accomplish this through cheering at football and basketball games and a few wrestling matches.

The Varsity Cheerleaders also sold ads for the football programs and helped with the Peninsula United Fund. They were under the leadership of Susie Koepp and Debbie Auman, co-captains, and they were sponsored by Mrs. Wayne Meleski.

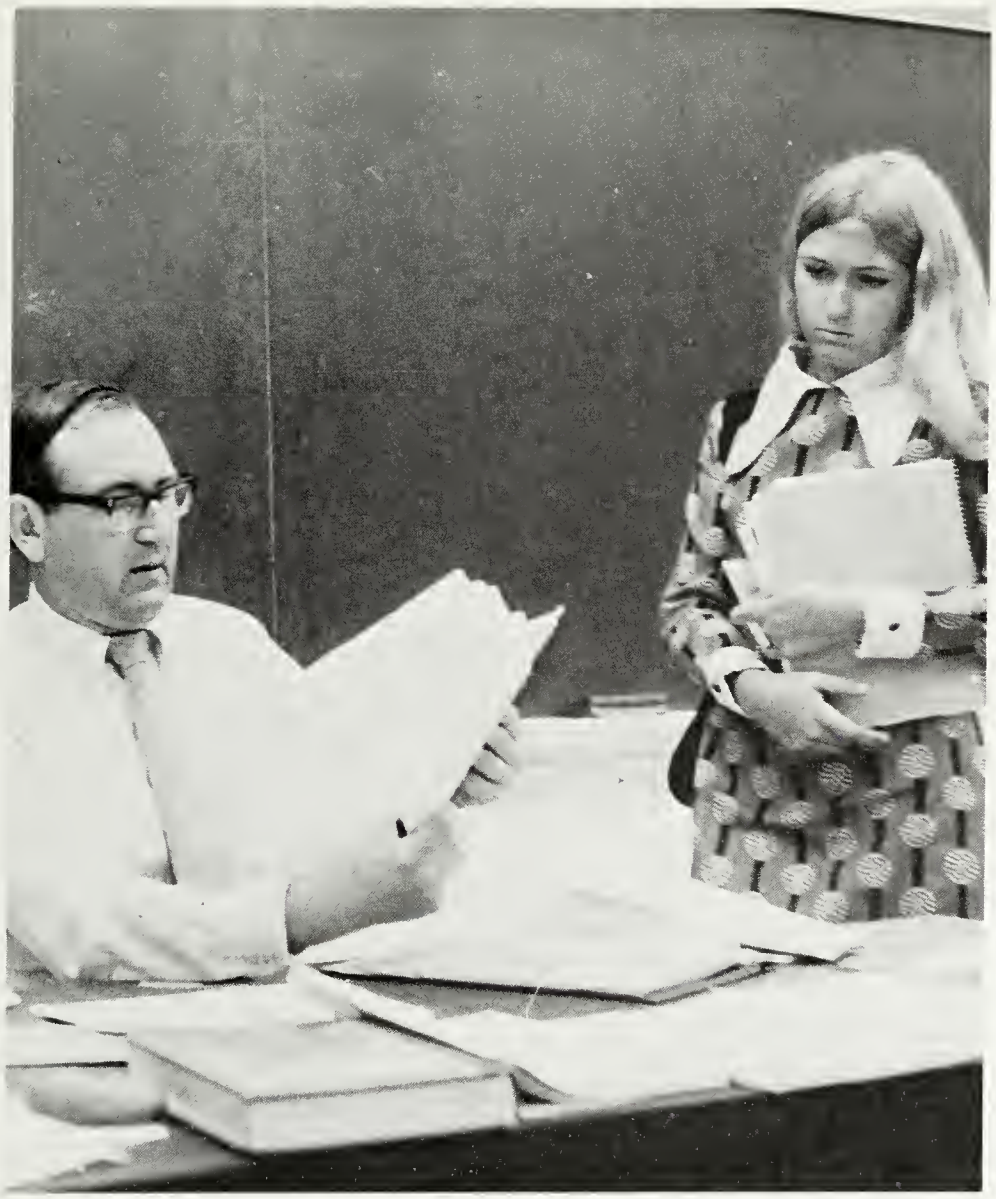
The Junior Varsity Cheerleaders served as hostesses at the opening of "Salt and Pepper" on Warwick Boulevard. They were sponsored by Miss Linda Miller and co-captains were Karen Lovetta and Patsy Bresette.

"and my phone number is 826— . . . "

The only one in captivity.

English Department Undergoes Revision

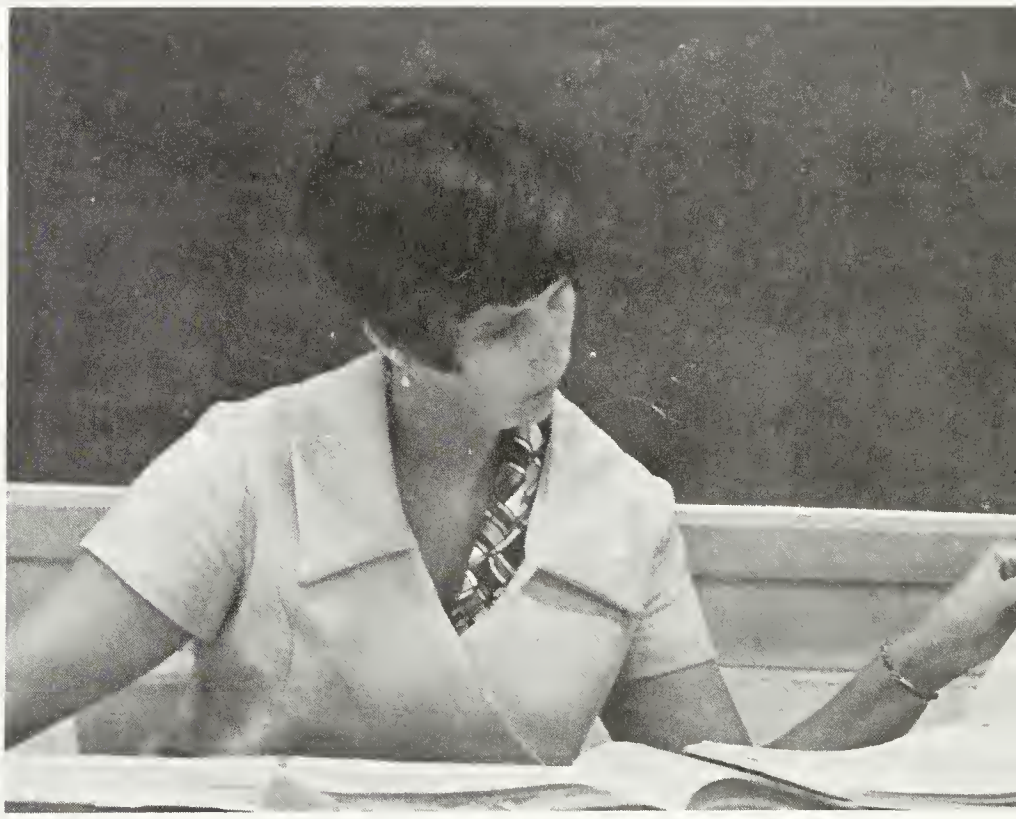
As head of the English Department, Mrs. Anderson has been busy evaluating the English curriculum for a self study program. New courses are being selected to aid students in further study. The Humanities and civilizations classes were designed to challenge the student in his thinking concerning man and his world.



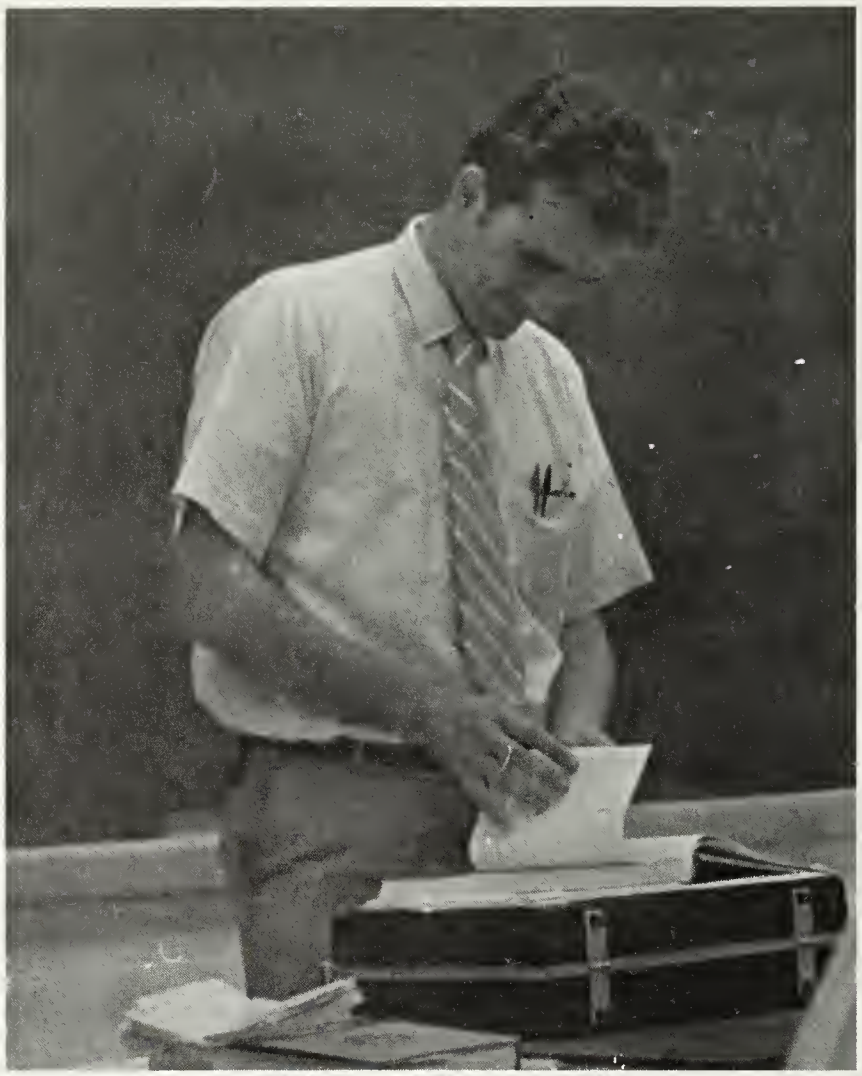
World War I was not in the 1800's!
Right on, man!

Black Studies Added to History Curriculum

The History Department at Bethel High broadened its curriculum with the addition of Black Studies. This course introduced to the student relevant material on both the history and language of the black people. Students taking the course also published a newspaper, "The Voice," which as its name indicates, expressed current ideas and opinions. The Black Studies, in conjunction with world history, U.S. history, and U.S. government, provided a wide range of studies within the history department all under the head of Mr. William Evans.



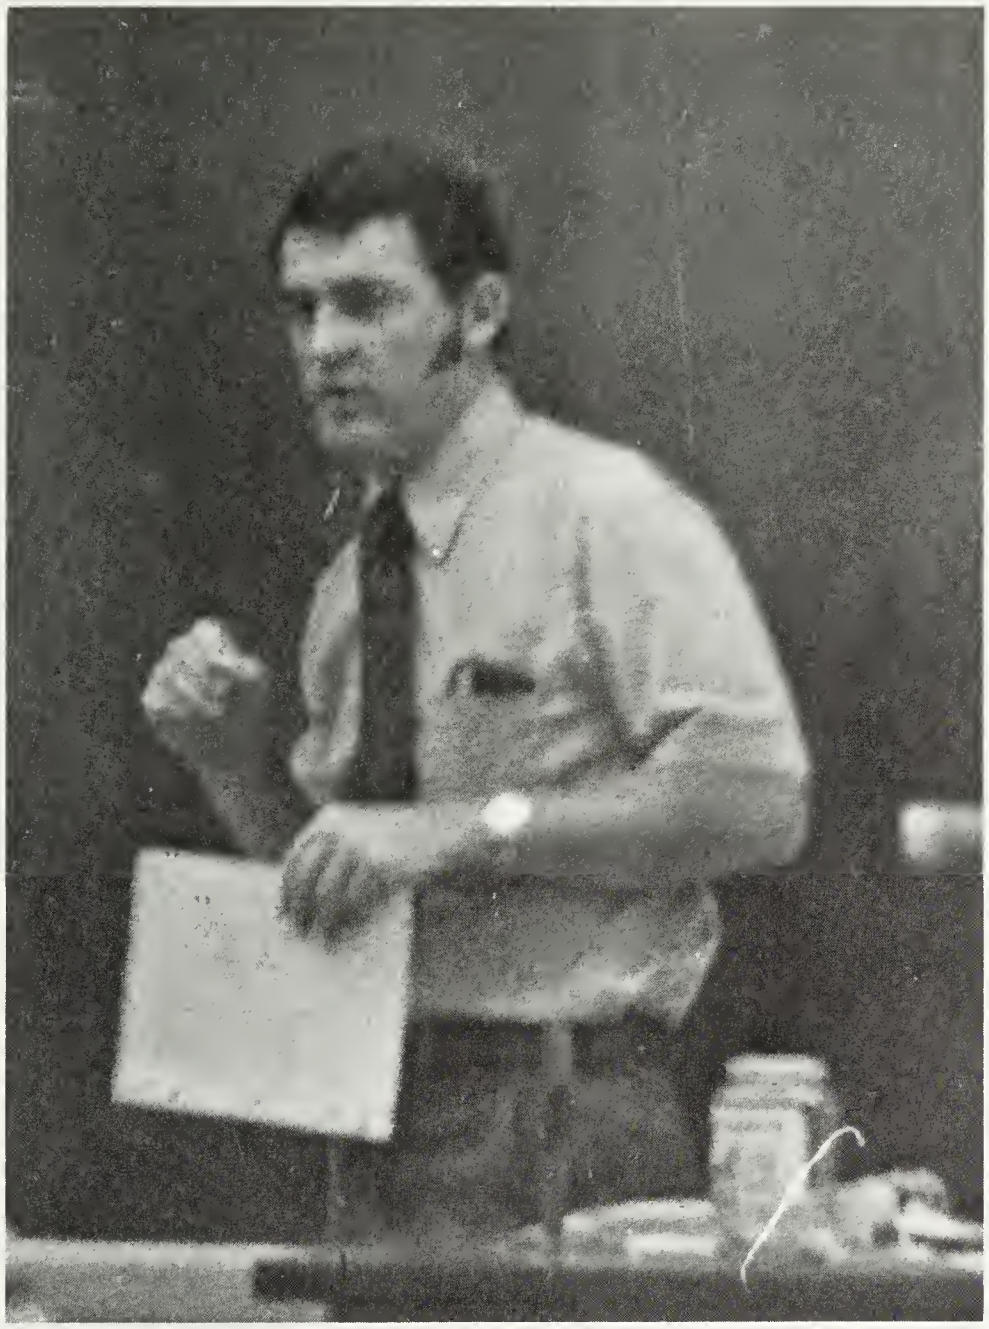
What was the name of that war?



I just love working with figures.

Students Increase Knowledge of Numbers

Bethel's Mathematics Department offered a wide range of courses for those students either needing a math credit or interested in extending their knowledge of the field. Classes started at the lower levels of general math and progressed into Math Analysis and Calculus for the advanced students. Mr. Richard Sailey did an excellent job of heading up the department.



I knew Einstein was wrong.

Science Challenges Students to Think

Under the direction of Miss Frances Minkins, the Science Department challenged students to learn more about the world in which they live. In both classwork and labs, new ideas were met and attempted to be understood. Students were offered classes in Biology, Physiology, Chemistry, and Physics and many of them signed up more for the challenge than for the credit.

Gymnastics Strive to Build Healthy Bodies

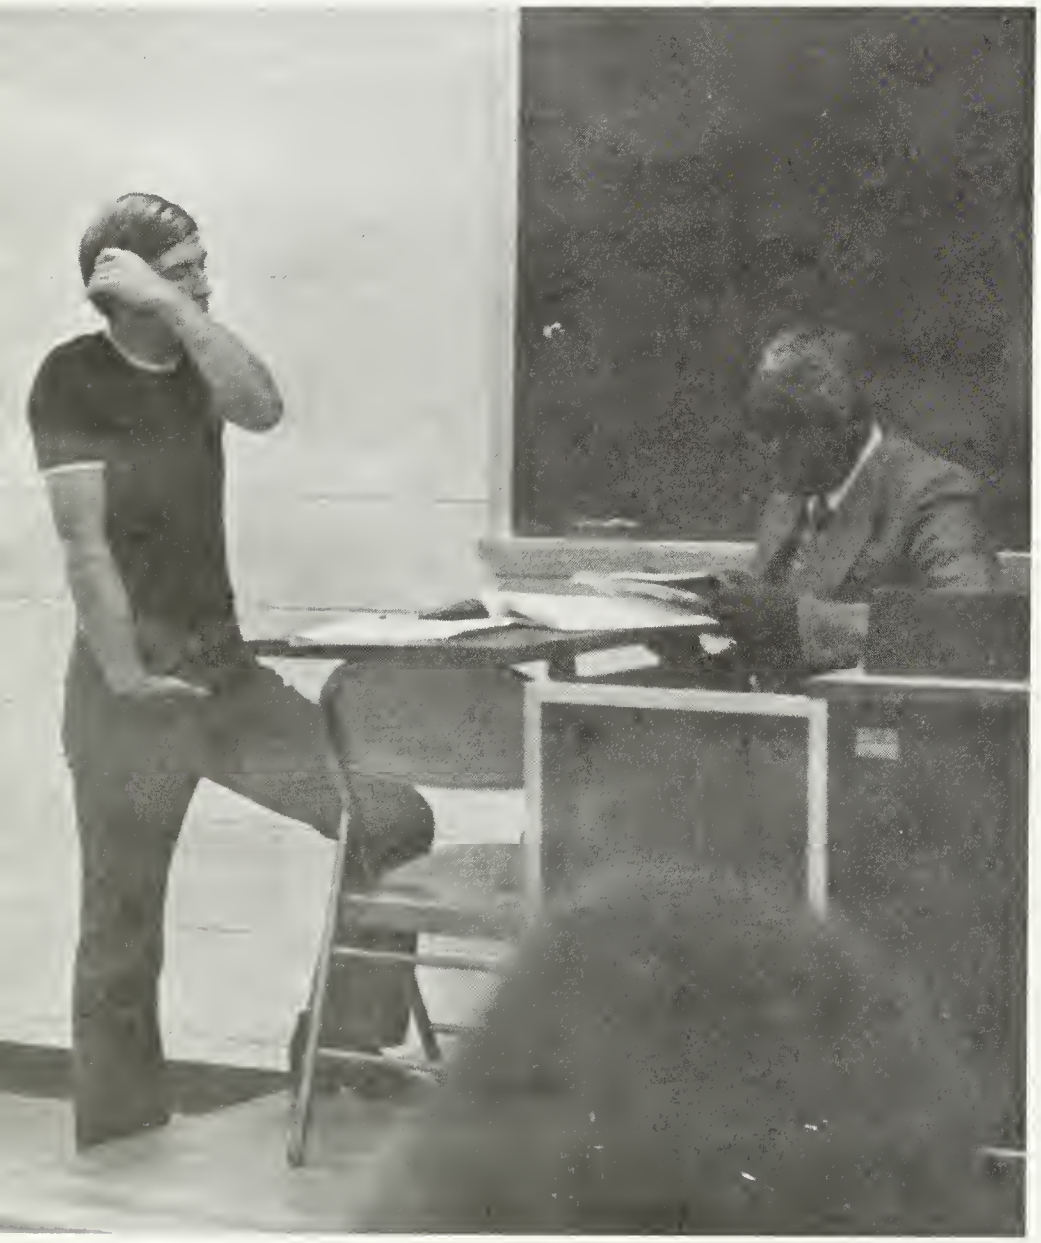
Reaching, jumping, throwing, flipping, pulling, pushing, and rushing through a cold shower are only a part of an hour's work in gym. Under the able leadership of Mr. Anthony Hatsias, the Physical Education department attempted to strengthen the body as well as the mind of many gym students. They were given the opportunity to participate in games and sports along with learning personal health and hygiene in the Health Classes. Driver's Education was also offered as part of the curriculum.

Students Prepare for Business World

Accounting . . . Economics . . . Machinery techniques . . . These are all a part of the business department, headed by Mrs. Elsie Cox. The main achievement is to improve occupational skills thus producing effective job workers. New equipment was added this year in data processing, including a badly needed key punch machine. The largest number of students sign up for steno and typing classes, usually in order to improve school work. The department hopes to add new courses and extra working room next year.

Languages Bridge Communications Gap

The need to be conversant in a foreign language is becoming increasingly important. At Bethel, emphasis is placed upon the languages as a means of communication. Department head, Mr. James Earley, did a lot to promote enthusiasm in foreign countries and their languages. During National Foreign Language Week, students wore costumes reflecting the dress of natives of the country they were studying. Signs were also hung about the school.

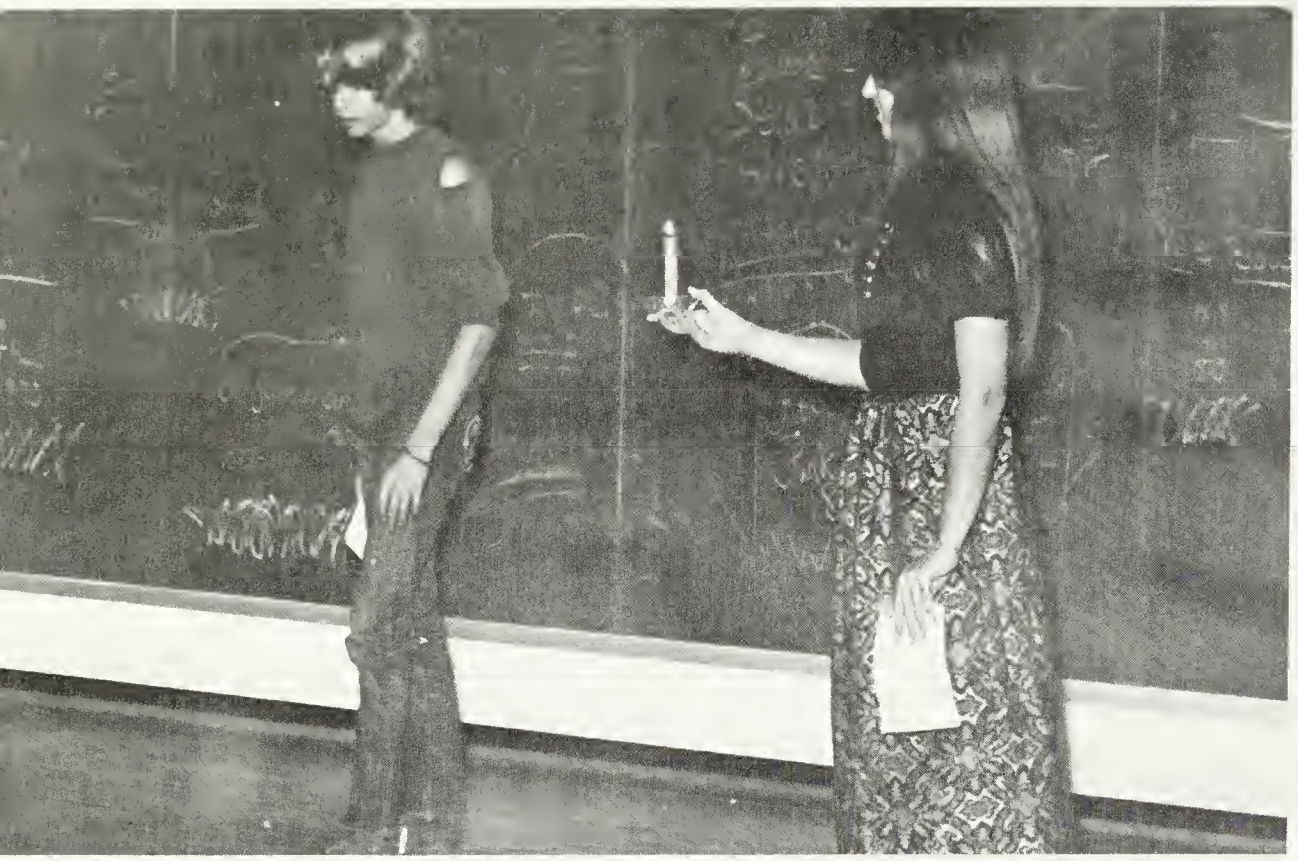


Is that how you spell it?

R.O.T.C. Receives Honor Awards

This has marked the second year for the Army Junior R.O.T.C. program here at Bethel and many are looking forward to next year when the full three year program will be effective. The accomplishments for the year proved to be more than gratifying. Although at press time, no official notice has been received, there is every indication that the Cadet Battalion will once again receive the "Honor School" and "Honor School with Distinction" awards from the Department of the Army. These awards will place Bethel's R.O.T.C. program at the top of all United States high schools.

For exceptional bravery . . .



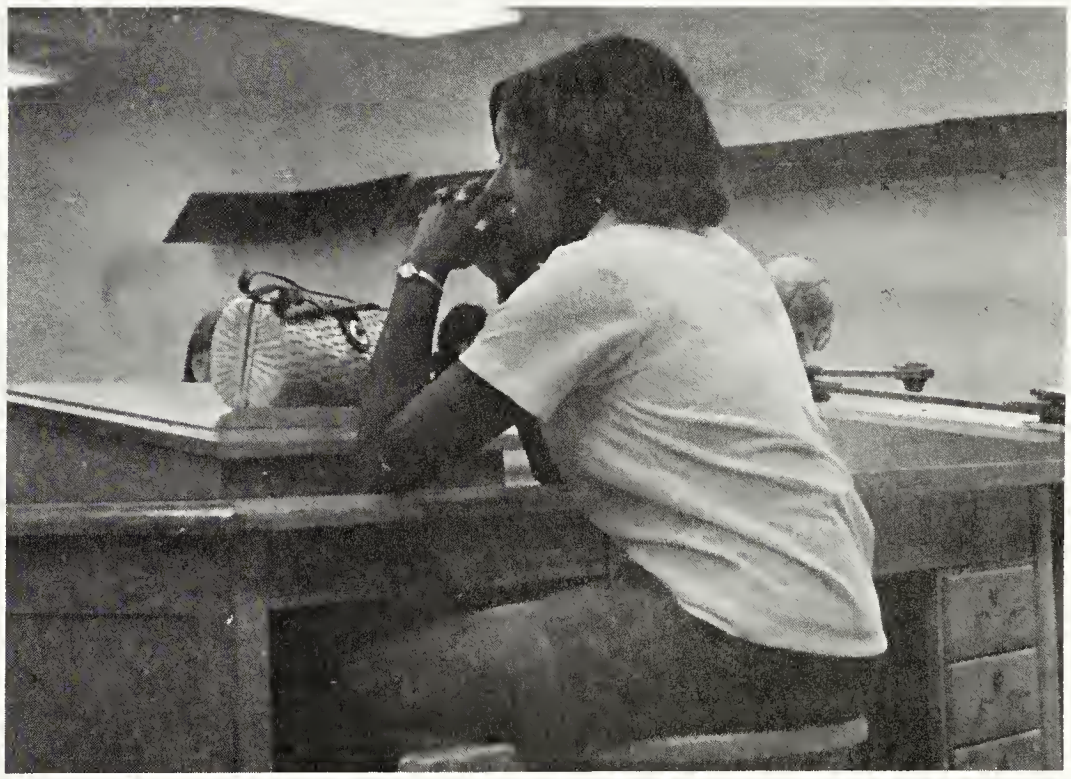
Students Express Themselves

"Express Yourself," could easily have been the theme for the Fine Arts Department this year, where students had a chance to freely express themselves while developing their individual talents. Under the direction of Mr. William Wiggs, band, chorus, art and drama gave students a wider range of electives to choose from. Many students enrolled in more than one of the classes. Throughout the year the students had a chance to show their talents in exhibits, concerts and plays.

Industrial Arts Teach Useful Skills

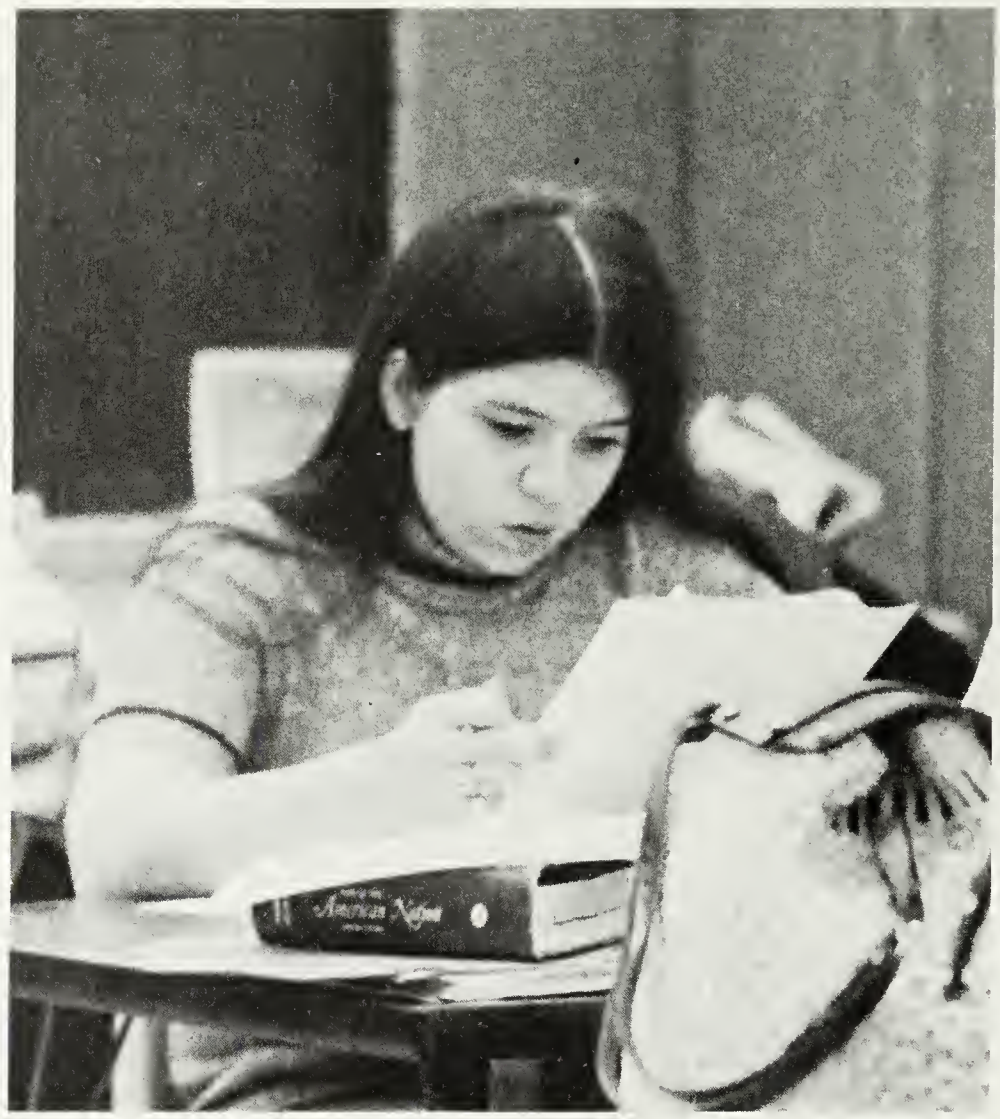
Perhaps the most useful courses offered to students are those under the Practical Arts department. In the areas of industrial arts and home economics, students learn skills helpful to them both at home and school. This year there was more experimentation with making simulated models from plans, and practicing skills that were learned. Hoping to interest more girls in the industrial crafts, more courses are being planned for the future. Mr. Chisman was department head.

Connect part A to part B . . .



Marty Wade Awarded "Boy Student of the Year"

The purpose of the Distributive Education Club is to improve understanding in occupational relationships. They visited many shopping centers to observe sales techniques. Some of these included Pembroke Mall, Military Circle Mall, stores in Washington, and the new Model City Complex in Maryland. In November, the annual Employer-Employee Banquet was held at Bethel and in December, the Open House for Faculty and Administration. At the District Meet, Bethel placed in seven categories and Marty Wade was awarded as "Boy Student of the Year," enabling him and two other delegates to go to State Competition in Roanoke.



Studying diligently helps to raise grades.

Bruins Only Team to Defeat Mariners

Bruin Power continued its dominance over Ferguson for the fourth straight year by defeating the Mariners, 14-7, in a crucial grid game for both teams. With early season wins over Menchville, Denbigh, James Blair, Norcom, and Pembroke, the Green and Gold found themselves in a four-way tie for the district lead. However, in a rain-soaked Homecoming game, the Bruins were knocked out of first place when Kecoughtan upset the highly-favored Bethel club. Other losses came from the hands of York, Warwick, and arch-rival Hampton. With a total of only twelve seniors on the team, the Bethel High School Bruins can look forward to an even better season next year.

Bethel Fourth in Football

Arthur Mason heads for end zone in the Denbigh game.

Morris Blueford evades Norcom defender.

Running Attack Effective

Following the blocks made by Bethel, a Bruin gains yardage in the Norcom game.

Quarterback Eddie Tyndall searches for an open receiver in the Hampton game.

Bruins Achieve Winning Year

Bethel	33	Denbigh	15
Bethel	34	James Blair	6
Bethel	27	Norcom	24
Bethel	28	Pembroke	12
Bethel	14	Ferguson	7
Bethel	0	Kecoughtan	3
Bethel	15	Warwick	18
Bethel	3	Hampton	20

6-4

Inexperience, Depth Hinder J.V.'s

J.V. quarterback throws to an open receiver in first quarter against Hampton.

Inexperience and depth seemed to be the main factors against the Baby Bruins as the J.V.'s posted one victory in ten games. According to Coach Bouchard, the lack of depth was attributed to the fact that most sophomores, who were to play for the J.V.'s, were moved to the varsity level. The coach stressed that even though the junior gridders had a losing season, they gave 100% to make every game a tough one. Fumbles, interceptions, and penalties proved to be the decisive mistakes.

Nelson Stortz streaks in first.

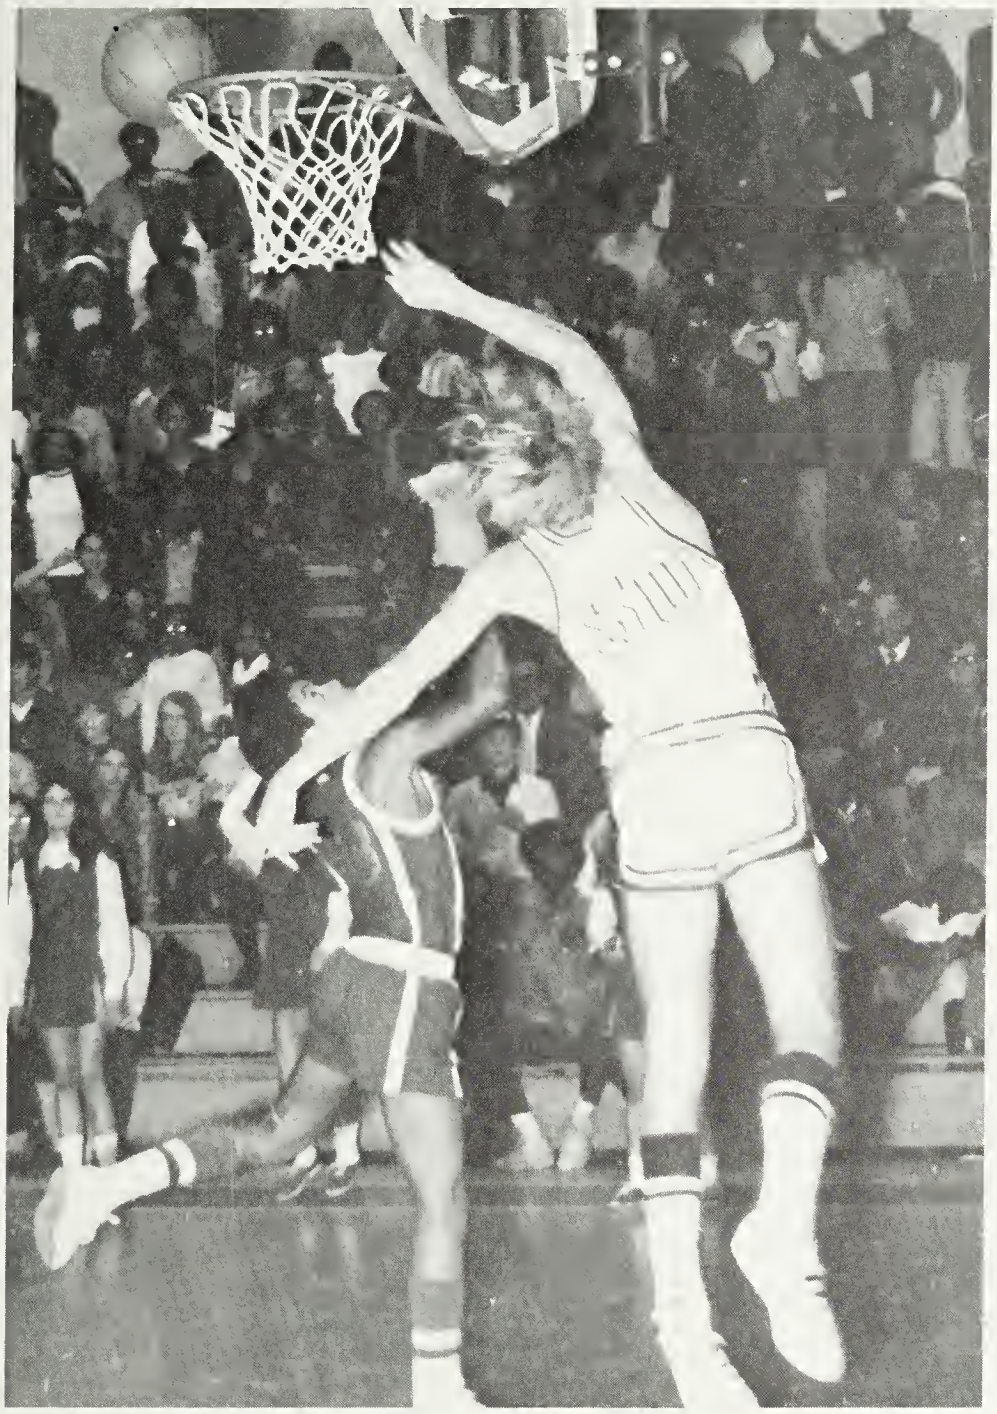
Cross Country Defeats Hampton

Bethel	29	York	26
Bethel	29	James Blai	26
Bethel	26	Denbigh	28
Bethel	47	Ferguson	15
Bethel	27	Hampton	28
Be	38	Kecoughtan	2
B	50	Menchvil	1

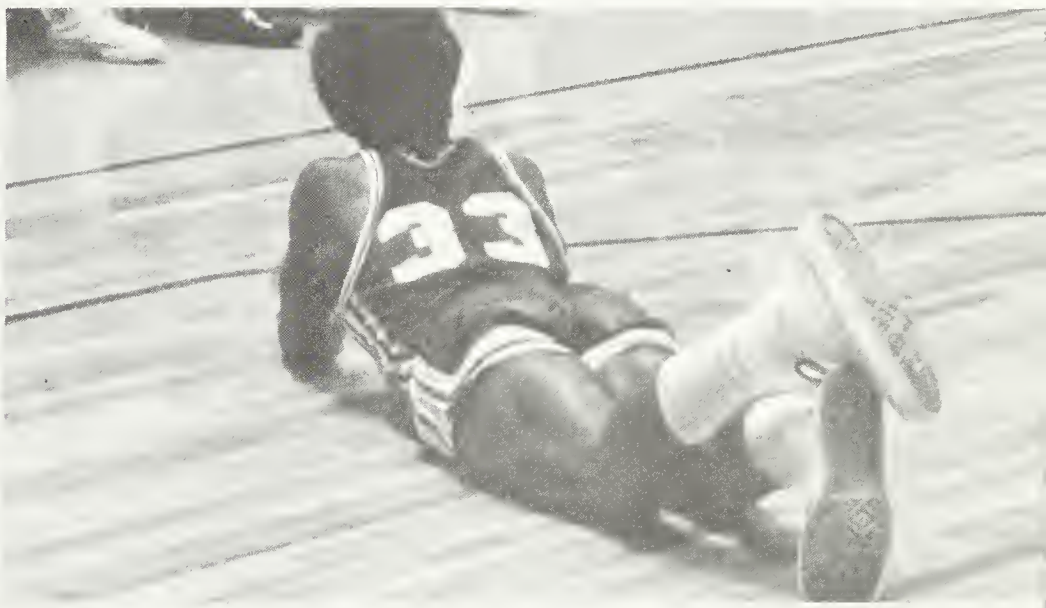
2-5

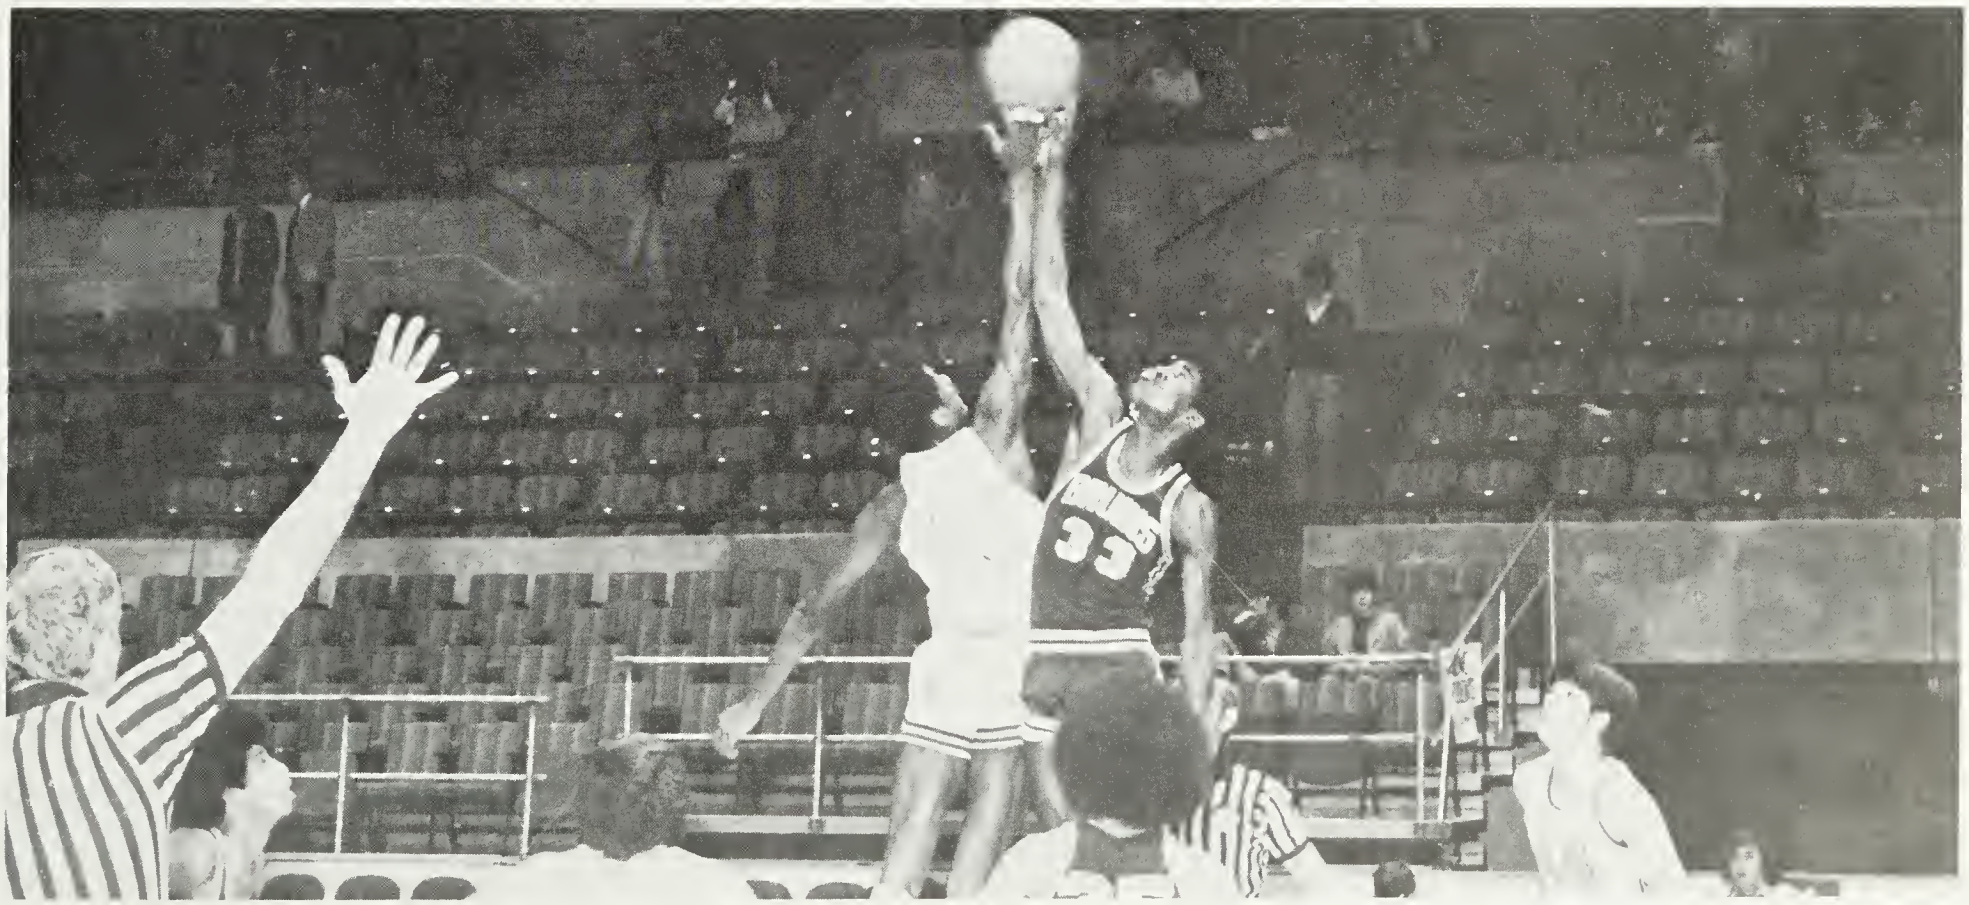
While not having an over-all winning season, the cross country team experienced several bright moments. Posting a 2-5 record, the Bruins met with their perennial rival Hampton, with the BHS harriers edging the Crabbers, 27-28. However, Bethel was denied the right to enter the district meet as the Bruins committed two faults in a single meet, which automatically disqualifies any team. Nelson Stortz and Stan O'Grady provided several individual highlights with their fine performances in many meets.

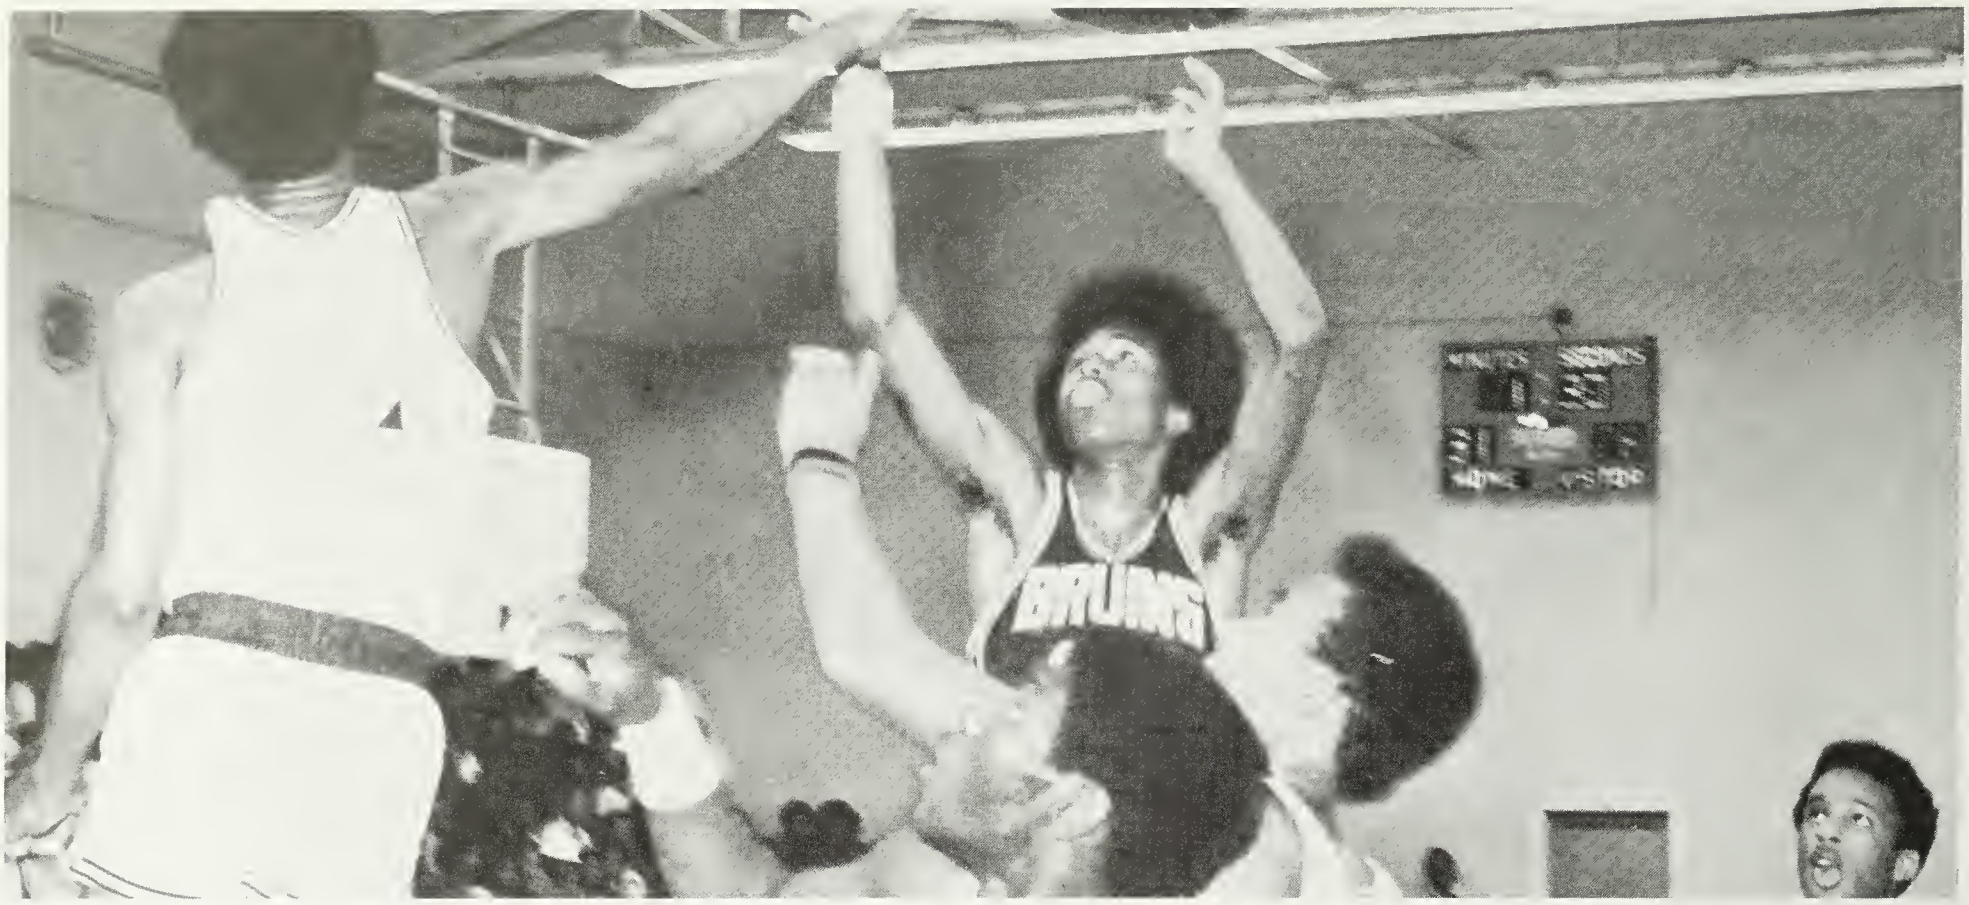
Wynder Top Scorer in District



Led by Teko Wynder's ability to score consistently, the Bruin basketball team finished the second half of the season winning six of the last nine games. During the first half, the Bruin quintet found themselves losing seven of the first nine contests, with several of the games decided by the last quarter of play. Marty Tingeloff and Craig Williams contributed much to the team effort with their excellent ball control. Mike Faulk, Gil Stewart, and Andre' Wallace hampered other teams with their scoring ability. However, in the district tournament, the Bruins were edged out by Menchville in overtime, 61-59.







Bruins Finish Season Strongly

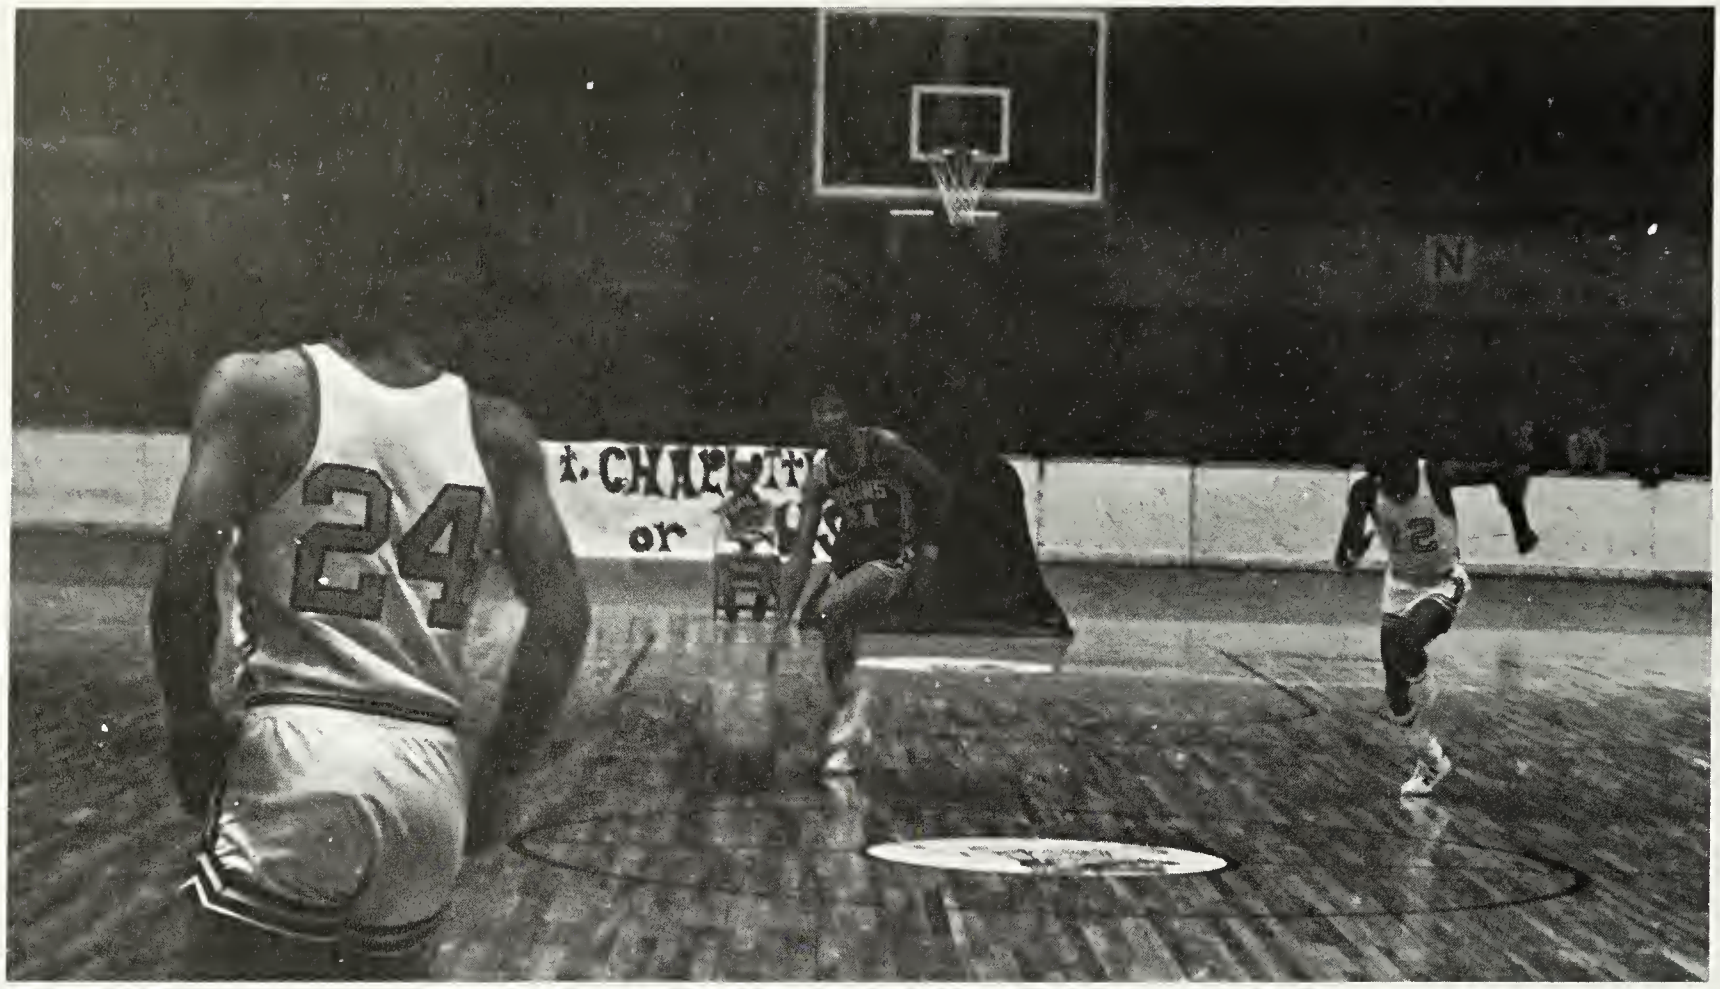
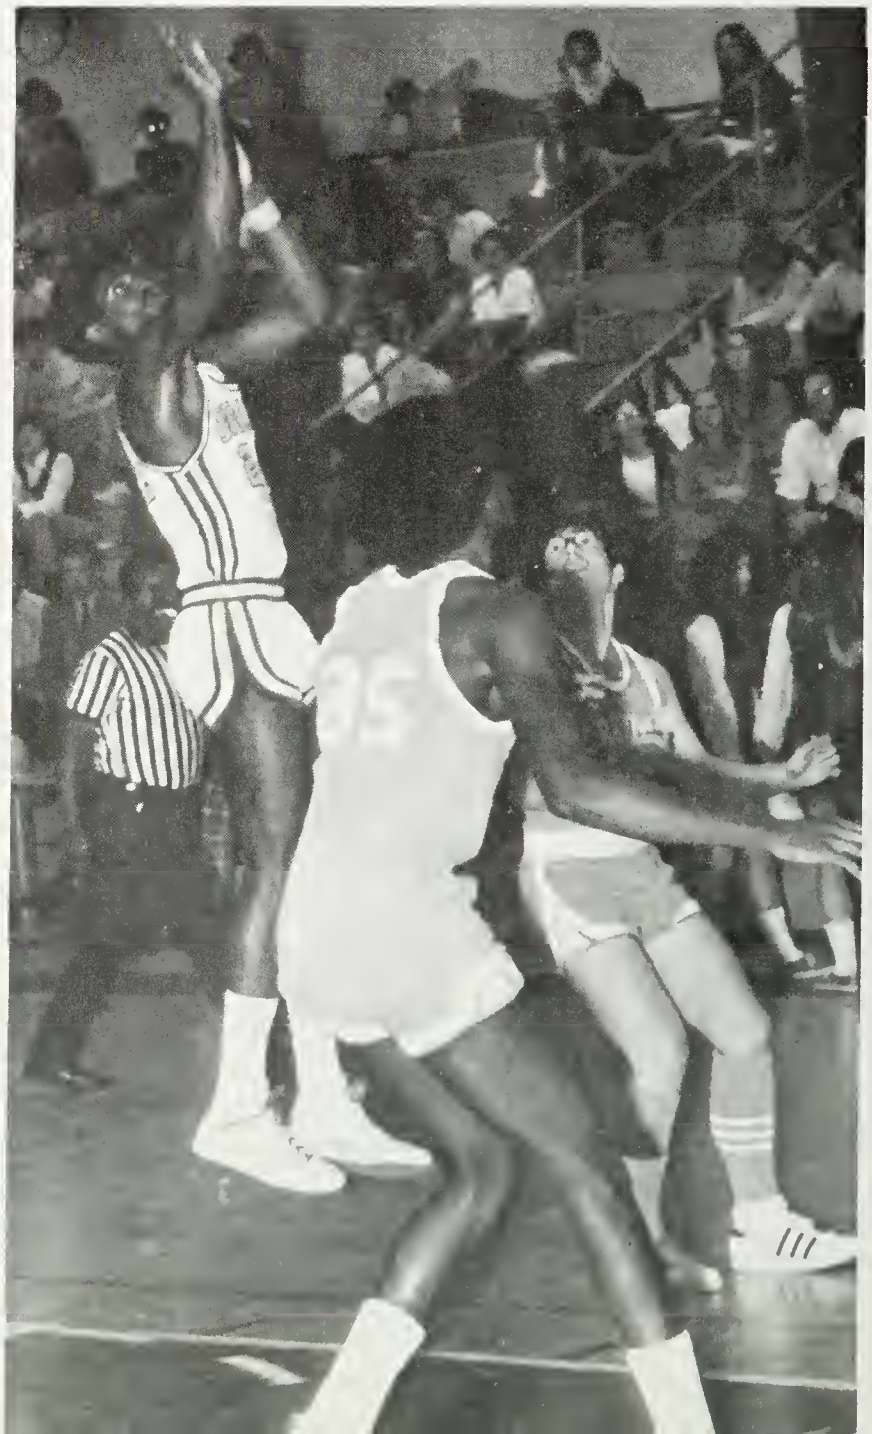
8-10

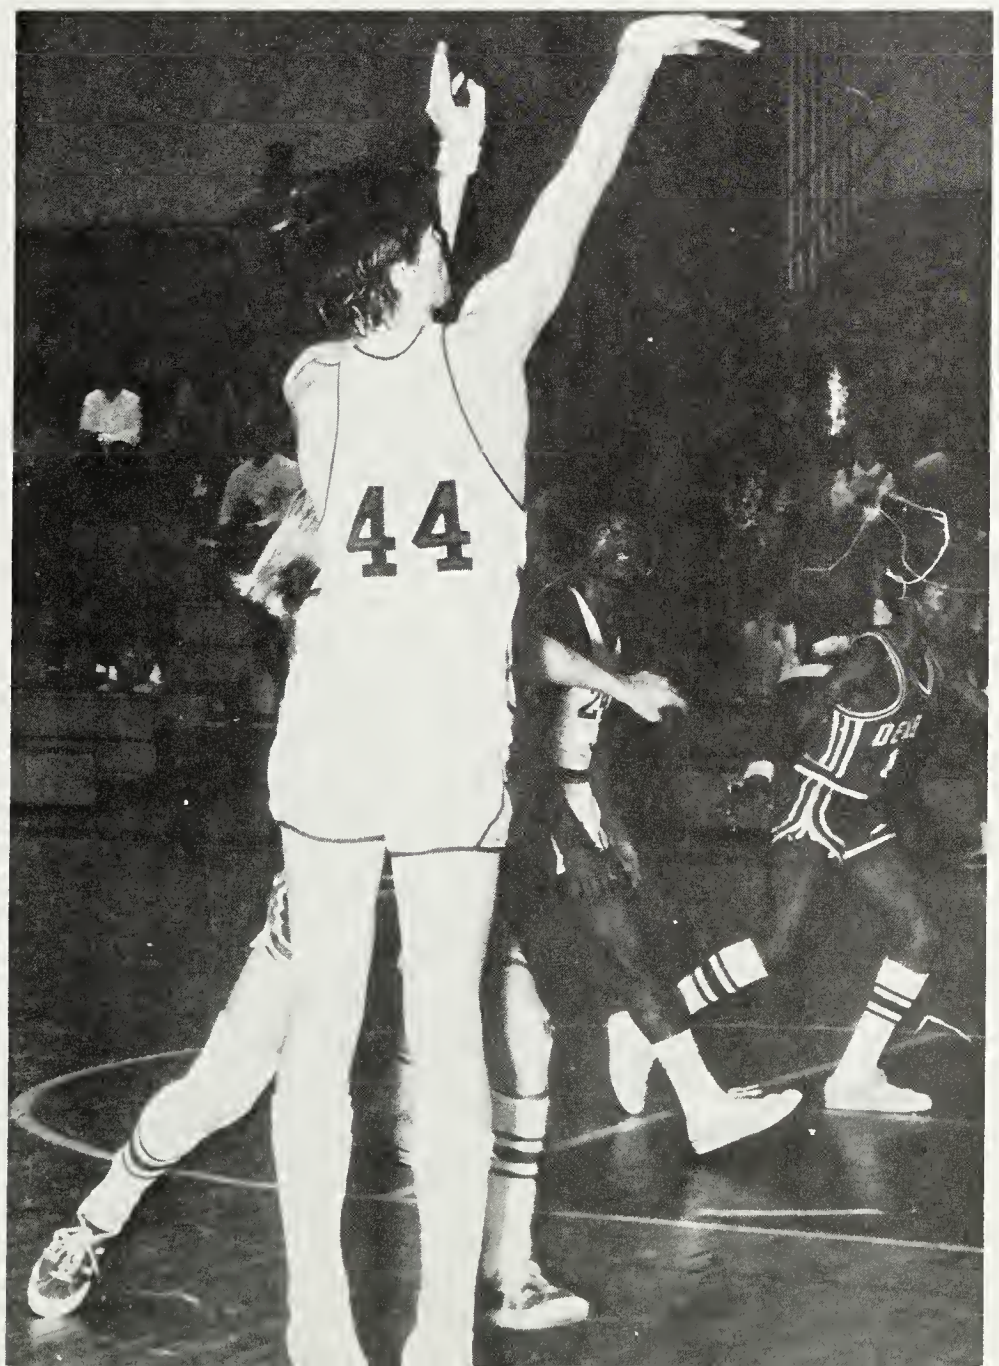


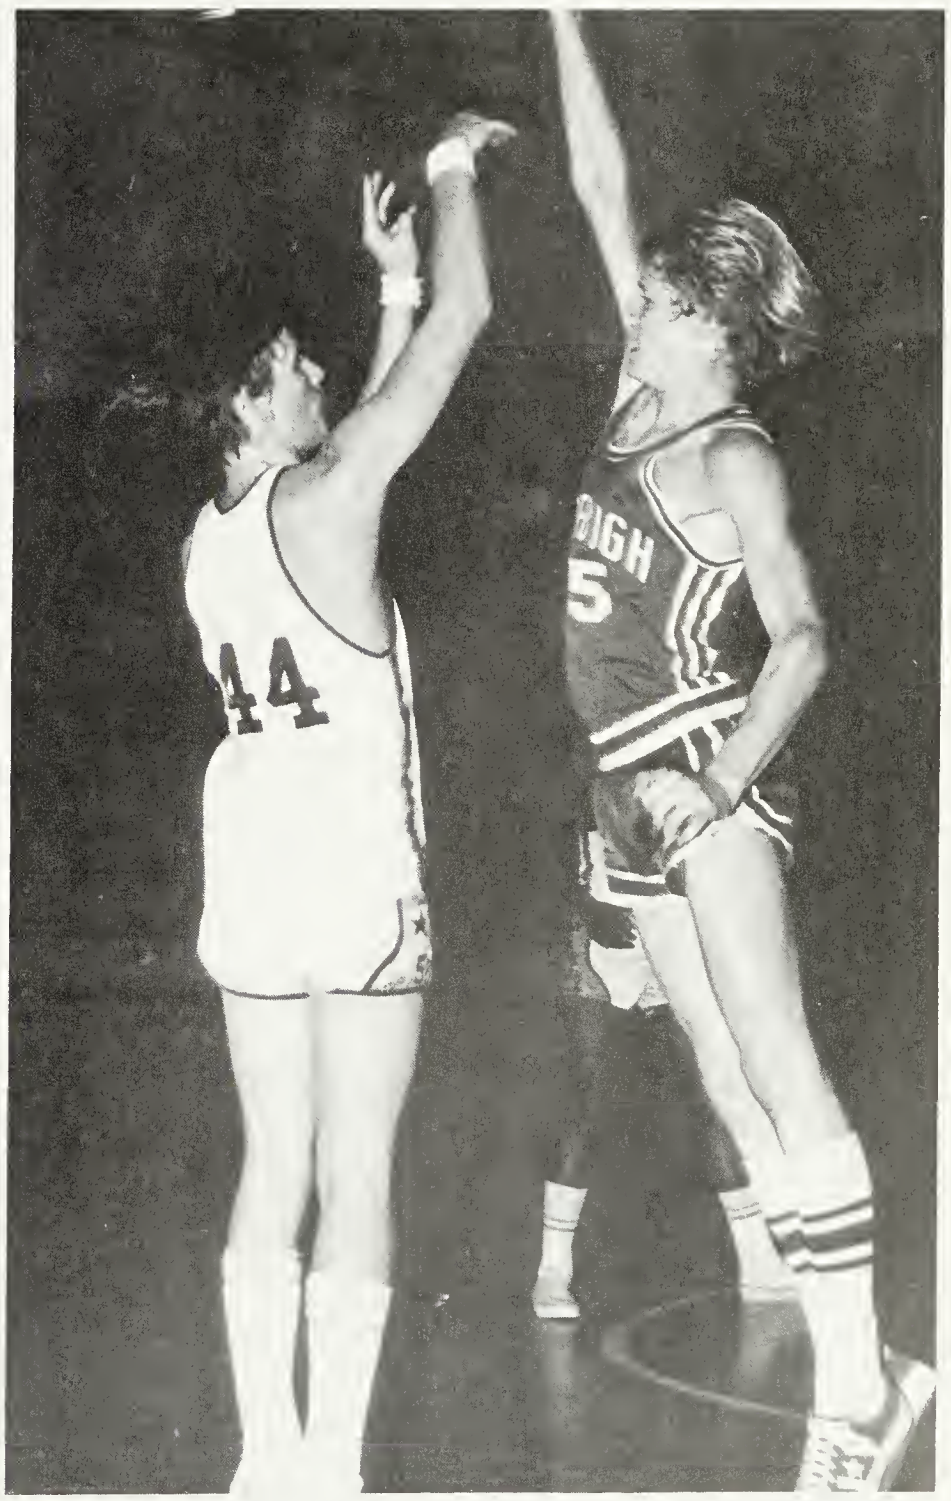
Bethel Hits Record 98 Points Against Mariners



J.V. Cagers Gain Experience

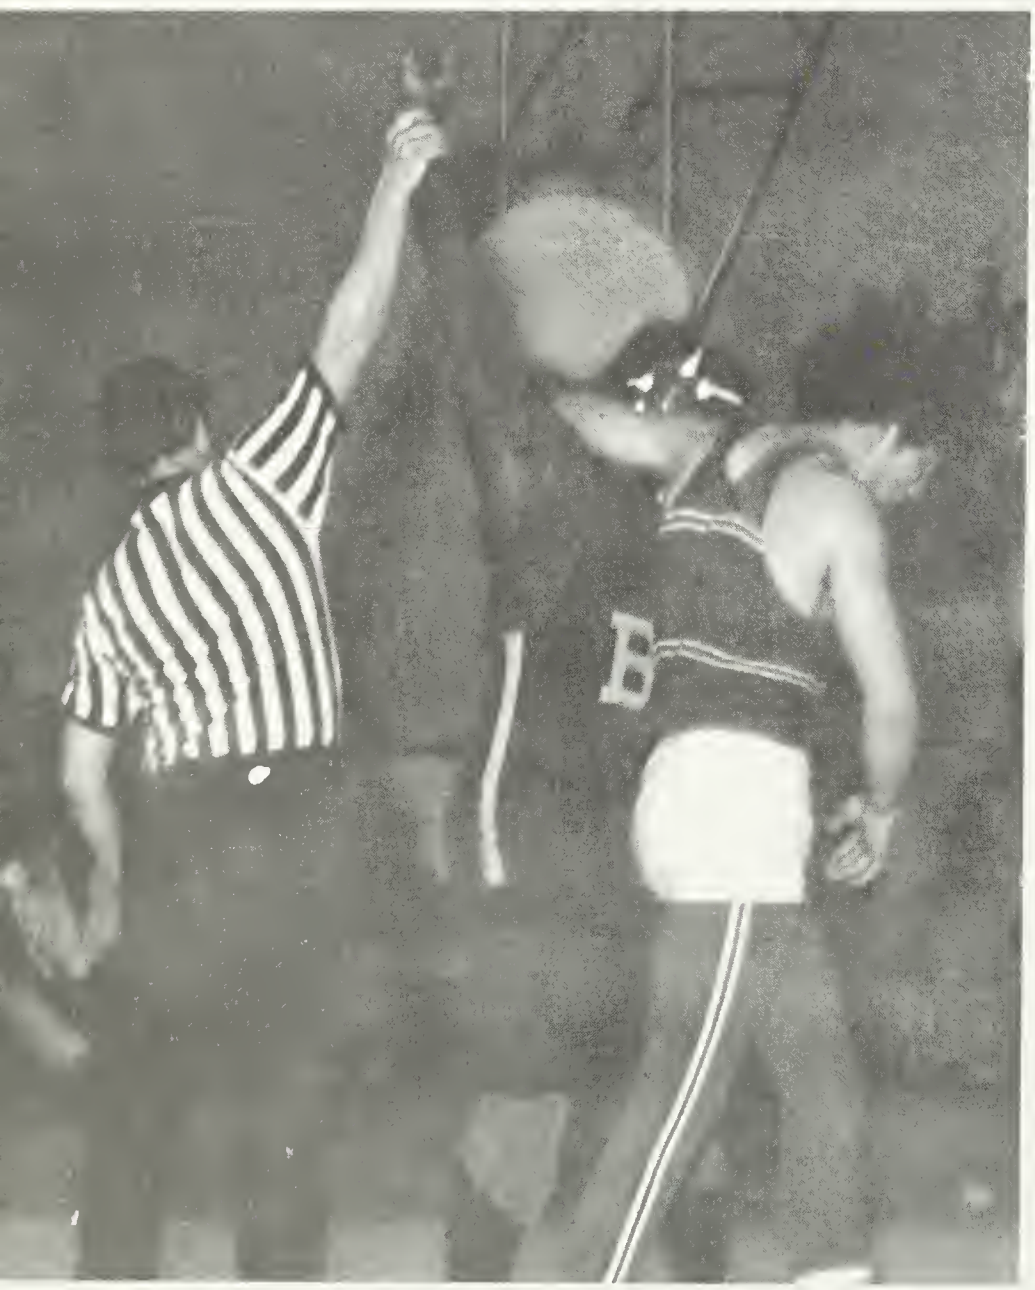
Despite a season record of 6-12, the J.V. basketball team gained valuable experience in preparing for participation on next year's varsity team. The players learned of team work, the potential they contain, and the desire to win. As a result, the J.V.'s improved as the season progressed. These players have much to look forward to on next year's varsity team.



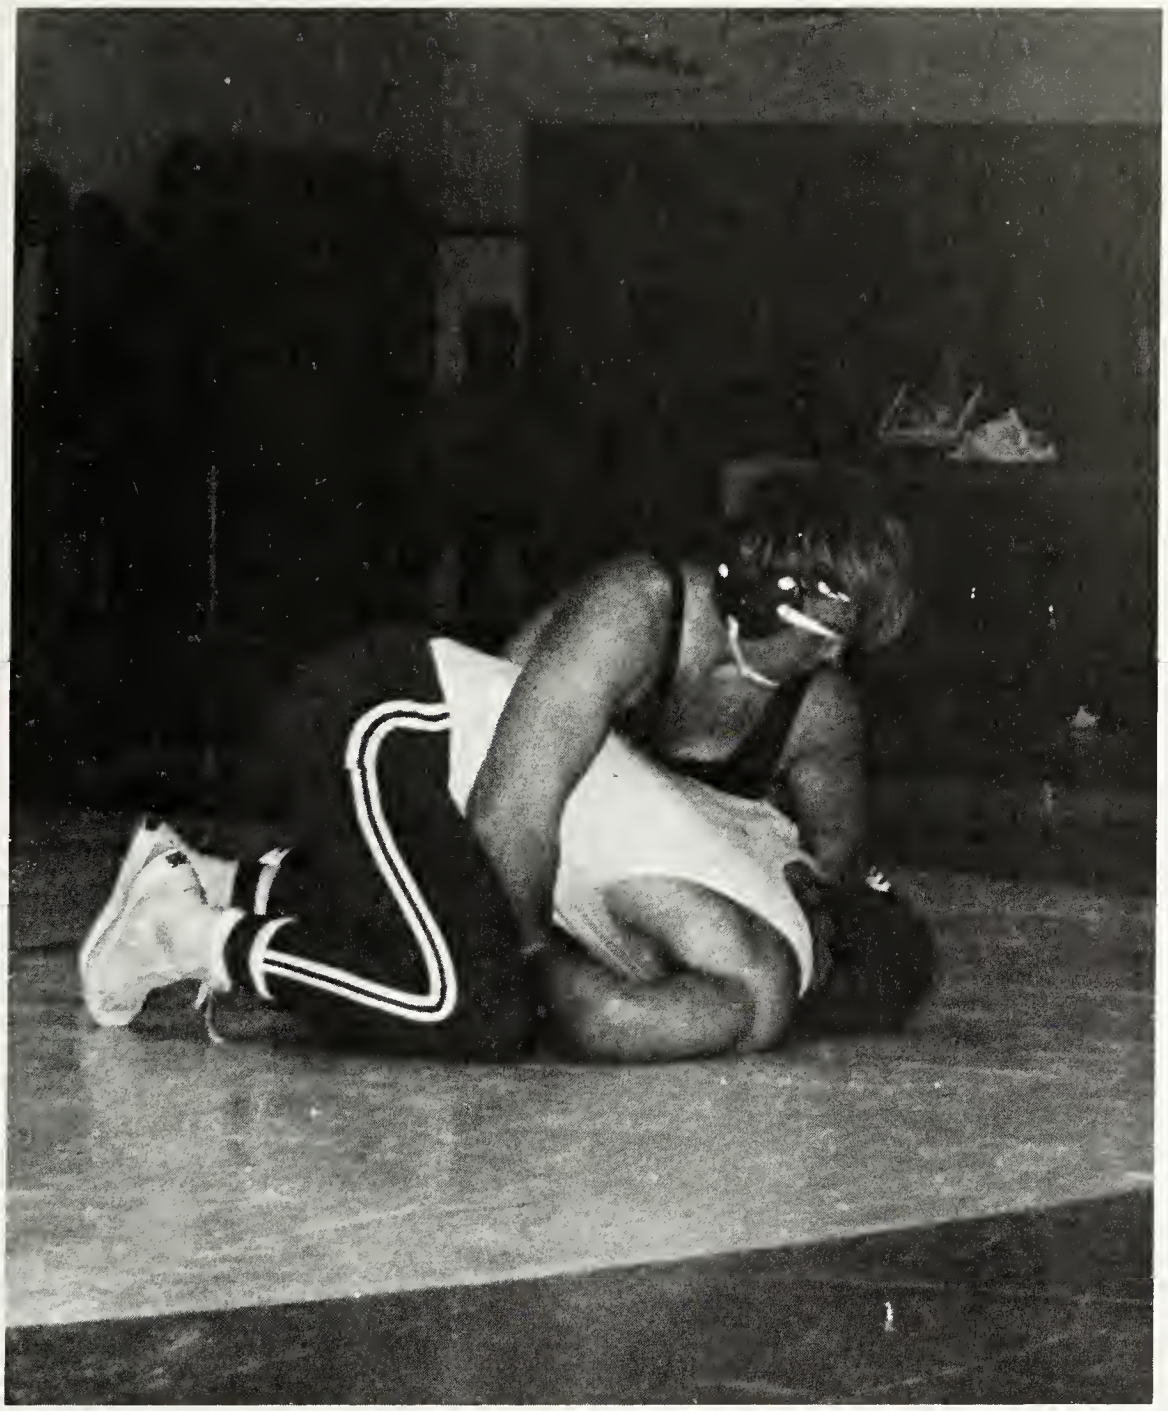


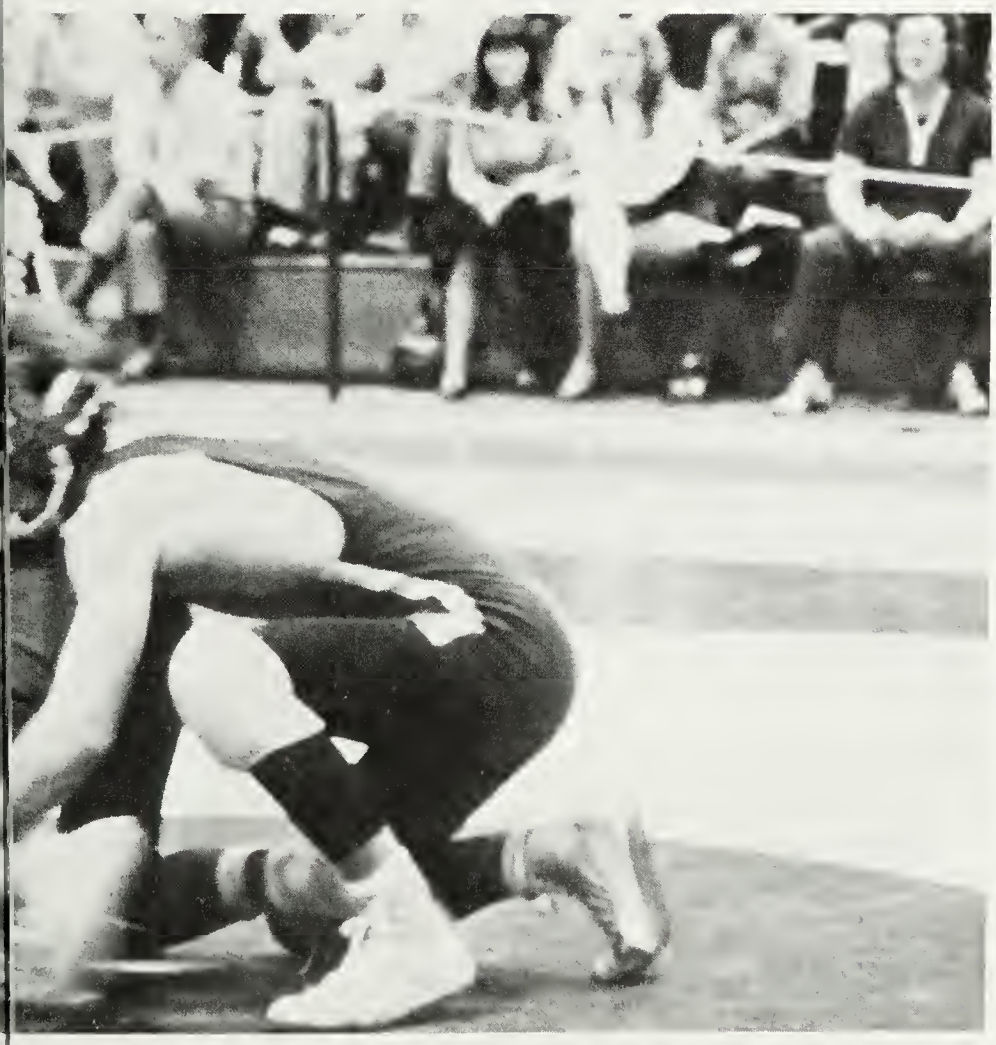
Flucker Heads Wrestling Team

The Bruin wrestlers improved steadily during the 1971-72 season to finish with a fourth place finish in district competition. The wrestlers compiled an overall record of six wins and five losses. At the start of their season, the Bruin matmen had experienced only one victory in five matches. However, during the latter part of the season, the Bethel matmen won five of their six matches to end with a winning record. Jeff Flucker, along with other Bruin matmen, powered Bethel to a fine finish in both the Eastern regionals and the State wrestling meet.



Jeff Flucker controls tempo of match.





Wrestlers Achieve Winning Year

Bethel	5	Menchville	45
Bethel	37	Denbigh	18
Bethel	20	Norfolk Academy	21
Bethel	23	York	32
Bethel	18	Ferguson	37
Bethel	30	Kecoughtan	24

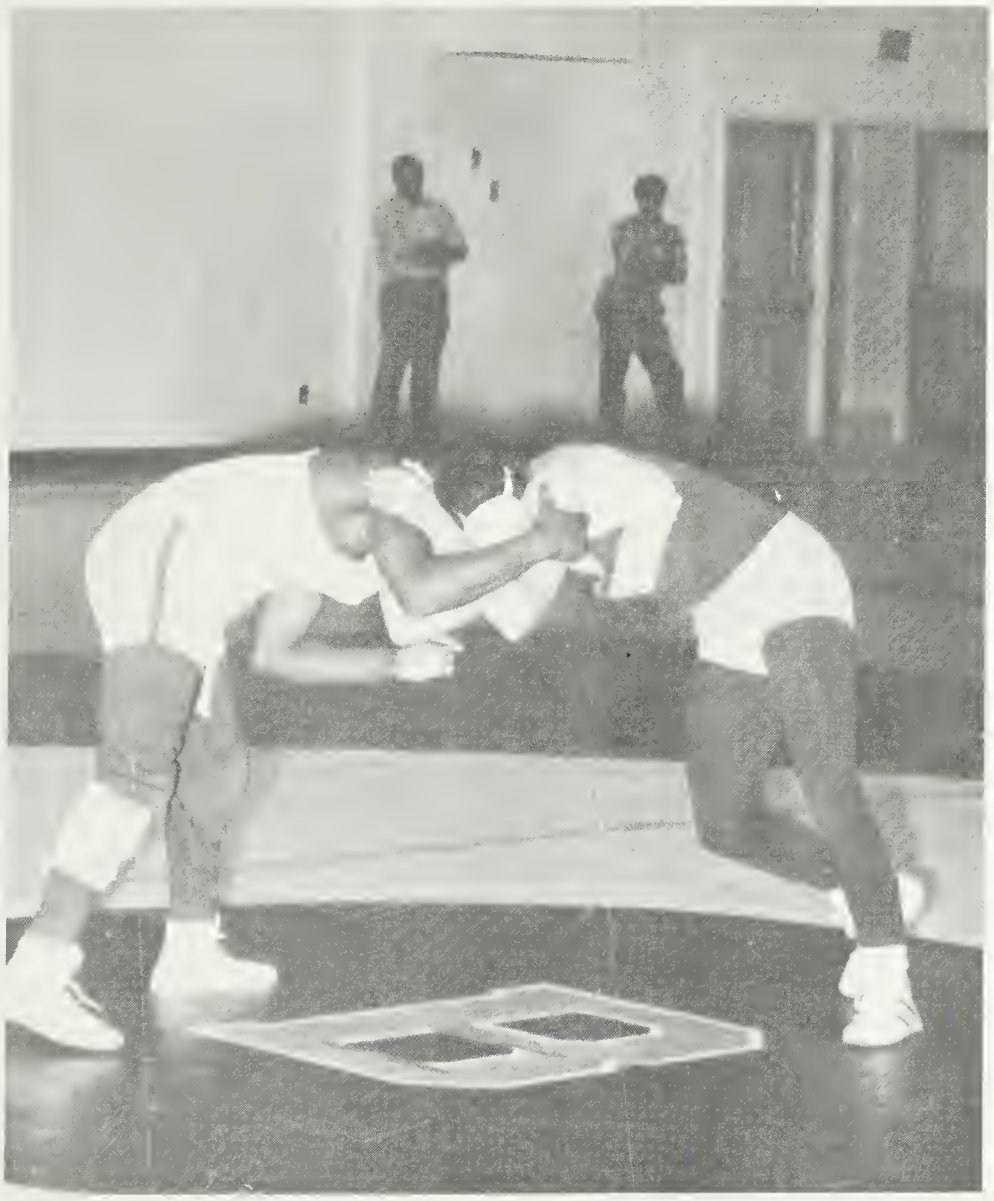
Bethel	63	James Blair	6
Bethel	33	Pembroke	27
Bethel	36	Warwick	23
Bethel	22	Hampton	30

6-5

J.V. Wrestlers Compile 9-2 Slate



The Bethel J.V. wrestlers, in recording an impressive 9-2 won-lost record, found themselves in second place in the Peninsula standings. The potential and attitude the junior varsity wrestlers displayed throughout the season was cited as a main factor in achieving a winning year. The two losses the J.V.'s experienced came from a total of only nine points. With next year's varisty team depending on this year's J.V.'s, it is highly probable that Bethel will have some of the best wrestlers in the state next year.

Bethel	67	Walsingham	0
Bethel	25	Menchville	30

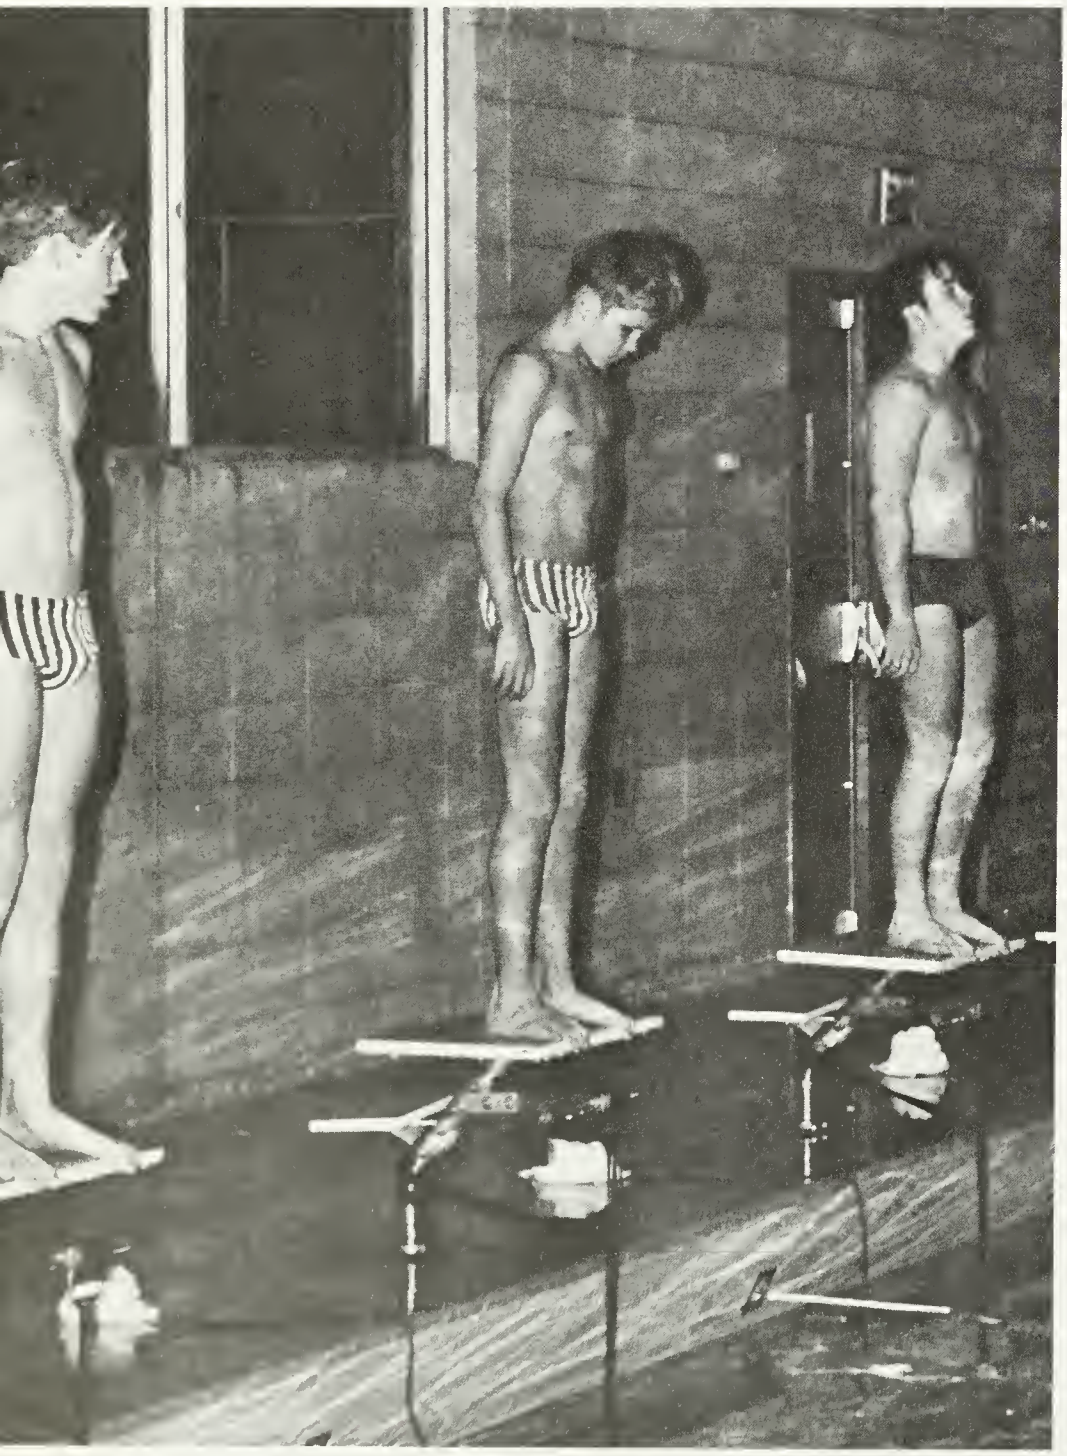
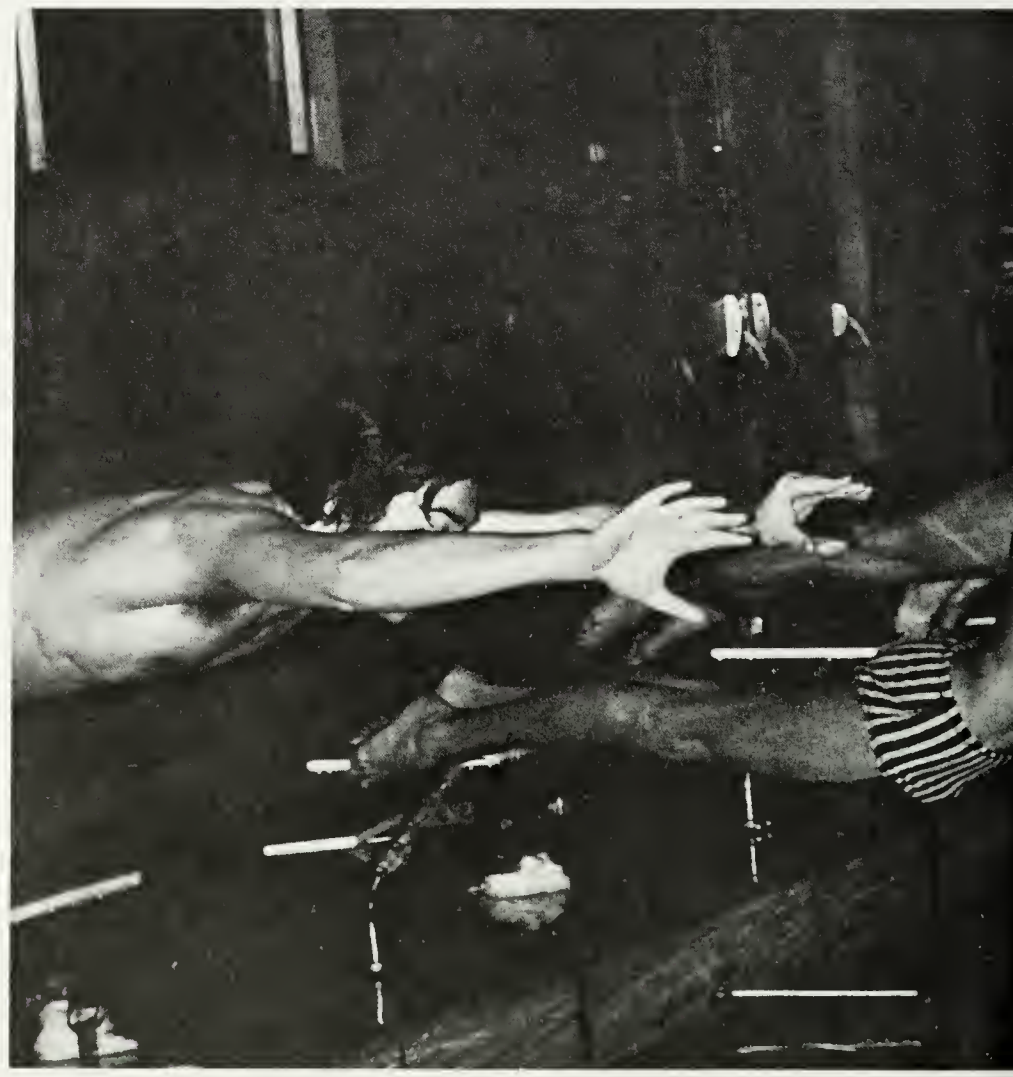
Bethel	48	James Blair	9
Bethel	60	Pembroke	9
Bethel	51	Warwick	6
Bethel	26	Hampton	30

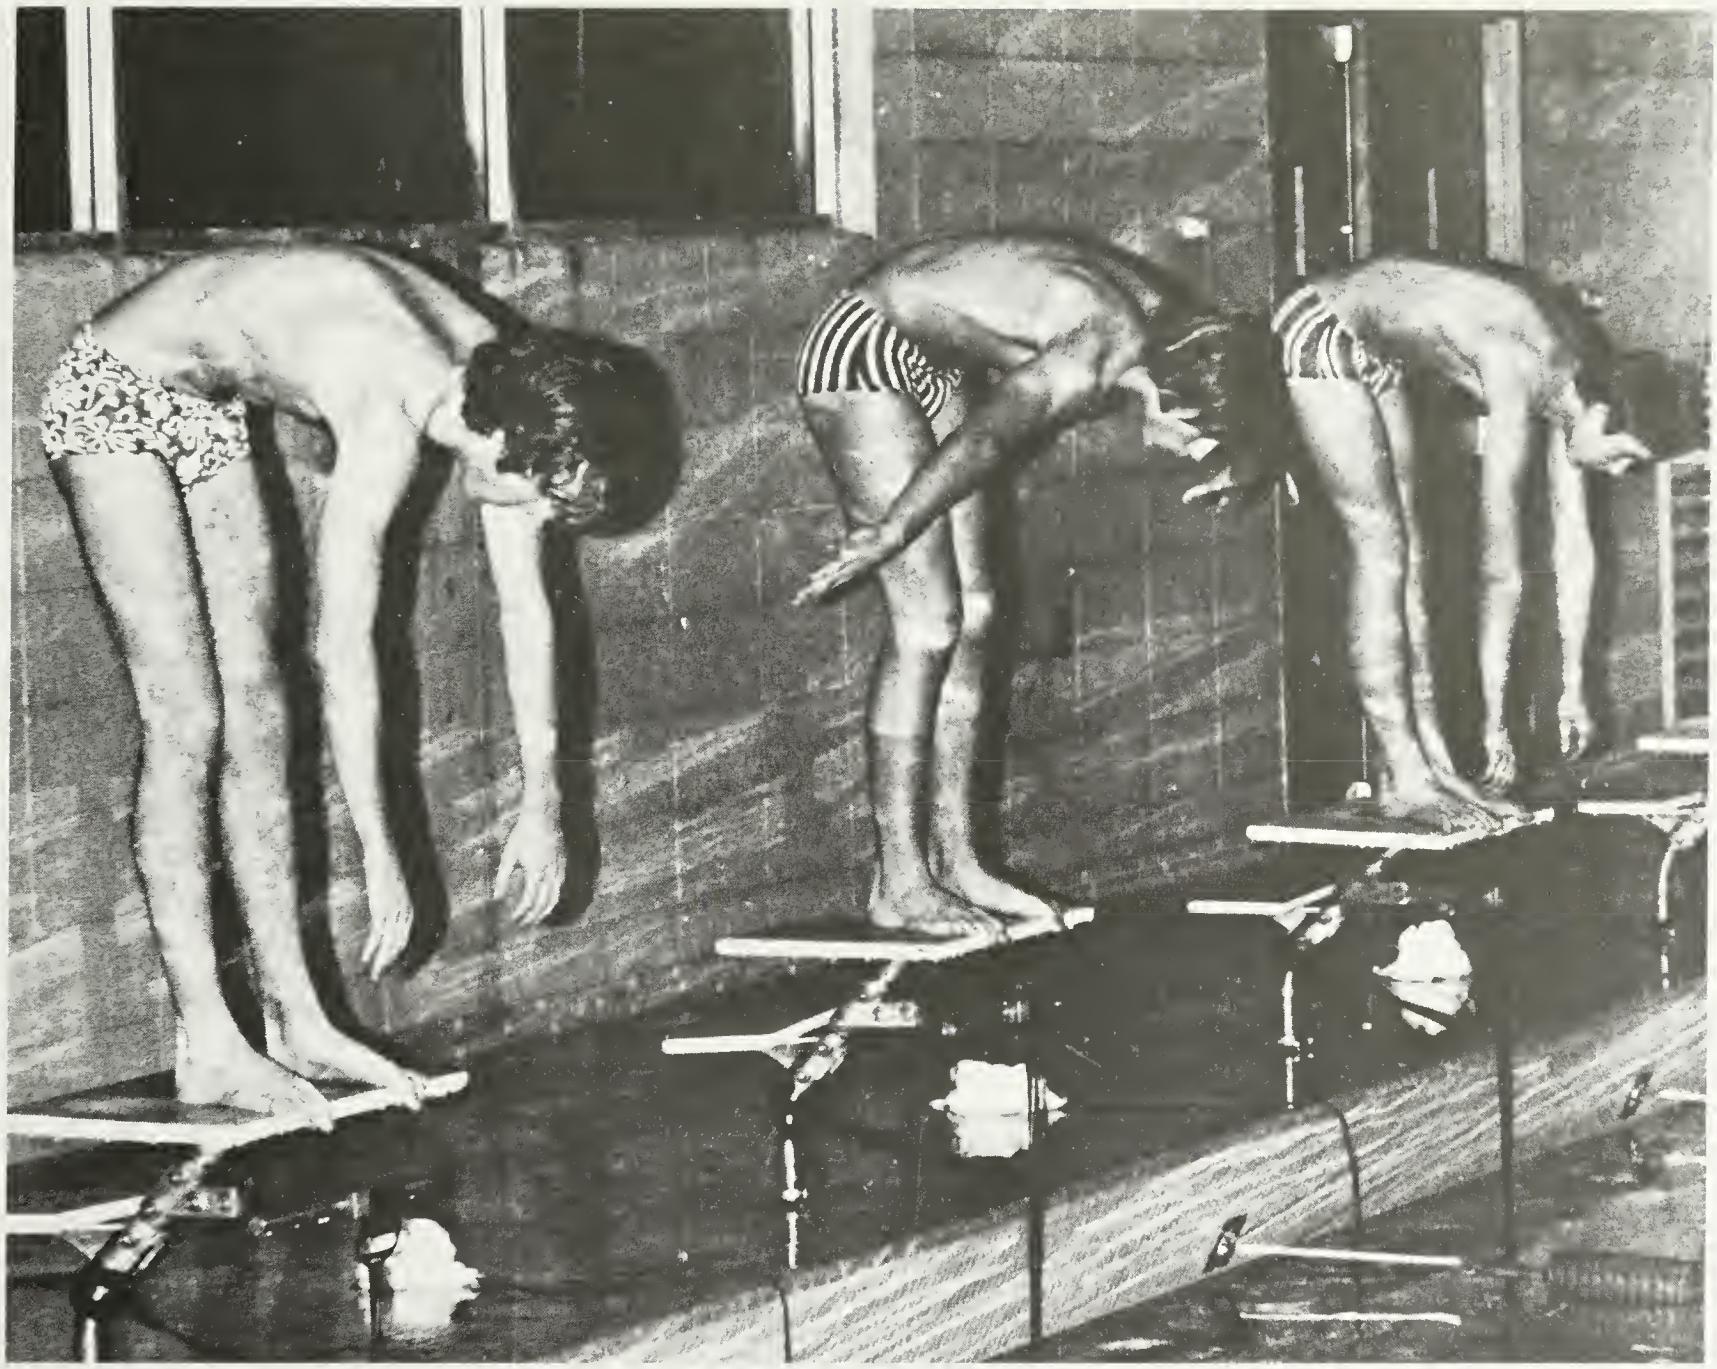
9-2

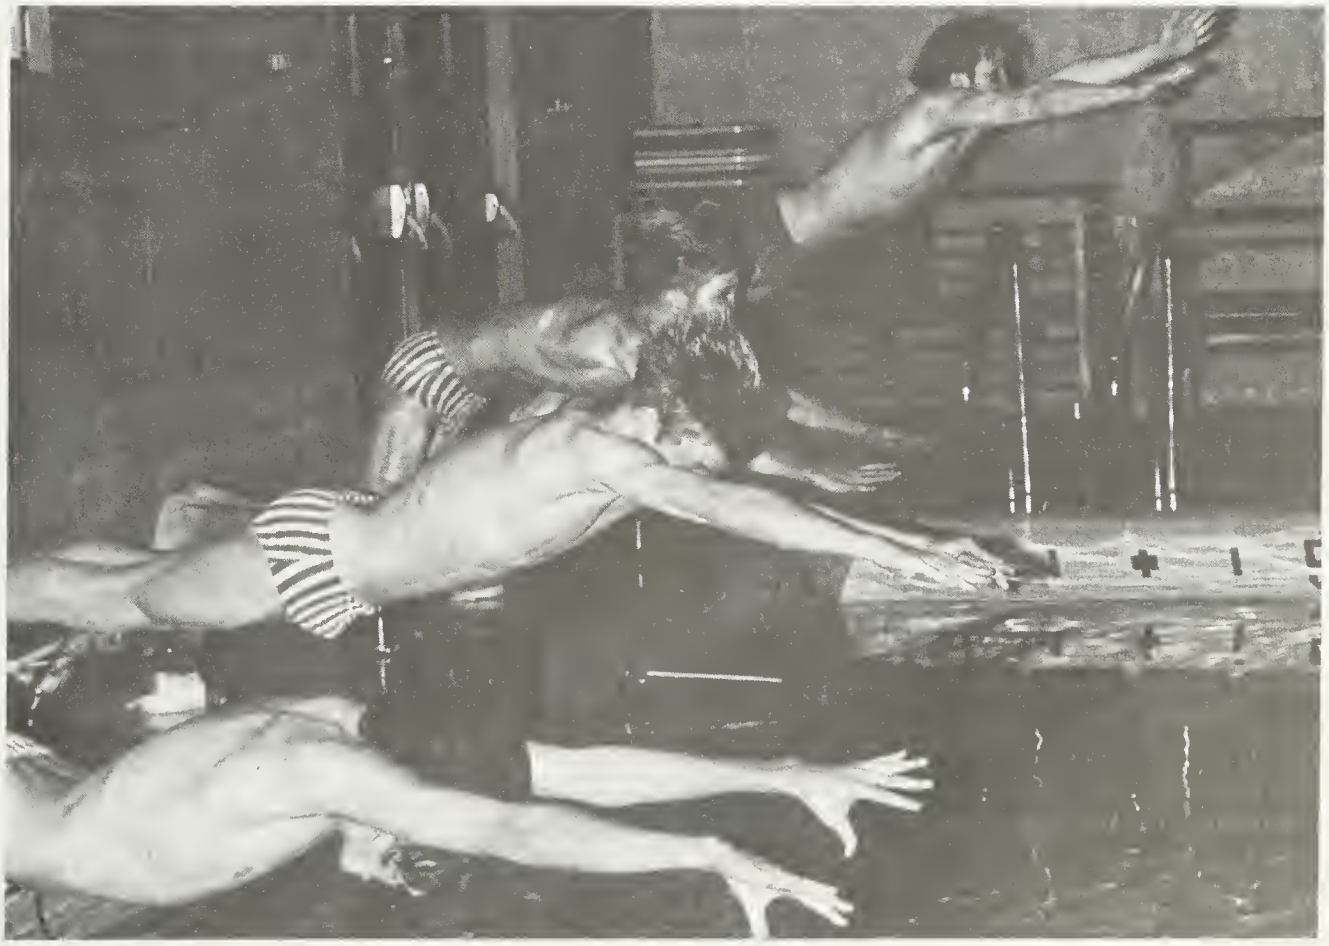
Swimmers Endure Losing Season

Although winning only one out of ten contests, the Bethel High swimming team experienced several bright moments during the season. The team itself posed several threats to many of the Peninsula area high schools. Individually, Steve Seber, a senior, proved to be the most outstanding swimmer on the 1971-72 swimming team.

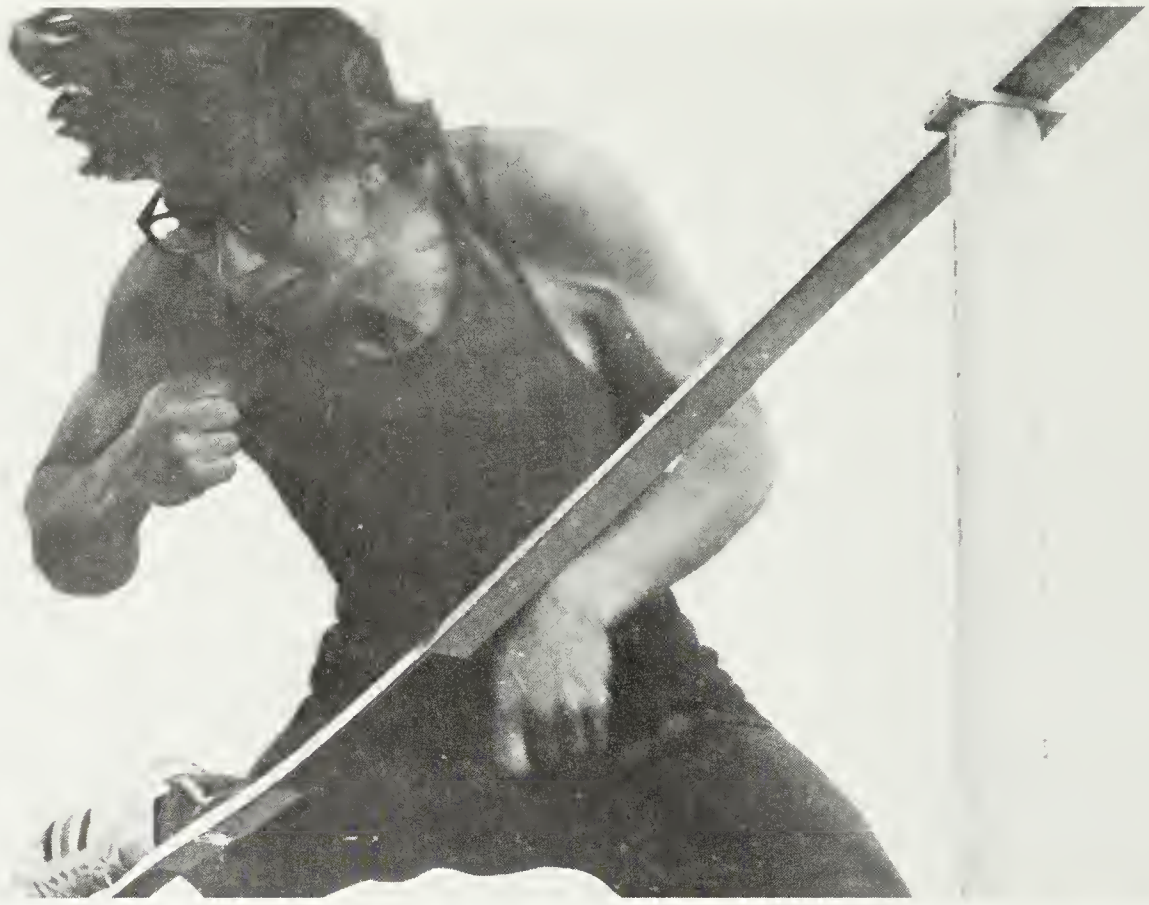




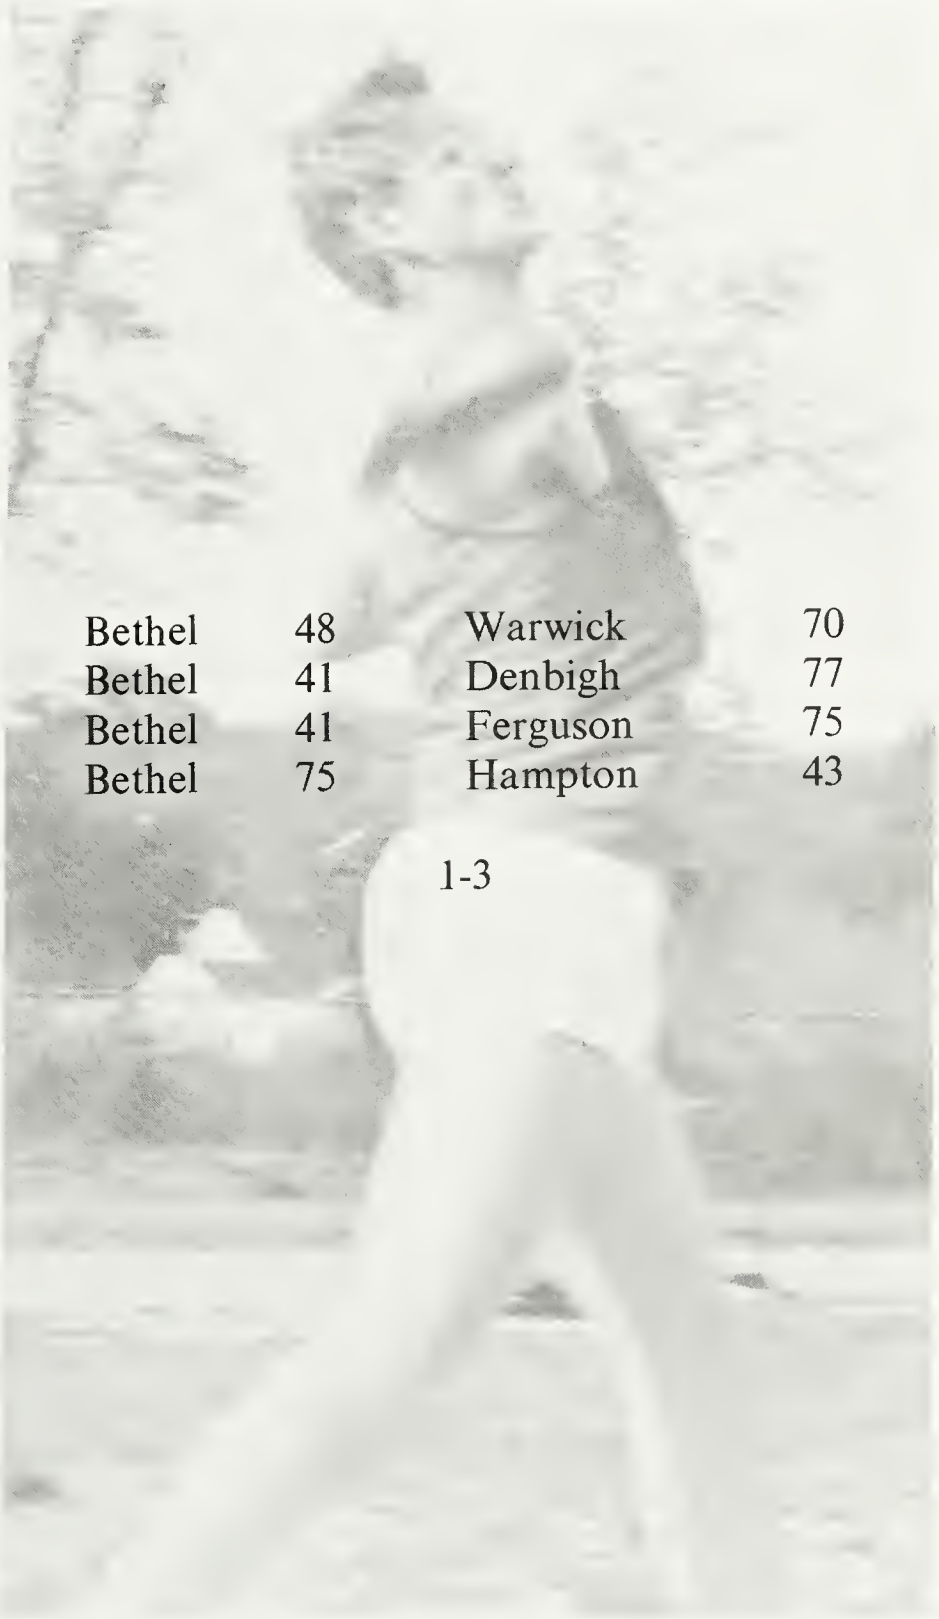




Indoor Track Defeats Hampton



In preparing for outdoor track, the indoor track team went against four teams on the Peninsula. Even though winning only one out of the four contests, against arch-rival Hampton, the Bruin runners definitely had a notable improvement. Although the team had some tough breaks, they were well-above average.

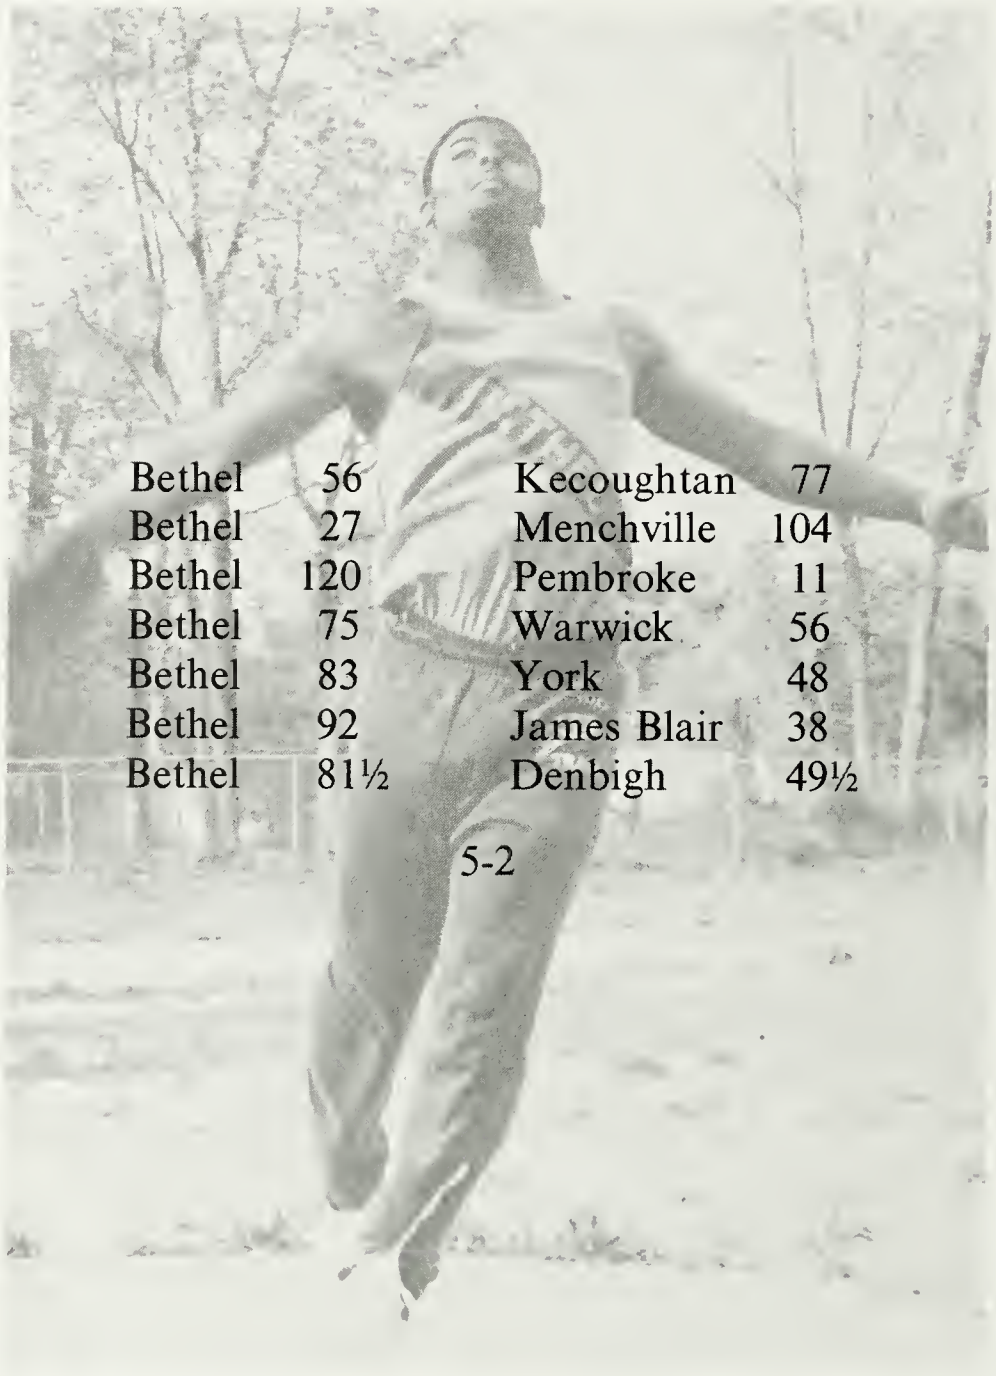


Bethel	48	Warwick	70
Bethel	41	Denbigh	77
Bethel	41	Ferguson	75
Bethel	75	Hampton	43

1-3

Trackmen Set New Records

After dropping its first two decisions, the Bethel outdoor track team came back to win five straight, and as a result, have a very successful season. In the Indian River relays, the Bruin relay team of Calvin Randolph, Nelson Stortz, and the Blueford brothers, Morris and Clyde, set a new state record in the 880 relay with a 1:29.4. The old state record was 1:30.5, set in 1959 and equalled by a different Bethel track team in 1970. In the district meet, Bethel finished in fourth place with a total of twenty points.



Bethel	56	Kecoughtan	77
Bethel	27	Menchville	104
Bethel	120	Pembroke	11

BETHE

Tennis Team Ends 5-5 Overall

Losing three of their first four matches, the Bethel High tennis team came on strong during the latter part of the season to finish with a 4-5 record, good enough for a fifth place finish in district competition. The Bruins were 5-5 overall. In the district tournament, Richard Rhyne, the number one Bruin player, reached the finals of the first day, but was knocked out.

Bethel	7	Churchland	2
Bethel	7	Pembroke	0
Bethel	0	Menchville	9

Bethel Repeats as Peninsula's District Golf Champion

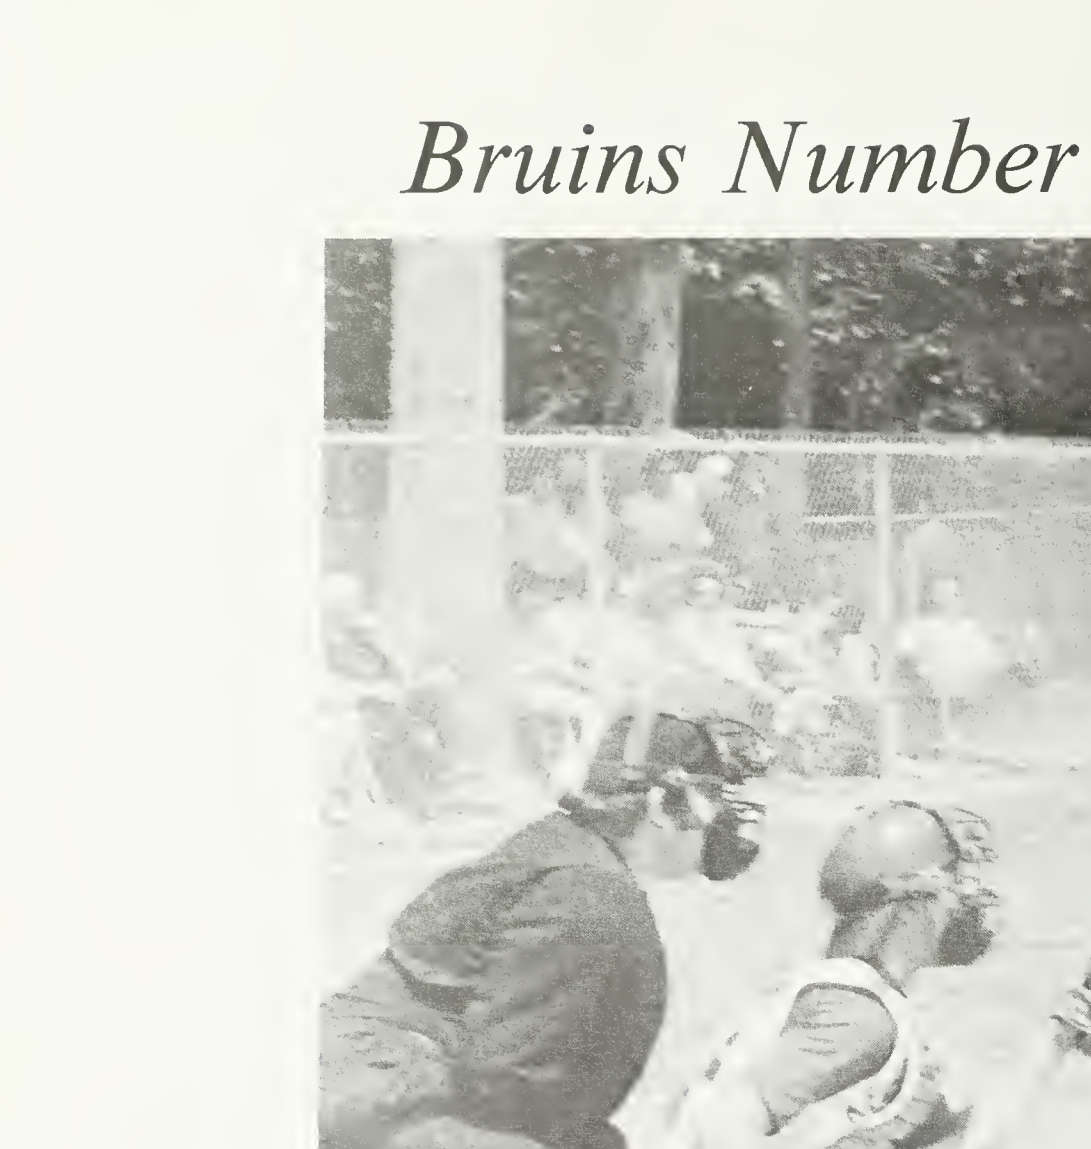
The Bethel High School Bruins won the Group AAA Peninsula District golf championship for the second straight year, when the Bruins nipped Hampton, 331-332 in the final district match. The Green and Gold ended the regular season play with an 8-1 record, while the Crabbers finished in second place.

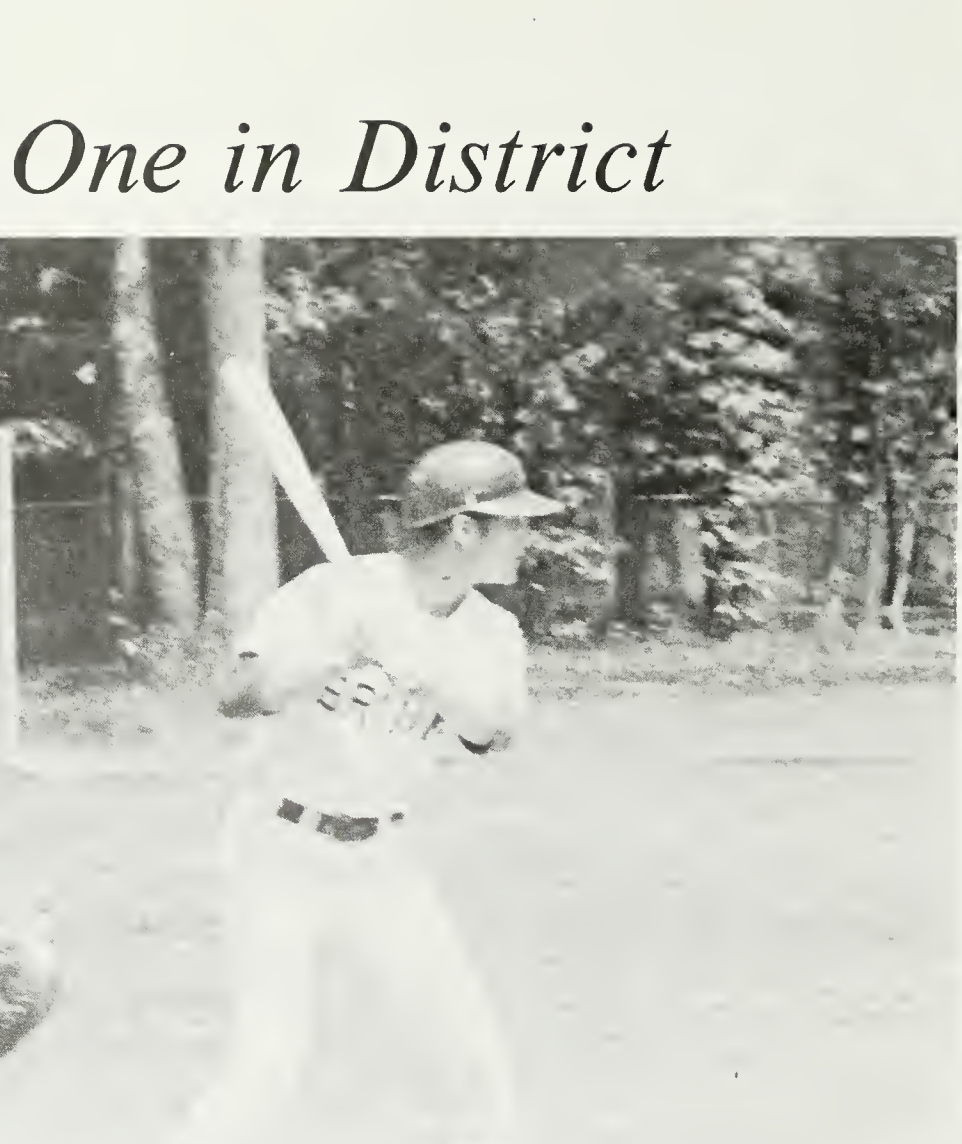
Skeeter Heath, last year's State high school champion, was the team's most outstanding golfer as he often hit around par in each match. In addition, Heath, the defending champion of 1971, finished third in the state.

Bethel	289	Pembroke	340
Bethel	320	James Blair	357
Bethel	286	Menchville	317
Bethel	319	Ferguson	330
Bethel	326	York	354
Bethel	350	Denbigh	345
Bethel	339	Warwick	351
Bethel	317	Kecoughtan	318
Bethel	331	Hampton	332

8-1

Bruins Number One in District





Strong Hitting Brings BHS District Title

The Bethel Baseball team won the season title for the second time in three years when the Bruins whipped Hampton in the season finale. The Green and Gold compiled a regular-season record of 14 wins and 4 losses, including a winning streak of eight games. Boasting the district's highest team batting average of .358, the hardballers beat Deep Creek in the first game of the Eastern Regionals 2-1, behind the strong pitching of Greg Tucker. However, the Bruins were eliminated in the championship game by favored Kempsville, 8-1.

Bethel	7	Ferguson	0
Bethel	2	York	4
Bethel	12	James Blair	0
Bethel	2	Menchville	1

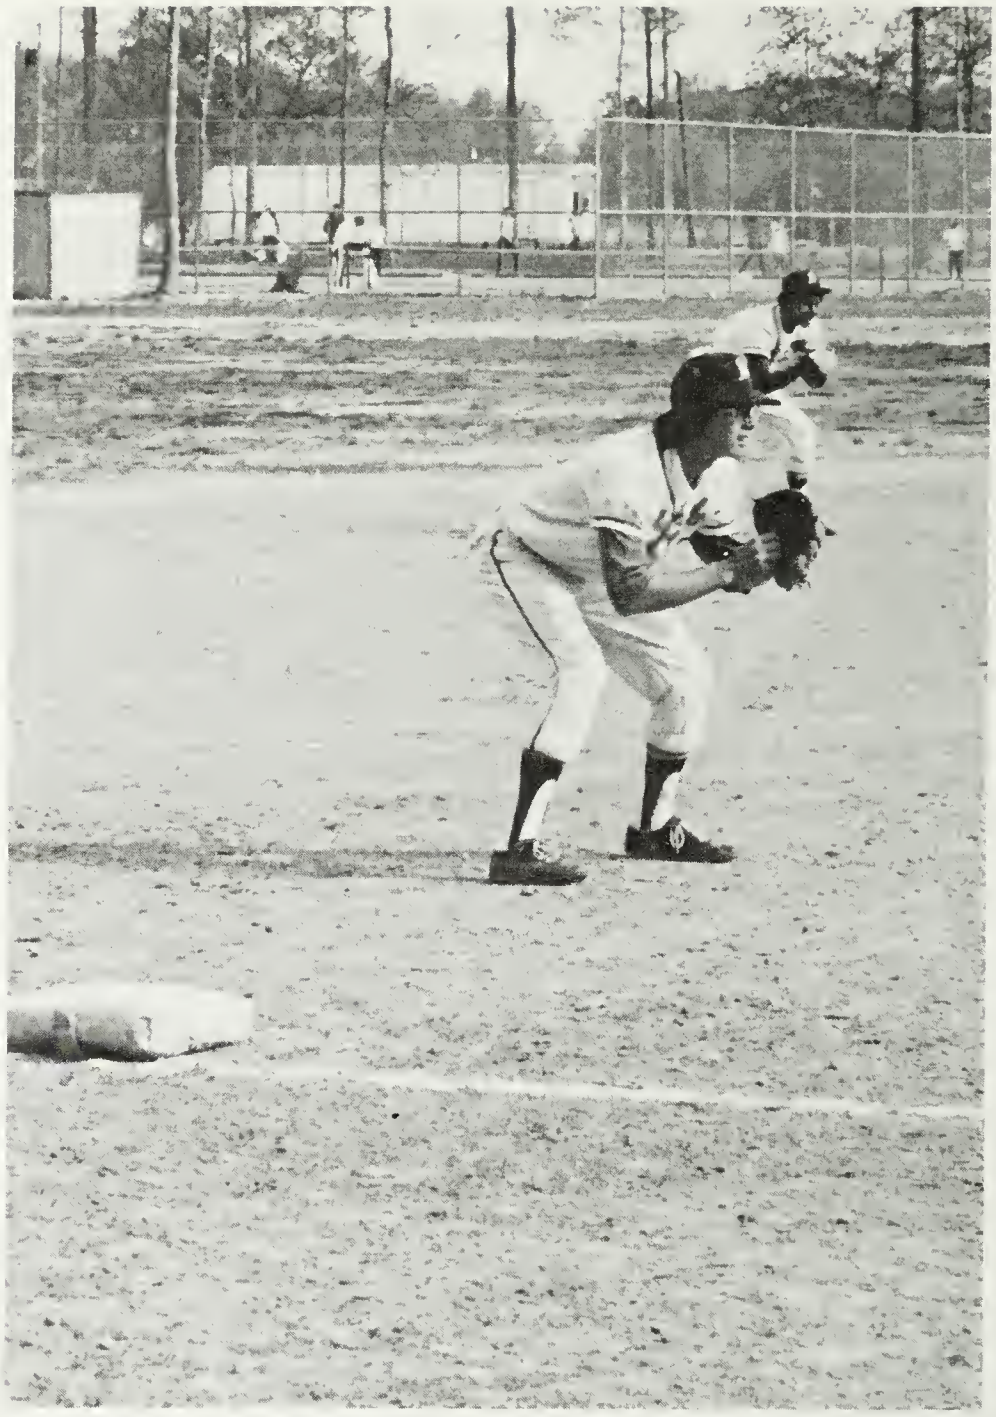
Bethel	6	Denbigh	0
Bethel	4	Hampton	0

14-4

Bruin Power Ranks Supreme

J.V. Baseballers Win District Title

The Junior Varsity Baseball team had a highly productive season as the Baby Bruins finished in first place with an 11-2-1 record to win the district title. Joey Callaway proved to be one of the more valuable players as he pitched extremely well in several key games. The J.V.'s certainly can look forward to a fine season on the Varsity level next year.



Debra Knight Chosen as Miss Kickoff

The 1971-72 school year began with the crowning of Debra Knight as Miss Kick-Off. Kathy Truman was also a contender for the title.

Debra was crowned during intermission at the Kick-Off dance and was presented to the student body at the Bethel-Menchville game.

Debra Knight is selected as Miss-Off

Joy Langley Reigns at Second Homecoming

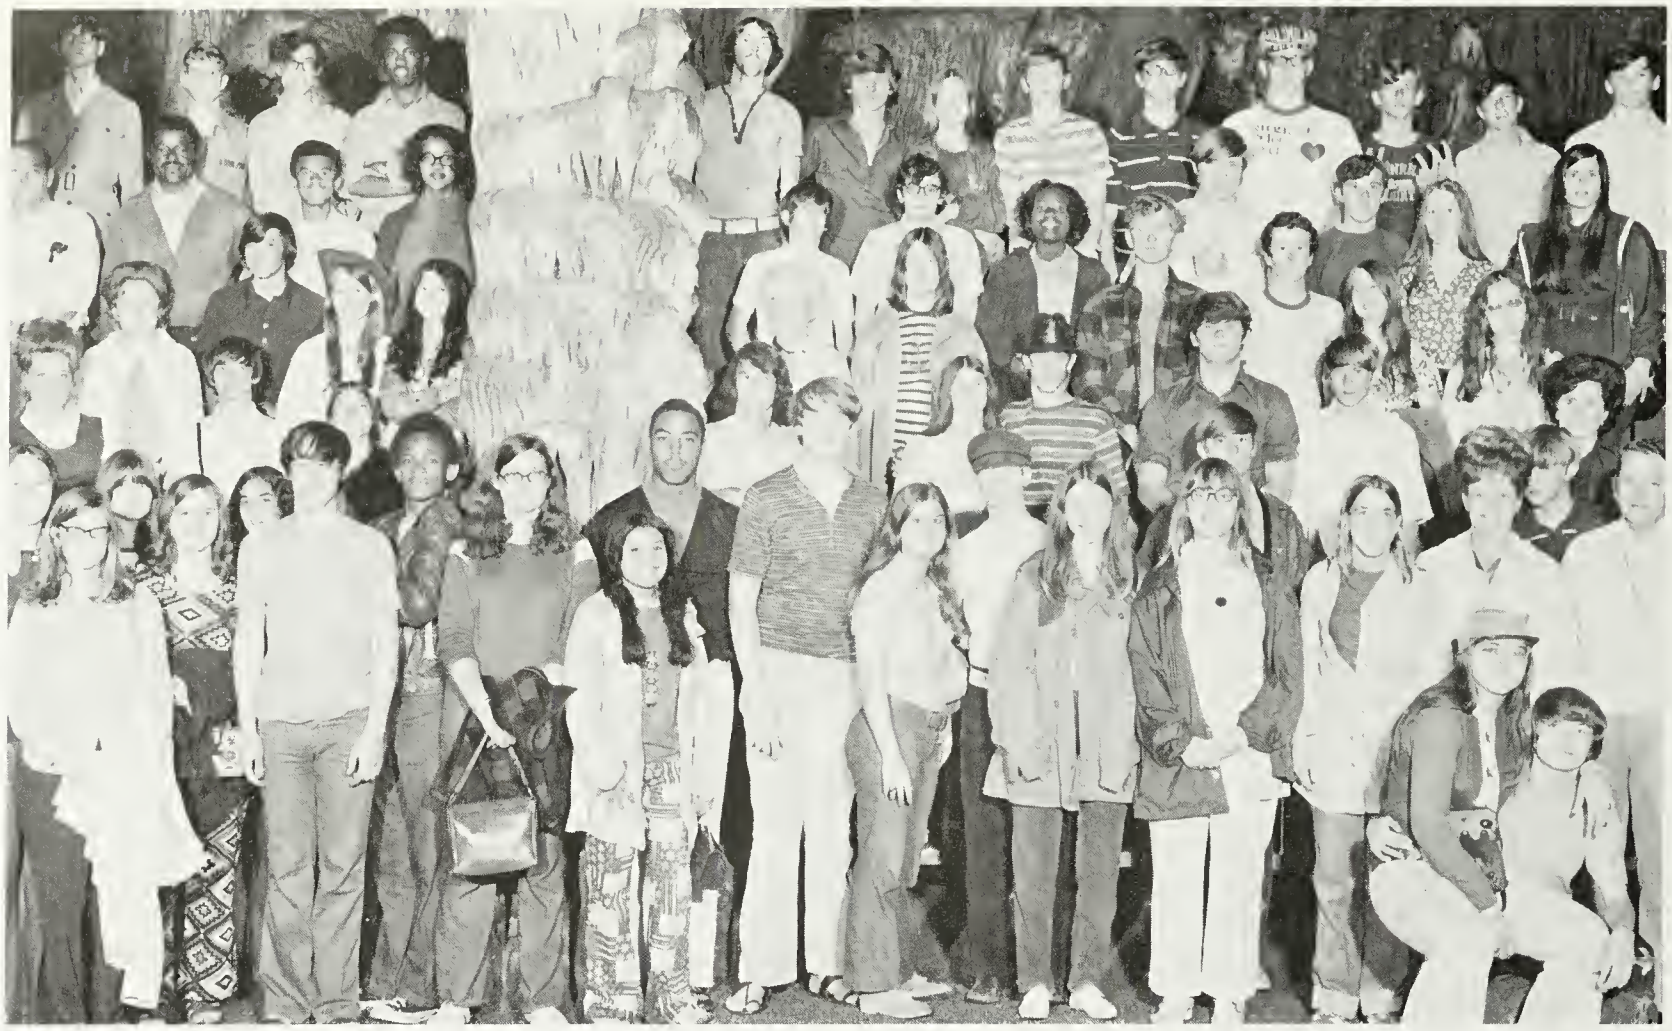
Joy poses as Homecoming Queen

This year, a new technique was used in voting for the Homecoming Queen. Tables were set up, and students were urged to vote by putting pennies in a jar. The pennies were counted, and it was announced at the Homecoming game against Kecoughtan that Joy Langley won the title. Dawn King was selected as Miss Bruin. The junior attendants were Melody Parrish and Valerie Marshall. Irene Maher and Patsy Bressette represented the sophomore class.

If You Can't Ride 'Em, Join 'Em

In order to provide the outdoor track team with sweats and tennis shoes, the Bethel High Key Club sponsored a donkey basketball game in the BHS gym. Members of the faculty, SCA executive board, and the Key Club participated in the game. Students seemed to enjoy seeing their teachers being thrown off the donkeys.

I can't believe he held that whole thing!



This year the marching band made its second annual trip to Winchester to participate in the Shenendoah Apple Blossom Festival with money obtained by several fund raising projects.

The concert band, besides holding Christmas and spring concerts, was a part of the combined high school bands of the city of Hampton in a performance for the state IRA convention at the Hampton Roads Coliseum.

An addition to our band was the stage band, patterned after the large bands of the past which play contemporary music.

Band Raises Money to Attend Apple Blossom Festival in Winchester

The band performs during half-time at the football games.

Regional Chorus performs at Bethel.

Bruin Singers Highlight Choral Department

Under the able direction of Mrs. Barbara Davis, the Bethel High School chorus presented two fine concerts this year, along with performances at the Sarah Hudgins Center, and at the P.T.A. banquet. Through two money making projects, the chorus was able to purchase much needed stereo equipment. The choral department also had the privilege of hosting the 1972 Regional Chorus, which involved a great deal of preparation and hard work by many chorus members.

An addition to this year's choral department was a mixed ensemble, the Bruin Singers. This group performed at numerous hospitals and nursing homes, and brought added attention and praise to this outstanding department.

The school year 1971-72 has been a busy and successful one for Bethel's Drama Department. Tremendous participation on the part of all the students enabled the Thespians and Garricks to put on three great shows.

The year opened with the appearance of a new drama teacher, Mrs. Eaton. Aided by Mr. Chet Luck, she immediately began work on our fall production, *The Impossible Years.* This show had immense success, and was rapidly followed by the *Mortician's Gallery,* a series of chilling one-acts, and *Cactus Flower,* a love comedy. Much hard work went into all these productions, and every member of the Drama Department is glad to have been a part of all the work; all in all, "it was a very good year."

Whew! My feet are killing me.

Drama Club Draws Record-Breaking Crowds

Mike Cowan does an excellent make-up job on Paul Welch.

Just My Imagination

On the night of April 22, the traditional Ring Dance was given to the Juniors by the Sophomore class. Accentuating the candlelit tables, the decorations were done in green and gold with touches of spring pastels. The theme, "Just My Imagination," was played by Slapwater Jack. Irene Maher and Patty Irby headed the Ring Dance committee.

Dancing is so much fun . . .

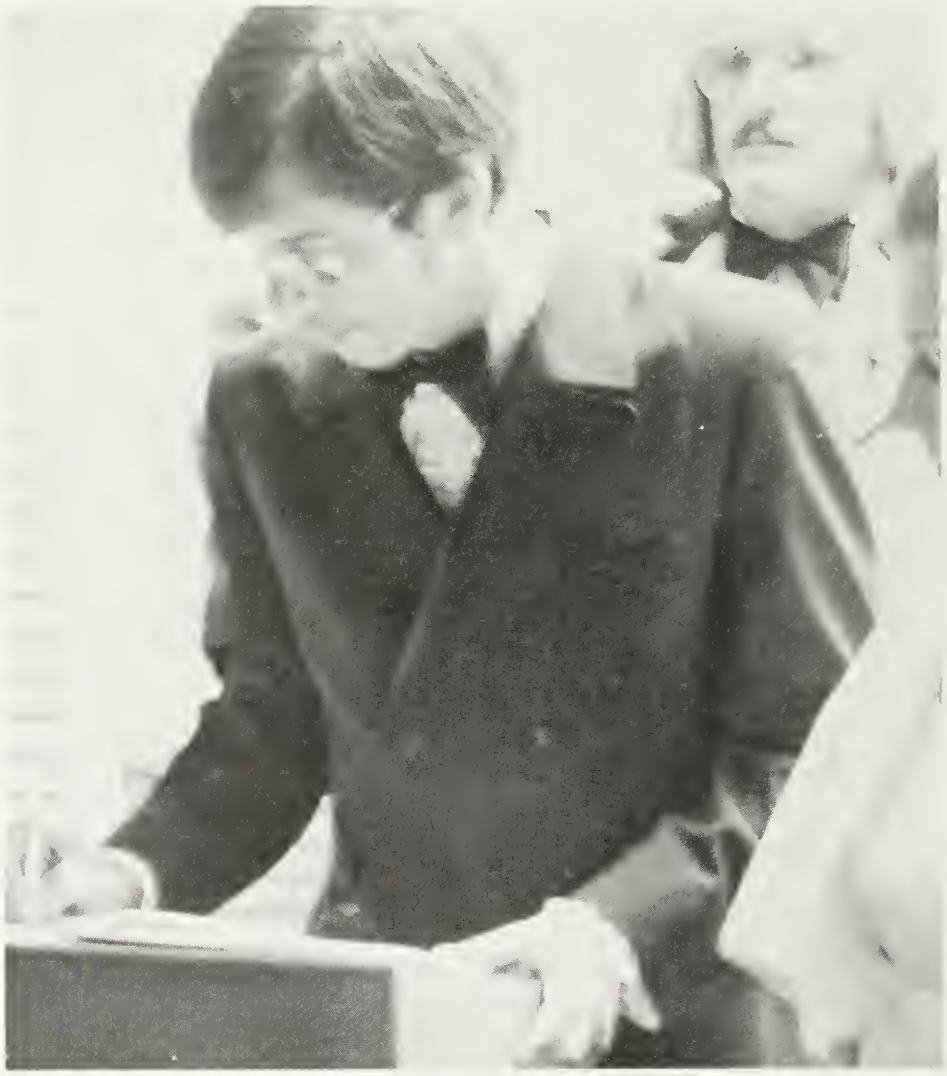
Hey Mister, how should I smile?

For some reason, I've just got to have a pickle.

Senior Luau Not Spoiled by Rain

Senior tradition continued as the Luau was held at Gosnold's Hope Park. Music was provided by the Soul Phonics, and everyone was urged to dress in Hawaiian attire. The Luau gave the Seniors a chance to be with friends before parting after graduation.

Seniors Cite Prom as Being "Wonderful"



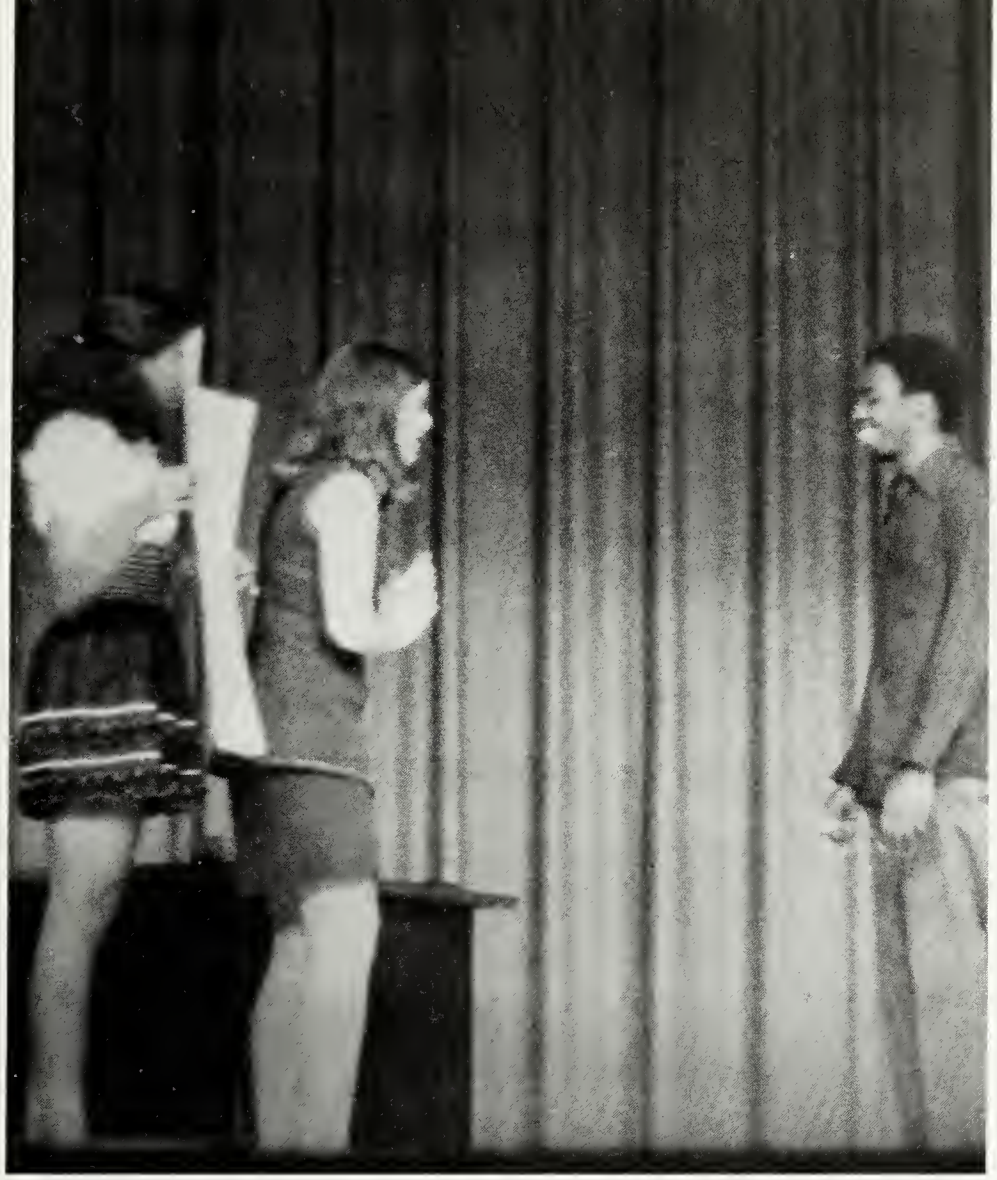
All Seniors will agree that the theme for the Prom, "Some Kind of Wonderful" was perfect. After signing the guest book, the couples entered the naturally elegant Rodef Sholom Temple where they could dance, have refreshments, or just relax. The Five O'Clock Shadow provided a wide variety of music which allowed everyone to express themselves and have a good time.

After the Prom, most of the seniors and their dates went to parties or the beach. Very definitely, the Prom was wonderful.

Lu Ann Cates was in charge of all Prom preparations.

This couple takes time to relax and enjoy each other.

Let me sit down, I think I'm sick.



Backstage pranks during Senior class night.

"A Day in the Life of Bethel"

"A day in the Life of Bethel," was the theme for the Senior Class Night. In a series of skits, the students relived the past three years at Bethel. The Senior Hall of Fame was presented at the beginning of the program as many of the superlatives "dressed according to their title."

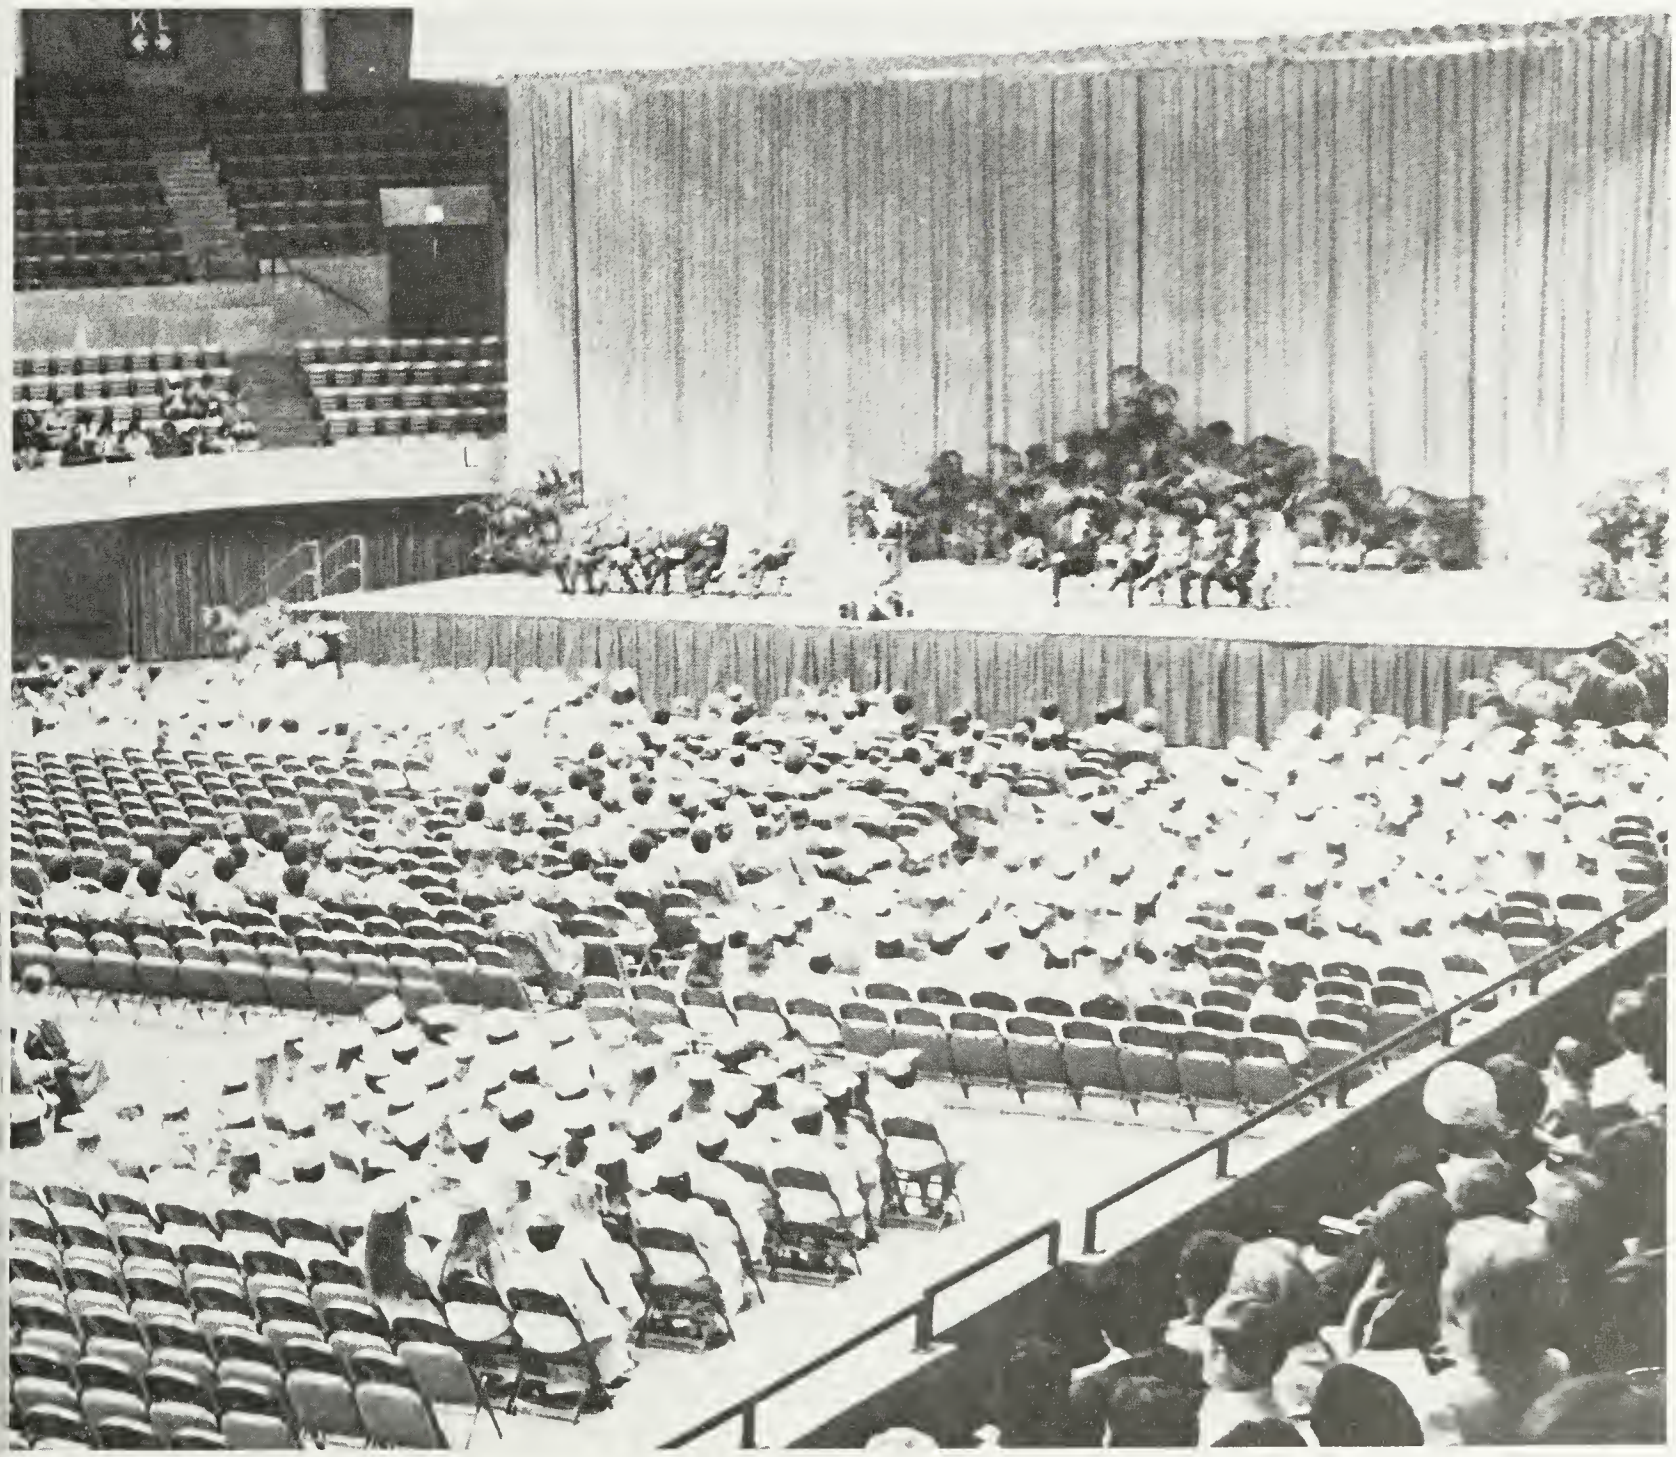
"Bugs, Roaches, and Fleas!"

I wonder why they picked us as biggest flirts!

Baccalaureate Inspires Seniors

Rev. A. P. Bailey speaks at Baccalaureate

This year Baccalaureate was again held in the Coliseum with all of the Hampton high schools. Although most Bethel seniors would have preferred the service at school, they were perhaps inspired by the words of Reverend A. P. Bailey. The combined A'Cappella choirs sang as the graduates marched into the Coliseum, and again as they left. This special service was a moment to remember for all seniors.



Class of '72, Leaders of Tomorrow

To the tune of "Pomp and Circumstance," most of the seniors marched into the Coliseum a little tearful and very nervous. President of the Senior Class, Curtis Allison, thanked the administration for their dedicated efforts, and in behalf of the Class of '72, presented to Mr. Gilligan, a portrait of Mr. Montague, Bethel's first principal.

Class speakers Sheila Batts and Richard Rhyne reminded every graduate of the past and urged them to look towards the future. The past twelve long years of work culminated as Mr. Gilligan awarded the diplomas. And with a great sense of pride, the Class of 1972 sang their Alma Mater for the last time.

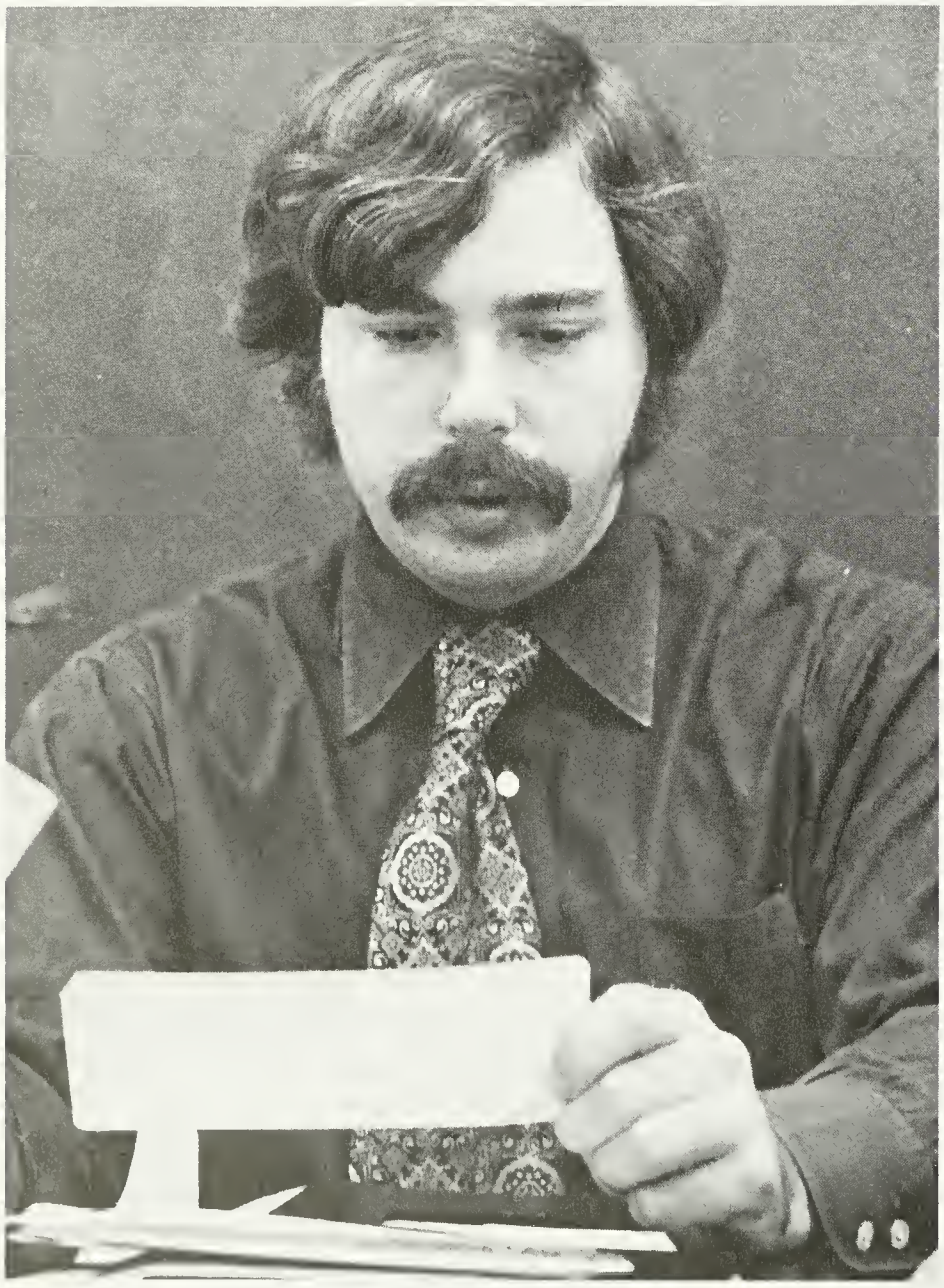
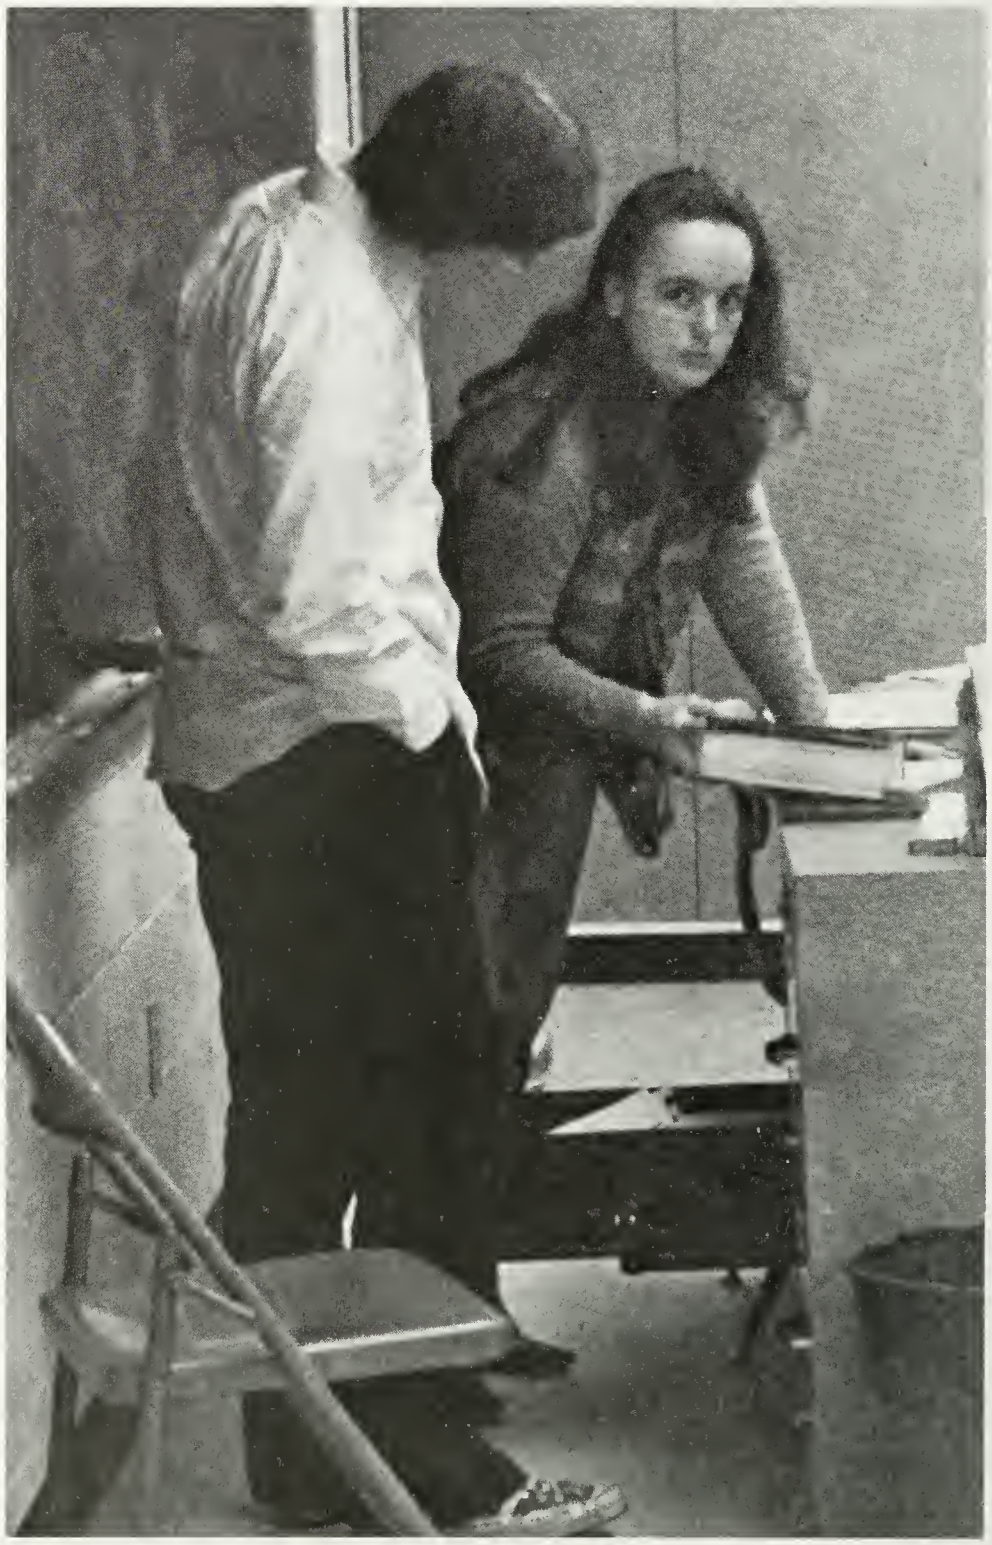
Faculty Strives to Broaden Horizons

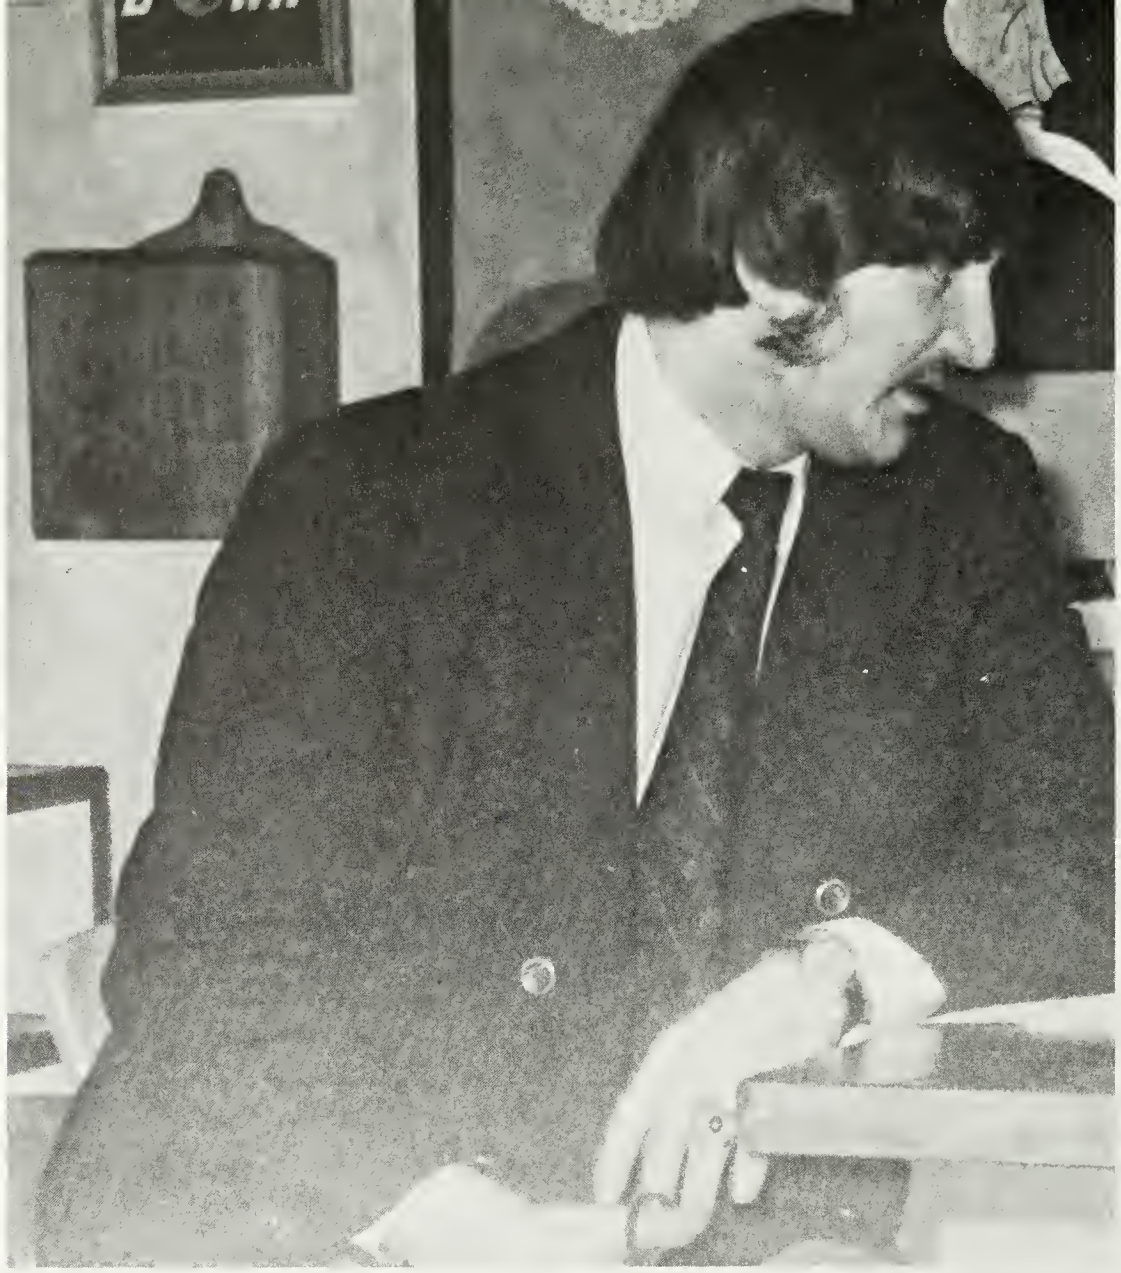


"Oh no . . . not him again!"



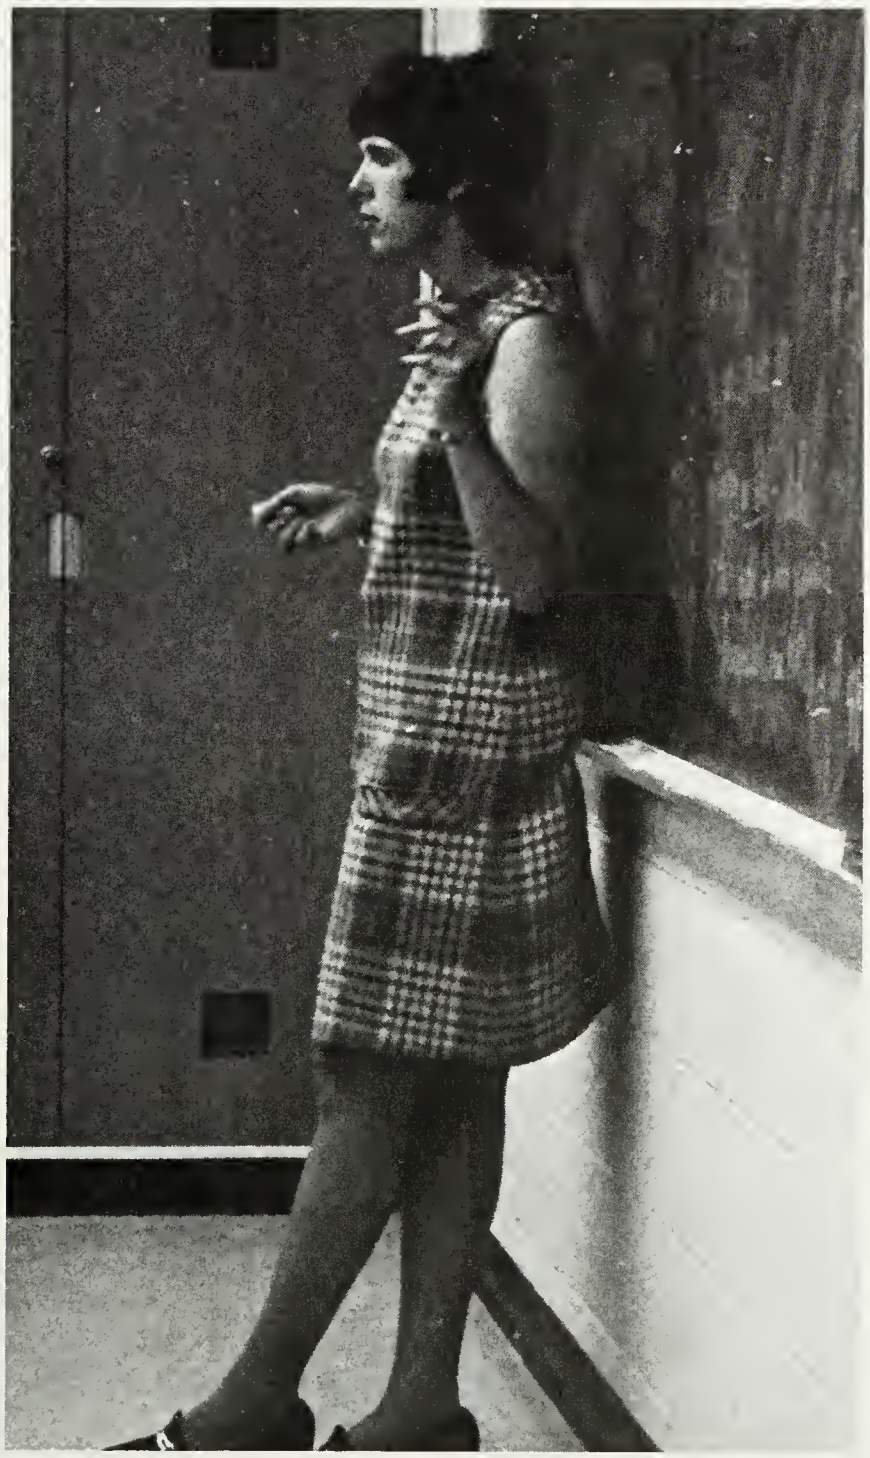
Contrary to popular belief, the faculty and administration at Bethel are human. The female teachers played in a Powder Puff football game and some male faculty members participated in the Donkey Basketball game. With patience and understanding, our faculty attempts to encourage all students to aspire for high goals.

Miss Trimble attacks Maria Malerba in Powder Puff game.

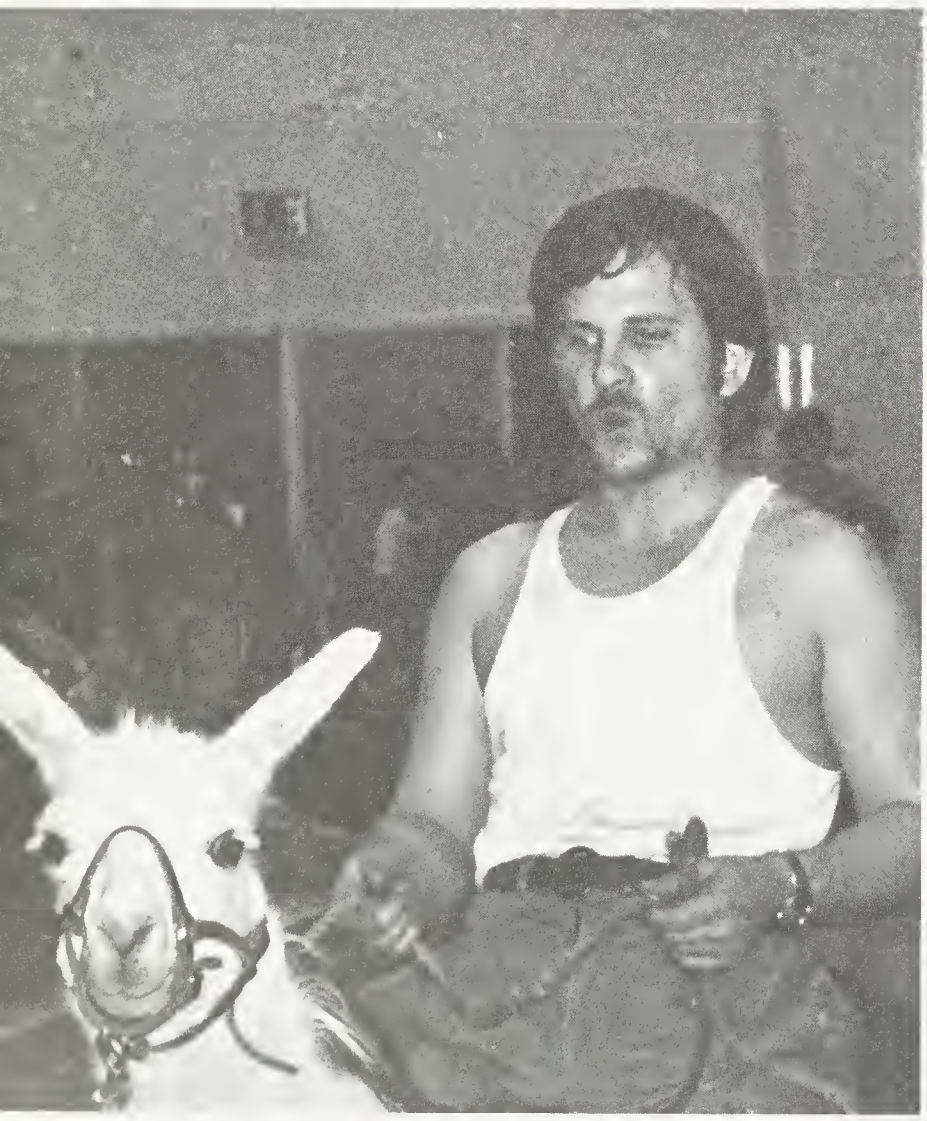


Teachers Encourage Students

Really girls, tell me how you did it.



Teachers Become Involved



"To be, or not to be, that is the question . . . "

Class Officers

SENIOR CLASS OFFICERS: *First Row:* Curtis Allison, Pres.; Rick Carsia, V.P.; Susie Koepp, Sec.; Karen Shackelford, Treasurer. *2nd Row:* Sponsors, Mr. Hairfield, Mrs. Ritt, Mr. Clawson.

The tradition that was established by the class officers of 1970 was continued this year by the class officers of 1972. The first senior class found that planning their own prom conflicted with the hectic graduation preparations at the end of the year. Also, if each class planned its own ring dance and prom the class would not be able to pay for the necessary graduation expenses. To cope with these problems, class activities were set up in this way: the sophomore class would plan the Junior Class Ring Dance, and the juniors would in turn plan the Senior Prom. In this way the new sophomore class would be able to take part in school activities and the juniors could look forward to their senior year knowing that one less burden would be lifted from graduation. This system worked effectively this year and the Ring Dance and Prom were successful.

Continue School Tradition

JUNIOR CLASS OFFICERS: *1st Row:* Jean Hill, Treas.; Kathy Neel, Sec.; Sandy Massie, SCA Rep. *2nd Row:* Miss Miller, Sponsor; Chris Chatman, Pres.; Mr. Tylavsky, Sponsor; LuAnn Cates, V.P., Miss Hankavich, Sponsor.

SOPHOMORE CLASS OFFICERS: *1st Row:* Beth Coleman, Treas.; Patti Irby, V.P.; Mike Garrett, Pres.; Jill Hutcheson, Sec.; Sandy Maloney, SCA Rep. *2nd Row:* Mrs. Tarkenton, Mr. Mouton, Sponsors.

NEWPORT NEWS.
WE'VE LAUNCHED MORE THAN 500 SHIPS.

But wait 'til you see our encore. When we started out in 1886, we were just a small ship repair yard. We named the company Newport News. Because we were proud to be doing business here.

Today we're the largest shipyard in the world. And we're still proud to call ourselves Newport News Shipbuilding and Dry Dock Company. Because a lot of the people who helped put us where we are today come from right here on the Virginia Peninsula.

With their help, Newport News has become an important asset to our community, our state and our nation.

Sure, launching over 500 ships in a little more than 80 years is a pretty impressive achievement. But we're not standing still for that. We're constantly looking to the future.

And since our acquisition by Tenneco Inc. we've got an even greater encore lined up for our employees and the community.

Editor's Comment

After a long year of hard work, I finally feel as though my efforts were not futile. Although this was my first year on the annual staff, I have learned quite a lot, and with the co-operation of many others, the fourth edition of the *Ursa Major* was published. I would like to thank the entire staff for putting up with all my mistakes, especially Mr. Moser, who never once lost his temper. Without his help and guidance, I never would have made it.

Special thanks needs to be made to the following people:
To Miss Katherine Biles for her Latin translation of the *Ursa Major* legend.
To Dan DeFalco for his consideration and guidance.

The Legend of Ursa Major

Ursa Major, the Big Bear, is one of the major constellations. According to Greek mythology, Jupiter, the King of the Gods, placed these stars in the sky.

Callisto, the young and very beautiful Princess of Arcadia, was sighted by Jupiter on one of his hunting expeditions and he instantly fell in love with her. This caused Juno, Jupiter's wife to become furious. Knowing that Juno would harm Callisto, Jupiter changed the young princess into a bear so that she could protect herself.

For years, Calisto wandered aimlessly throughout the world. One day while roaming through some woods, she came upon a young hunter. He was her son Arcas, the King of Arcadia. Not knowing that it was his mother, Arcas prepared to shoot the huge bear. Fortunately, Jupiter realized what was happening, and changed Arcas into a little bear. Jupiter then placed the little bear, Ursa Minor, and the big bear, Ursa Major, in the heavens where they could always remain together.

Ursa Major

Ursa Maior (Bear Bear) est una de sideribus maioribus. Secundum fabulas Graecorum, Juppiter rēx decorum, stellas has in caelo posuit.

Callisto, juveris pulcherrinraque regia puella, Arcadiae, a Jupitrō unō exitineribus suis venationis causa conspiciebatun; et eam statim amābat. Hoc efficiebat ut Juno, uxor Juppitri, irata esset. Intellegens Junonem Callistum vulneraturam esse, Juppiter regiam puellam iuuenem in ursam mutabat ut psam protegere posset.

Annōs Callisto per terram sine ratione errabat. Unō diē proficescens per siluam, venatorem juverem inveriebat. Erat filius Arcas, rēx Arcadiae. Nesciens eam matrem suam esse, Arcas ursam immanem necare parābat. Feliciter Juppiter quid eveniret cognoscebat et Arcam in ursam parvam mutabat. Tum Juppiter ursam parvam (Ursa Minor), et ursam magnam (Ursa Maior), in caelō posuit, ut semper unā esse possent.
